

D. G. HART

**THE LOST *Soul* OF
AMERICAN PROTESTANTISM**

Lost Soul Of American Protestantism

Robert C. Crouse

Lost Soul Of American Protestantism:

The Lost Soul of American Protestantism D. G. Hart, 2002-09-04 He explains that unlike evangelical and mainline Protestants who emphasize faith's role in solving social and personal problems, confessional Protestants locate Christianity's significance in the creeds, ministry and rituals of the church. **BOOK JACKET**

The Lost Soul of American Protestantism D. G. Hart, 2004-08-27 In *The Lost Soul of American Protestantism*, D. G. Hart examines the historical origins of the idea that faith must be socially useful in order to be valuable. Through specific episodes in Presbyterian, Lutheran and Reformed history, Hart presents a neglected form of Protestantism: confessionalism, as an alternative to prevailing religious theory. He explains that unlike evangelical and mainline Protestants who emphasize faith's role in solving social and personal problems, confessional Protestants locate Christianity's significance in the creeds, ministry and rituals of the church. Although critics have accused confessionalism of encouraging social apathy, Hart deftly argues that this form of Protestantism has much to contribute to current discussions on the role of religion in American public life, since confessionalism refuses to confuse the well-being of the nation with that of the church. The history of confessional Protestantism suggests that, contrary to the legacy of revivalism, faith may be most vital and influential when less directly relevant to everyday problems, whether personal or social. Clear and engaging, D. G. Hart's groundbreaking study is essential reading for everyone exploring the intersection of religion and daily life.

The Lost Soul of American Protestantism D. G. Hart, 2004-08-27 In *The Lost Soul of American Protestantism*, D. G. Hart examines the historical origins of the idea that faith must be socially useful in order to be valuable. Through specific episodes in Presbyterian, Lutheran and Reformed history, Hart presents a neglected form of Protestantism: confessionalism, as an alternative to prevailing religious theory. He explains that unlike evangelical and mainline Protestants who emphasize faith's role in solving social and personal problems, confessional Protestants locate Christianity's significance in the creeds, ministry and rituals of the church. Although

critics have accused confessionalism of encouraging social apathy Hart deftly argues that this form of Protestantism has much to contribute to current discussions on the role of religion in American public life since confessionalism refuses to confuse the well being of the nation with that of the church The history of confessional Protestantism suggests that contrary to the legacy of revivalism faith may be most vital and influential when less directly relevant to everyday problems whether personal or social Clear and engaging D G Hart s groundbreaking study is essential reading for everyone exploring the intersection of religion and daily life *Themelios, Volume 45, Issue 2* D. A. Carson, 2022-05-16 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **The Oxford History of Protestant Dissenting Traditions, Volume V** Mark P. Hutchinson, 2018-10-18 The five volume Oxford History of Protestant Dissenting Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in Britain and Ireland as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and Royal Supremacy but then follows those traditions as they spread beyond Britain and Ireland and also analyses newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier British and Irish dissent but that have often defined a trajectory of influence independent of ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume V follows the spatial cultural and intellectual changes in dissenting identity and practice in the twentieth century as these once European traditions globalized While in Europe dissent was often against the religious state dissent in a globalizing world could

redefine itself against colonialism or other secular and religious monopolies The contributors trace the encounters of dissenting Protestant traditions with modernity and globalization changing imperial politics challenges to biblical denominational and pastoral authority local cultures and languages and some of the century s major themes such as race and gender new technologies and organizational change In so doing they identify a vast array of local and globalizing illustrations which will enliven conversations about the role of religion and in particular Christianity **Broadcasting the Faith**

Michael E. Pohlman,2021-02-02 **Broadcasting the Faith** tells the riveting story of the American church s embrace of radio in the early decades of the twentieth century By investigating major radio personalities like Walter Maier Aimee Semple McPherson Harry Emerson Fosdick and Charles Fuller this study considers the implications for theology in America when Christianity moved to the airwaves In the heyday of radio religious radio preachers sought to use their programs to counter the secularization of American culture Ultimately however their programs contributed to secularization by accelerating changes already evident in both the conservative and liberal streams of American Christianity To reach a vast American audience radio preachers transformed their sectarian messages into a religion more suitable to the masses thereby altering the very religion it aimed to preserve To make religion accessible to large and diverse audiences radio preachers accommodated their messages in ways suited to the medium of radio Although religious radio preachers set forth to advance the influence of religion in American society their choice to limit theological substance ironically promoted the secularization of the American church **Kierkegaard for the Church** Ronald F. Marshall,2013-08-30 Most of what is written on

