The Complete Yoga of Emotional-Sexual Life Avatar Adi Da Samraj, 2008-10-16 The core practices of the emotionally and sexually balanced teachings on love intimacy and sexual relationships from the Realized Master Avatar Adi Da Samraj Teaches how to overcome the emotional patterning that hinders healthy sexual relationships Presents a solitary yogic discipline to restore the bipolar integrity of the individual Shows how to entirely transcend emotional sexual patterns In all the domains of human life we now understand the need for an integration of body mind and spirit But despite this comprehension of the holistic nature of existence much of the teaching offered on sexuality even sacred sexuality concentrates on the physical practice to the detriment of emotional intimacy Avatar Adi Da Samraj explains that our emotional sexual life can only be made right through the process of restoring the bipolar balance of the body and by transcending the ego the illusory sense of separate existence He advocates that sexual practice initially become a solitary yogic discipline an embracing and reclaiming of one's own body to restore the bipolar integrity that is at the core of every human being Once this bipolar integrity is established he shows how a sexual practice of true intimacy free of clinging attachment is possible He also teaches that an unconscious early childhood reaction to the mother and father governs the emotional sexual life a reaction that must be understood and transcended The emotional sexual practices taught by Avatar Adi Da are centered in the understanding that love breaks the heart and show that learning how to have intimacy without ego based attachment is where profound practice begins
