Allen,2016-05-31 This is the second installment of my personal journey the first being Like Water Join me as I make my journey on this trip we call life Some of us get it early in life and some of us have to learn the hard way I ve taken the latter However in The Magic Hour I ve begun to wake up and see that I have been engaging in some magical thinking by assuming that life is going to just drop my dreams into my lap hoping against hope that my prayers will bring a change to my mother and my life when in reality the person who needs to change is me I am to learn this by living through harrowing hidden experiences with my family Pushed to the limit what decisions will I make How will I turn things around The lessons that I ve learned as a child which I thought were a bit archaic and cruel will serve me well **Focus On: 100 Most Popular Light**
