Lost Spanish Towns Atascosito And Trinidad De Salcedo:

Lost Spanish Towns Jean L. Epperson, 2015-03-01 A general understanding of Atascosito and Trinidad de Salcedo early histories with details previously buried in the Spanish Mexican archives *Lost Spanish Towns* Jean L. Epperson, 1996 This book covers a part of the history of Southeast Texas from 1756 to the 1830s **Texas by Terán** Manuel de Mier y Terán, Jack Jackson, Scooter Cheatham, Lynn Marshall, 2000 This book contains the full text of Teran's diary which has never before been published edited and annotated by Jack Jackson and translated into English by John Wheat Also included are letters Teran wrote during his inspection observations by other members of the expedition and brief accounts by several foreign travelers who visited Texas at this time The editor's introduction and epilogue place the diary in historical context revealing the significant role that Teran played in setting Mexican policy for Texas between 1828 and 1832 Jacket **The Lost War for Texas** James Aalan Bernsen, 2024-07-08 One of the most important themes in US history is the series of struggles that transformed the Southwest from a Spanish to an American possession the Texas Revolution of 1836 and the Mexican American War of 1845 But what if historians have been overlooking a key event that led to these wars another war almost entirely unknown that took place on what is now US soil and dramatically shaped the development of the American Southwest to this day The true story of this war presented in *The Lost War for Texas* Mexican Rebels American Burrites and the Texas Revolution of 1811 is only now being revealed by never before published research which will challenge paradigms and reshape much of what we know about United States Texas and even Mexican history In the early 1800s the impact of the Napoleonic Wars rippled across the Atlantic Within weeks of the United States's declaration of war on England in 1812 hundreds of western militia forces rallied to a flag and marched boldly to war but not for the United States They instead invaded the province of Texas to make common cause with Mexican rebels who had launched their struggle against the Spanish monarchy the year before The resulting war changed the Southwest forever Author James Aalan Bernsen places a spotlight on division and separatism at this pivotal moment of the second revolution of the United States *The Lost War for Texas* by revealing the forgotten war of 1811 1812 will profoundly change how we understand the birth of the American Southwest Conditional Freedom Thomas Mareite, 2022-12-19 While the literature on slave flight in nineteenth century North America has commonly focused on fugitive slaves escaping to the U S North and Canada *Conditional Freedom* provides new insights on the social and political geography of freedom and slavery in nineteenth century North America by exploring the development of southern routes of escape from slavery in the U S South and the experiences of self emancipated slaves in the U S Mexico borderlands In *Conditional Freedom* Thomas Mareite offers a social history of U S refugees from slavery and provides a political history of the clash between Mexican free soil and the spread of slavery west of the Mississippi valley during the nineteenth century *Conditional Freedom* is now available in paperback for individual customers **Texas by Terán** General Mier, 2010-01-01 An extremely valuable original source on Texas history that heretofore has not been

available to scholars or the reading public Donald E Chipman Professor of History University of North Texas Texas was already slipping from the grasp of Mexico when Manuel Mier y Ter n made his tour of inspection in 1828 American settlers were pouring across the vaguely defined border between Mexico s northernmost province and the United States along with a host of Indian nations driven off their lands by American expansionism Ter n s mission was to assess the political situation in Texas while establishing its boundary with the United States Highly qualified for these tasks as a soldier scientist and intellectual he wrote perhaps the most perceptive account of Texas people politics natural resources and future prospects during the critical decade of the 1820s This book contains the full text of Ter n s diary which has never before been published edited and annotated by Jack Jackson and translated into English by John Wheat The introduction and epilogue place the diary in historical context revealing the significant role that Ter n played in setting Mexican policy for Texas between 1828 and 1832

Trammel's Trace Gary L. Pinkerton, 2016-11-01 Trammel s Trace tells the story of a borderlands smuggler and an important passageway into early Texas Trammel s Trace named for Nicholas Trammell was the first route from the United States into the northern boundaries of Spanish Texas From the Great Bend of the Red River it intersected with El Camino Real de los Tejas in Nacogdoches By the early nineteenth century Trammel s Trace was largely a smuggler s trail that delivered horses and contraband into the region It was a microcosm of the migration lawlessness and conflict that defined the period By the 1820s as Mexico gained independence from Spain smuggling declined as Anglo immigration became the primary use of the trail Familiar names such as Sam Houston David Crockett and James Bowie joined throngs of immigrants making passage along Trammel s Trace Indeed Nicholas Trammell opened trading posts on the Red River and near Nacogdoches hoping to claim a piece of Austin s new colony Austin denied Trammell s entry however fearing his poor reputation would usher in a new wave of smuggling and lawlessness By 1826 Trammell was pushed out of Texas altogether and retreated back to Arkansas Even so as author Gary L Pinkerton concludes Trammell was more opportunist than outlaw and made the most of disorder

The 1996 Genealogy Annual Thomas Jay Kemp, 1997-12 The Genealogy Annual is a comprehensive bibliography of the year s genealogies handbooks and source materials It is divided into three main sections p liFAMILY HISTORIES licites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book p liGUIDES AND HANDBOOKS liincludes reference and how to books for doing research on specific record groups or areas of the U S or the world p liGENEALOGICAL SOURCES BY STATE liconsists of entries for genealogical data organized alphabetically by state and then by city or county p The Genealogy Annual the core reference book of published local histories and genealogies makes finding the latest information easy Because the information is compiled annually it is always up to date No other book offers as many citations as The Genealogy Annual all works are included You can be assured that fees were not required to be listed

