The Diary of Albert Wang: October 2009-December 2009 Albert Wang, 2010-07-05 The Diary of Albert Wang
October 2009 December 2009 starts its narrative a little bit before his 33rd birthday Encompassing much controversy as the first most likely public journal executed as a transcript of this performance artist's text messages during this time period this book provides a profound look into the artist writer's daily activities ranging from the business like to the sexual passionate tone The secret life of a run of the mill Salt Lake City resident and displaced New Yorker reveals too many details without flinching yet enveloping the essence of a single Asian male obsessed with daily text messaging and living as a work of art just like On Kawara with his date paintings and postcards The reader will be taken on this intellectually salacious experimental journey
