Lost In Atlanta:

Lost in Atlanta Dean McCrary, Rikeem Wilburn, 2003 Lost in Atlanta Dean McCrary, 2005 Lost in Atlanta is an engaging tale about the affects of pretense and insecurity in Atlanta's youthful African American culture. The story follows the experiences of several characters male and female alike who have each subscribed to deception as a means of getting what they want from those who they have chosen to interact with. Throughout the course of the story they come to discover that they have each become victims of their own practices forcing them to re-evaluate their priorities. Lost Mills of Fulton County Lisa M. M. Russell, 2023-03-13 Labor conflicts arrests espionage it was all there at the once ubiquitous mills of Fulton County. Employee records and snatches of paper prove workers spied on each other. Company owners were paranoid about labor unions taking over. Copious documentation unearthed here by author Lisa M Russell brings the workaday drama back to life. These mills sustained families but exploitation was far from uncommon. When mill workers finally went on strike there was hell to pay. The company bosses yanked strikers from their shacks. With the help of Governor Talmadge the National Guard arrested working women with their children. They marched these criminals to a former WWI prisoner of war camp that once held enemy German soldiers. Hard to believe this was happening in and around Atlanta in the early 1900s. *Lost Laynsen* Margaret Mitchell, 1997-05-06 A love triangle in the South Pacific is the plot of this recently discovered short novel by the author of *Gone with the Wind* written when she was 16 years old. The book also contains intimate letters from the author to a man friend. **Lost Attractions of Georgia** Tim Hollis, 2021 While Atlanta has been a major tourist destination since the Civil War, travelers rarely encountered the rest of Georgia unless they were on their way to Florida. That meant scores of attractions, motels, restaurants, and gas stations sprang up along the major and minor routes, all vying for their own piece of those Yankee dollars. In *Lost Attractions of Georgia*, author Tim Hollis introduces us to such defunct sights as Storyland and the Georgia Game Park, as well as now extinct elements of popular attractions including Six Flags Over Georgia, Rock City, Stone Mountain Park, and others. Lost to the Kingpin River West, He won her in a game of chance. Now she's the only thing he won't gamble with. Atlanta Smoke never expected to become a poker chip in her father's desperate gamble. But when she's offered up as collateral in a high stakes game and lost to the infamous kingpin Leo Brickhouse, her world turns upside down. She's supposed to be his prize, another possession in his dangerous empire. Instead, he becomes her protector. Leo never wanted to claim a woman this way, especially not her. Innocent, stubborn, breathtakingly beautiful. Atlanta is everything he never let himself dream of having. But he's been a king of the underworld long enough to know that nothing this pure stays untouched for long. Keeping her safe means keeping her his, whether she realizes it or not. Two virgins. One deal that should have sealed their fates. A passion so forbidden, so consuming, it might just set them both free or destroy them. Author's Note: Leo might be a gangster, but he never wanted that life. He doesn't think he deserves happiness, and he certainly doesn't think he deserves love. But from the moment he meets Atlanta, everything changes. Dual virgins, lightning fast, instant love, safe and

A Lost Colony Hoax Brandon Fullam,2021-11-02 On November 8 1937 a tourist from California named L E Hammond walked onto the campus of Emory University in Atlanta Georgia carrying a 21 pound rock he had accidentally stumbled upon in North Carolina The barely legible inscription on the rock appeared to be a lengthy message from Eleanor Dare mother of Virginia Dare and it was dated 1591 The inscription told of the trials and tribulations endured by the English colonists after their departure from Roanoke Island in 1587 The authenticity of that stone commonly referred to as the Chowan River Dare Stone has remained an open question since its appearance in 1937 Carefully researched and documented this book finally provides conclusive evidence that the Chowan River Dare Stone is a clever 20th century fraud In doing so the book also tells the fascinating story of the Dare Stone and exposes the orchestration of the hoax and its shadowy perpetrators
