Magic & Menage a Trois 4-Book Bundle Daisy Rose, 101-01-01 Magic Menage Trois 4 book bundle contains 4 standalone steamy stories where secrets are found and mysteries uncovered where love and pleasure are interlinked and pleasures are limitless Here you will find THE QUEEN'S BODYGUARD Juliette is a dying Queen Her search for a husband to lead her kingdom before she passes leads her to hire a travelling artist Damien who captures her heart as easily as he captures her likeness in his paintings Her advisors are not the only ones who are against their relationship James her bodyguard follows their every movement with a jealous possessiveness that confounds her DRAGON LOVER MAGE HUSBAND Rin is torn between two impossible choices Her mage husband loves her even as he admits that he had married her because there are things that he wishes to gain from their union Lewis is an ex lover and dragon who is wholly devoted to her and doesn't care that she belongs to another He has waited for her all these years What is she to do when both men are shameless in their claiming of her THE PLEASURE OF DRAGONS Everything Katie thinks she knows about her life is a lie starting with the belief that she is wholly human It all begins when she goes on a date with Ezra the college heartthrob who wastes no time taking her apart despite being surrounded by people in the middle of a crowded movie theater That should be the most exciting thing to have ever happened to her except that's just the beginning FALLING FOR ETERNITY Naomi enjoys a quiet peaceful life Her only

grievance is that she harbors feelings for her guardian a mage who doesn't return her feelings According to him she owes the dragon a life debt and in return he has asked for her hand in marriage She doesn't remember incurring such a debt but her lack of memory of the event does not nullify her debt PG Excerpt Did I say you could let go of the popcorn he whispered breath hot against the side of her face It wasn't safe for her to loosen her jaw even if he didn't have a hand over her mouth so she shook her head and put her shaking fingers back to the cardboard The contents shook along with her trembling fingers a sound that was thankfully masked by the ongoing explosions in the movie For a terrifying moment she wondered if this was all a prank Any moment now the other people in the theater was going to turn towards them and start snapping pictures of her with her legs spread her skirt folded over her lap and her everything exposed Should we keep going he asked no judgement in his voice and that fear faded to nothingness No Ezra was known to bang everything on legs but he wasn't the kind to kiss and tell In fact none of the women he had went out with had anything bad to say about him which was a feat because he had gone out with so many of them Some even twice If all his dates went this way she understood why She shook her head Maybe she should tell him that she had never had sex before so he would show mercy on her but he was toeing the line of exhibitionism and she thought sex would probably never be this exciting again so she kept her mouth shut and nodded Good girl he whispered making her shiver She should probably put some thought into why those two words had such an effect on her but that was for later when her brain wasn't melting out of her ears His palm slowly pulled away from her mouth It left her lips and cheeks feeling cold and slightly damp and she had to bite the inside of her cheek to keep from making a sound when he cupped her between her legs Stay still stay quiet he reiterated against the side of her head and then went back to stroking her The movie passed in blurs of colors and bursts of sound The popcorn in the bucket slowly disappeared as he stuffed his mouth with his free hand while she edged closer and closer to losing her mind as he edged her again and again At some point she had begun to shake every inch of her body trembling in the small theater seat along with the bucket in her lap making the popcorn inside shift in a constant soft sound She couldn't remember the last time she had been denied for so long been driven to the edge only to be gentled back again and again until it felt like she could be touched on any part of her skin and she could come apart

Falling For Eternity Daisy Rose, 2024-06-20 Naomi enjoys a quiet peaceful life She has just finished medical school and her hours at the hospital take up most of her waking hours Her only grievance is that she harbors feelings for her guardian a mage who took her in when no one else would and kept her off the streets She wishes that one day he would return her feelings Her hopes are dashed when he asks to meet her and informs her that she is to marry a man she has never spoken to in her entire life According to Nigel she owes the dragon a life debt and in return he has asked for her hand in marriage She doesn't remember incurring such a debt but her lack of memory of the event does not nullify her debt So she meets with the mysterious dragon shifter with the scar on his face and hands large and strong enough to circle her waist and pick her up as if she does not weigh a thing at all She finds herself falling fast and

hard for the man He makes it no secret that he desires her and shows her all the pleasures she has been missing out on when she was pining for a man who didn't care for her She is taken by surprise when at the end of her date she was kidnapped and thrown into a cold wet cave This is a test of your worthiness claims one woman as she bounds her hands and ankles and leaves her to die Lost in the darkness of the cave with nothing but her thoughts and the shadows around her she begins to remember the things that she had long forgotten including an event that happened eight years ago that had changed her life forever PG Excerpt I love you I think I've always loved you but she couldn't finish that sentence because her back suddenly hit the mattress behind her and her wrists were pushed up against the bed caught in large powerful hands the back of her head thudding against the pillow There was a tongue in her mouth forcing her lips apart and ravaging its way against her own with a startling wet sound dragging against the roof of her mouth teasingly as it went out its owner greedily starting to bite and pull her lower lip instead A high noise escaped her throat dangerously verging into whining territory making her sound embarrassingly wanton and she felt her flush spreading to her neck He pulled his face away abruptly panting as if he had run a thousand miles eyes raving over her features as though searching for something You he started but didn't finish eyes locking onto her lips that felt slightly bruised and were surely pinker than usual He seemed surprised shocked and as if he didn't really know what to do now It was a relief really to know that he wasn't a master at seduction and he was also capable of befuddlement In a hidden corner of her mind she realized that he had not expected his sentiments to be reciprocated He seemed like he hadn't expected to get this far But the other parts of her mind were unusually ordered not the usual chaos but instead completely united in their intent to get him to do that again Since her arms were still restrained by tense hands she had no choice but to lean forward as far as his grip allowed her gaze focused on the man's panting lips so soft and inviting glistening slightly with their joined saliva She wasn't quite able to reach him Nigel she panted Nigel please She sounded so vulnerable she should be mortified by her own neediness but her head was pleasantly dizzy numbing all thoughts beyond how she needed to feel him against her again Nigel do that again she clarified since he appeared to need further instruction

Lies and deceit are uncovered and she is left reeling in the aftermath. Does she love a man who desires her enough to cure her or a man who is so devoted to her that he would give his life for her? What happens when she falls for both? PG Excerpt The fire crackled loudly in the ensuing silence and when the painter did not resume his task immediately she asked Have I said something to displease you I didn't say that his voice rumbled lowly barely heard through the sound of the crackling fire No but you stopped working she pointed out You mentioned he paused and looked around James was nowhere to be found today It was not rare to find him away from her side especially when he had placed her somewhere he knew she would not be able to escape from With so many of her family dead the task of keeping the kingdom from falling fell upon his shoulders She tilted her head and considered all the ways he could finish the question and landed on a rather interesting answer Are you unaware that I was dying she asked He jolted a little and then tilted his head in a nod I've been in poor health my whole life she replied shuffling her body further into the pillows as she propped herself against the headboard They're surprised I've lived as long as I have So their solution is to waste what could be the last of your good days getting your portrait painted instead of getting you a physician who's worth his salt He sounded oddly upset about it It was refreshing to see mostly because she had made peace with her death so long ago that the possibility of fighting it had long since fled her mind The corner of her lips curled up into a sardonic smile At least they've offered me a good view He paused before turning back to the canvas There is nothing I can do to improve upon perfection he said at last She didn't understand what he was talking about at first and when it sunk in that he was responding to her first comment on making her look more beautiful she felt her whole face heat up Flirt she said her chest feeling lighter than it had in years
