## **Lost Women Of The Bible Finding Strength And Significance Through Their Stories:**

**Lost Women of the Bible** Carolyn Custis James, 2009-08-01 You know the women of the Bible but you don't know them like this. It's easy for Christian women young and old to get lost between the opportunities and demands of the present and the biblical teachings of the past. They live in a confusing world caught in the crossfire between church and culture. Although home and family still remain central, more women than ever by choice or by necessity are blending home, career, and ministry. They need strong biblical role models to help them meet these challenges. Building on solid scholarship and a determination to wrestle honestly with perplexing questions, author Carolyn Custis James sheds new light on ancient stories that bring the women of the Bible into the twenty-first century. This fresh look at the women in the Bible unearths surprising new insights and a powerful message that will leave readers feeling challenged, encouraged, and deeply valued. Rediscover and be inspired by Eve, Sarah, Hagar, Tamar, Hannah, Esther, Mary, and others.

**The Gospel of Ruth** Carolyn Custis James, 2011-01-26 Traditionally the Book of Ruth is viewed as a beautiful love story between Ruth and Boaz. But if you dig deeper, you'll find startling revelations that God makes much of broken lives; he calls men and women to serve him together, and he's counting on his daughters to build his kingdom. Now in softcover.

**Matriarchs of the Messiah: 2nd Edition** Jo Ann Skousen, 2023-02-14 The God of Abraham, Isaac, and Jacob is also the God of Sarah, Rebecca, and Leah. In this fascinating book, renowned scholar Jo Ann Skousen shines light on Christ's maternal ancestors, including the reformed harlot Rahab, the kind and loyal Moabite Ruth, and the beautiful Bathsheba. Filled with insights that still apply today, this is a must-read for followers of the Holy Bible.

**Identity Crisis** Sarah Yoon, 2015-03-17 This book provides a general overview of the identity crises of BMB believers from Muslim background. Women in Jordan go through and reasons for it. Traditionally, persecution from family, community, or the secret police is thought to leave these women with newfound faith. However, even before persecution exposes their new faith, many initial believers give up, seeking the new truth and return to their previous phase due to a serious identity crisis. This phenomenon is found to occur particularly often among female BMBs because of their unique circumstances in the religious and sociocultural contexts of Jordan. Through an examination of BMB women's narratives, this book explores how Muslim women form their identities and what they experience in the process of conversion.

***The First Gentleman*** Dr. Jacqueline Tuggle Taylor, 2012-05-10 Female leadership has been a topic of debate for centuries between theologians and laity. Christians and non-Christians, as well as men and women. This study will present a theological analysis of the debate concerning male and female roles in leadership positions and ministry. An analysis of the role of the female pastors' spouse, the effects of sexism in religion, and how it has influenced the ecclesiology of the church will be examined, as well. Reflections of case studies employing biblical narratives of couples in the Bible will be used to substantiate the roles of women leaders and their spouses. Each scenario identifies the particular role of the husband and the wife specifically when the wife is the spiritual leader. Read with anticipation the outcome of biblical interpretation of the roles of the female leader.