Let's Cross Before Dark Bill Winsor, 2022-11-30 Let s Cross Before Dark A History of the Ferries Fords and River Crossings of Texas The state of Texas claims over 12 000 named

rivers and streams stretching approximately 80 000 linear miles within its boundaries In this book Bill Winsor identifies and locates over 550 named river crossings within the state that once served as vital destinations for Native Americans European explorers and Mexican and American soldiers and colonists Winsor has catalogued their origins and histories Included in the work are maps of major rivers and their crossings as well as select images of early ferry operations of Texas In addition to an alpha index of the crossings the 625 page book presents an in depth examination of the roles principal rivers and their crossings assumed in the framing of Texas history Each of its fourteen chapters explores the founding of these various sites and the characters that brought them to life This information under one cover presents an incomparable resource for future generations to better understand and appreciate the historical relevance of these vanishing theaters of history Bridles and Biscuits Gary L. Pinkerton, Tom H. Gann, 2025-05-30 Breakfast and his horse's bridle these were what a Spanish soldier in 1790s Spanish East Texas traded for the unregulated goods found in his possession Here Gary L. Pinkerton uncovers the true nature of contraband trade and why it was so pervasive This poor soldier Pinkerton writes was willing to ride bridleless on horseback to Bexar and risk arrest so he could give his wife a gift No nation on earth could stop that kind of trade The soldier's confession further reveals that while some smugglers dealt in arms and livestock most illicit trading at the time was carried out for convenience and economic survival rather than profit Bridles and Biscuits Contraband Culture in Spanish East Texas explores the complex economies and shifting structures of a borderland environment In 1773 as residents of Los Adaes were abruptly forced to relocate to Bexar the Spanish retreat from the region created a greater opening for unregulated trade among French American and Italian settlers For five years before Spanish subjects resettled Nacogdoches in 1779 the people forced out of Los Adaes forged a new existence on the Trinity River in a place they called Bucareli There Antonio Gil Ibarvo solidified his role as a key figure in contraband trade Through the story of Ibarvo's rise to become the leader of Nacogdoches and his subsequent arrest and removal from that post Pinkerton demonstrates how the region that hosted the exiled Adaeseos became the entry point for those with bigger goals than trading horses and skins As Pinkerton concludes borders are porous and over time more was at stake than horse tack and breakfast Bridles and Biscuits delivers new insights into this relatively unexplored era of colonial Texas history **Hispanic Genealogical Journal**, 1999 Houston Atlas of Biodiversity Houston Wilderness, 2007 The Houston metroplex and 24 surrounding counties possess striking natural beauty unique biodiversity and globally important ecological resources With lively engaging text and vivid color photographs and illustrations throughout the Houston Atlas of Biodiversity highlights the variety cultural importance and global value of the natural environment found within the Houston Wilderness project area Written by a consortium of authors in conjunction with the Houston Advanced Research Center HARC and Houston Wilderness the Houston Atlas of Biodiversity focuses on habitats animal and plant communities and broad multi county ecoregions It demonstrates how local parks and preserves are part of an interconnected diverse natural world that transcends traditional city or county jurisdictions The atlas details each

of the ten ecoregions in the Houston Wilderness area Bayou Wilderness Big Thicket Coastal Marshes Coastal Prairies Columbia Bottomlands Estuaries and Bays Gulf of Mexico Piney Woods and Trinity Bottomlands Special attention is taken to portray these ecological treasures engagingly and accurately gently encouraging the reader toward a sense of pride and appreciation The book is laced with stunning photography of places both familiar and unknown throughout the region and filled with detailed ecoregion maps The Houston Atlas of Biodiversity is truly a one of a kind publication that will alert the reader to the magnificent ecological treasures of the Houston Wilderness region **American Book Publishing Record**,1997-05 *Bibliographic Index*,1997 **Journal**,1991 *Books in Print*,1991 **Forthcoming Books** Rose Army,1997-04 *Spanish Trinidad* Francisco Morales Padron,2012-11 Spanish Trinidad is the first ever history of the 300 year span of the Spanish period of Trinidad written from a strictly Spanish perspective From the encounter of Christopher Columbus with the first Trinidadian Amerindians during the summer of 1498 to the handover of the island to the British in 1797 Francisco Morales Padron describes the complex process of the Spanish settlement of the island while searching for El Dorado the progressive social and economic development of La Trinidad de Barlovento as Trinidad was known until the late 18th century the significance and relevance of the Caribbean Windward Islands in the Spanish geo political strategy of its American provinces and the key role played by Trinidad in the outcome of the European disputes in the West Atlantic after the French Revolution This English translation of Padron s *La Trinidad Espanola* originally published in 2011 illuminates the oft forgotten years of the island s life as part of Spain and complements the existing works by scholars and historians from Trinidad and Tobago and the wider English speaking Caribbean Padron s extensive research in Spanish archives and the presentation of original source documents shed light on the internal and foreign threats and challenges faced by Trinidad throughout the 16th 17th and 18th centuries It uncovers and examines the policies and efforts that fuelled Trinidad s economic and demographic transformation from a remote Caribbean outpost to a prized and ultimately seized possession of Spain Comprehensive and expansive Spanish Trinidad is rich study of the three centuries of Spanish presence in Trinidad and an invaluable contribution to the recorded history of the Republic of Trinidad and Tobago and the Caribbean
