Mrkvicka, Jr., Kelly H. Mrkvicka, 2015-01-09 As we near the Second Coming the battle between good and evil intensifies Sadly the forces of evil are winning mainly because too many Christians and the churches they attend are going along to get along They ll stand for God as long as they can do so in silence If their faith costs them anything they want no part of it The Bible warns us that we must know the enemy but most of us are clueless It s so much easier to bury our heads in the sand and act like everything is okay even though we know it s not Our Lord and Savior died in this world so we can experience life everlasting Put another way God allowed His Son to be treated like we deserve to be treated so we could be treated like His Son Why Because He loves us In John 15 13 it is stated Greater love has no one than this than to lay down one s life for his friends And in return for Christ s sacrifice most of us remain mute We ve quietly let Him be kicked out of our places of

business our schools our government at all levels our courts and in some cases our churches and homes And then when we need Him we in unmitigated hypocrisy call for a National Day of Prayer for example immediately after 9 11 The spiritual war we re facing is almost at an end What we do or don t do will determine the outcome Jesus said it best in Matthew 12 30 He who is not with Me is against Me That s about as simple and direct as it can get The spiritual war we all face is raging and acting as if we re a neutral nation in WWII is no longer an option The choice is ours We either stand with Christ or we become His enemy