Kierkegaard today is for the college classroom and academic conferences The guiding question of this book is that if Kierkegaard s words about Christianity are true how do they change the way we learn and practice the Christian faith today This book is an answer to that question It does not enter into an extended critical discussion over the truth of Kierkegaard s ideas Instead it just believes what Kierkegaard said and runs with it It does that by showing how his ideas change our understanding of Christian identity suffering and illness worship and preaching the Bible baptism prayer marriage and divorce criticism and the Christian minister Interspersed are many quotations from Martin Luther whose thought significantly shaped Kierkegaard s At the end of the book is a hefty collection of sermons to show how all of this can be preached in the church What Kierkegaard for the Church adds to our understanding of Kierkegaard is the place of the church in his thought Because of his criticisms of the Danish state church and his stress on the need for the single individual to appropriate Christian teachings it could be imagined that he rejected the church But that would be to throw the baby out with the bath The fact is that Kierkegaard remained a loyal son of the church even while he attacked it And he did this only so he could strengthen what he loved **Uncommon Unity** Richard Lints,2022-10-19 A crucial book Timothy Keller Our world is facing increasing hostilities Political and cultural differences rage even among people who otherwise show goodwill And the church is no stranger to extreme polarization theological backbiting and political squabbling Jesus s prayer in John

17 that the church be one as he and the Father are one seems increasingly unattainable But what if Scripture actually provides the key for thinking about unity in diversity In *Uncommon Unity Wisdom for the Church in an Age of Division* Richard Lints explores the nature of diversity and how Christians can think more clearly about unity in an increasingly polarized age Drawing on theological historical and sociological resources Lints exposes problems with the inclusion narrative of democracy and shows a better way forward for fostering unity in the midst of extreme diversity If we are to think rightly about diversity wisdom is required for the church in our late modern world Through wisdom Christians can display real unity in diversity and bear witness of the God who made them for himself as diverse members of his one body Readers of *Uncommon Unity* will be heartened that Scripture and Christian tradition provide an antidote to division [Themelios](#), [Volume 34, Issue 2](#) D. A. Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary [Two Kingdoms and Two Cities](#) Robert C. Crouse, 2017-07-15 The recent emergence of two kingdoms and two cities approaches to Christian social thinking are shown to have a key and often unacknowledged connection to Luther's reshaping of the Augustinian paradigm The project works for a better understanding of Luther's own thought to help understand the convergences and divergences of Christian political theology in the twentieth century and today In particular Luther's two kingdom thinking issued forth in a strong distinction of law and gospel that was also worked out in twofold pairs of Israel and church general and special revelation creation and redemption and especially the outward and inward life The work traces this legacy through acceptance and modification by Niebuhr and Bonhoeffer Lutheran and Catholic neoconservatives Reformed two kingdom proponents Augustinian liberals and finally Oliver O'Donovan The conclusion reflects on both the historical narrative and its

connection to an account of modern liberalism as well as a theological reflection on hermeneutical decisions of the twoness of Christian theology **Wisconsin Lutheran Quarterly** ,2005 **U.S. Catholic Historian** ,2005 *Lost Soul Amern*

Politics John P. Diggins,1984-12-18 The Lost Soul of American Politics is a provocative new interpretation of American political thought from the Founding Fathers to the Neo Conservatives Reassessing the motives and intentions of such great political thinkers as Madison Thoreau Lincoln and Emerson John P Diggins shows how these men struggled to create an alliance between the politics of self interest and a religious sense of moral responsibility a tension that still troubles us today

Pagan Christianity? Frank Viola,George Barna,2010-09-30 Have you ever wondered why we Christians do what we do for church every Sunday morning Why do we dress up for church Why does the pastor preach a sermon each week Why do we have pews steeples and choirs This ground breaking book now in affordable softcover makes an unsettling proposal most of what Christians do in present day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices In the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be As you reconsider Christ s revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you ll be challenged to decide whether you can ever do church the same way again

The American Church Experience Thomas A. Askew,Richard V. Pierard,2004 How did the American church begin and how did it evolve to meet changing needs This book tells the story of the American church demonstrating how church life and institutions function as foundational elements in our society That Old-time Religion in Modern America Darryl G.

Hart,2002 In this cogent history Hart unpacks evangelicalism s current reputation by tracing its development over the course of the 20th century He shows how evangelicals entered the century as full partners in the Protestant denominations and agencies that molded American cultural and intellectual life **America, History and Life** ,2006 Article abstracts and

citations of reviews and dissertations covering the United States and Canada **Book Review Index Cumulation** Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2006
