Lost Bonanzas Of Western Canada II:

Lost Bonanzas of Western Canada Garnet Basque, 1996 The book contains 13 true stories of lost mines buried treasure and outlaw loot from British Columbia Alberta and the Northwest Territories This collection of stories is unlike most Although many of the stories themselves are not new in the past most authors have merely glamorized the possibility that the treasure existed This author has gone far beyond that spending the time and research necessary trying to establish whether or not the treasure did in fact exist whether the people places and events actually existed It was a complicated process given the number of years that had passed Authenticating them however did not detract from the stories This collection will stir the adventuresome spirit in any reader B.C. Provincial Police Stories Cecil Clark, 1986-05 Cecil Clark's stories from the
