Mat Auryn, author of *Psychic Witch*, *Pure Magic* is one of those rare works of modern-day witchcraft that has already become a classic. First published twenty years ago, the book has become an essential resource for beginners and experienced devotees of the magical arts. Written by one of today's most trusted and beloved teachers and writers on magic and witchcraft, *Pure Magic* offers an introduction to the essentials of magic, a complete glossary of psychic and magical terminology, a primer on the four elements, a survey of magical supplies including minerals and botanicals, and a compendium of spells for any situation. This new Weiser Classics edition includes a foreword by Mat Auryn, author of *Psychic Witch*, and a new preface by the author. This book was previously published as *The Big Book of Practical Spells*. **The Magical Garden** Sophia, Denny Sargent, 2000 *The Magical Garden* is a curious little book of magic charms, spells, and bits of traditional and historical lore from and for magical gardens and the curious gardeners who tend to them. What gardener would not want to know the flower they were born under, the traditional magical meanings of bells and chimes, or the healing power of geraniums? Many of these nuggets of wisdom and magic have been handed down from Sophia's grandparents, who extensively used herbs and such in their psychic work. Avid gardener and ancient historian Denny Sargent collected much of the information included here from a wide variety of traditional sources. Roman, Celt, Norse, and Japanese gardeners all believed in garden magic, and some of their most fascinating traditions, spells, and charms are contained in this wonderful little book. In addition to the garden, magical plants, birds, insects, the yard, and the

weather are also addressed Other interesting lore includes Garden sprites fairies and elves Ancient and magical ways for empowering the garden by planting certain plants in special places Traditions for celebrating festivals in the garden ways of using garden plants for protection and techniques for invoking positive energy with trees Helpful spells include Spells to bless a new bed or garden Charm to bring prosperity to a carefully planted garden Spell to create natural amulets and talismans from common garden plants Garden blessings to gain true love
