Lost Railways Of The Chilterns:

Lost Railways of the Chilterns Leslie Oppitz, 2000 Features an illustrated history of the lost lines of the Chilterns the reasons for their construction and closure Signal Failure Tom Jeffreys, 2017-04-13 One November morning Tom Jeffreys set off from Euston Station with a gnarled old walking stick in his hand and an overloaded rucksack His aim was to walk the 119 miles from London to Birmingham along the proposed route of HS2 Needless to say he failed Over the course of ten days of walking Jeffreys meets conservationists and museum directors fiery farmers and suicidal retirees From a rapidly changing London through interminable suburbia and out into the English countryside Jeffreys goes wild camping in Perivale flees murderous horses in Oxfordshire and gets lost in a landfill site in Buckinghamshire *Signal Failure* weaves together poetry and politics history philosophy and personal observation to form an extended exploration of people and place nature society and the future In part *Signal Failure* is the story of the author's multiple shortcomings his inability to understand the city he lives in to forge a meaningful relationship with his home county hometown to emulate those great nature writers he admires so much to put up a tent or read a map It is also a wide ranging critique of humanity's most urgent failures of capitalism of community of the city and the suburbs of architecture and agriculture of bureaucratic democracy and in the end of our age old failure to find our place in the world we live in **The Trains Now Departed** Michael Williams, 2015-05-07

SOMETIMES you come across a lofty railway viaduct marooned in the middle of a remote country landscape Or a crumbling platform from some once bustling junction buried under the buddleia If you are lucky you might be able to follow some rusting tracks or explore an old tunnel leading to well who knows where Listen hard Is that the wind in the undergrowth Or the spectre of a train from a golden era of the past panting up the embankment These are the ghosts of *The Trains Now Departed* They are the railway lines and services that ran on them that have disappeared and gone forever Our lost legacy includes lines prematurely axed often with a gripping and colourful tale of their own as well as marvels of locomotive engineering sent to the scrapyard and grand termini felled by the wrecker's ball Then there are the lost delights of train travel such as haute cuisine in the dining car the grand expresses with their evocative names and continental boat trains to romantic far off places *The Trains Now Departed* tells the stories of some of the most fascinating lost trains of Britain vividly evoking the glories of a bygone age In his personal odyssey around Britain Michael Williams tells the tales of the pioneers who built the tracks the yarns of the men and women who operated them and the colourful trains that ran on them It is a journey into the soul of our railways summoning up a magic which although mired in time is fortunately not lost for ever
