Magister Regis Studies In Honor Of Robert Earl Kaske:

Magister Regis Emerson Brown,1996 **Magister Regis** ,1986 *Magister Regis* Arthur Groos,Emerson Brown,1986
Scyld and Scef Alexander M. Bruce,2014-02-25 First published in 2002 Routledge is an imprint of Taylor Francis an informa company **Rhetoric, Hermeneutics, and Translation in the Middle Ages** Rita Copeland,1995-03-16 This book has a twofold purpose First it seeks to define the place of vernacular translation within the systems of rhetoric and hermeneutics in the Middle Ages Secondly it examines the way that rhetoric and hermeneutics in the Middle Ages define their status in relation to each other as critical practices introd **Following Chaucer** Lynn Staley,2020-04-21 Following Chaucer *Offices of the Active Life* explores three representative figures the royal woman the poet and the merchant in relation to the concept of office which Cicero linked to the health of the republic but Chaucer to that of the common good Not usually conjoined to the term office these three figures situated in the active life were not firmly mapped onto the body politic which was used to figure a relational and ordered social body ruled by the king the head These figures are points of entry into a set of questions rooted in Chaucer s understanding of his cultural and historical past and in his keen appraisal of the social dynamics of his own time that also reverberate in the centuries after Chaucer s death Following Chaucer does not trace influence but uses Chaucer s likely reading circumstances and literary and social affiliations as guides to understanding his poetry within the context of late medieval English culture and the reshaping of the concept of these particular offices that suited the needs of a future whose dynamics he anticipated His understanding of the importance of the Ciceronian concept of office within the active life his profound cultural awareness and his probing of the foundations of social change provide him with a keen sense of the persistent tensions and inconsistencies that are fundamental to his poetry **Blindness and Therapy in Late Medieval French and Italian Poetry** Julie Singer,2011 This book argues that late medieval love poets from Petrarch to Machaut and Charles d Orl ans exploit scientific models as a broad framework within which to redefine the limits of the lyric subject and his body Just as humoral theory depends upon principles of likes and contraries in order to heal poetry makes possible a parallel therapeutic system in which verbal oppositions and substitutions counter or rewrite received medical wisdom The specific case of blindness a disability that according to the theories of love that predominated in the late medieval West foreclosed the possibility of love serves as a laboratory in which to explore poets circumvention of the logical limits of contemporary medical theory Reclaiming the power of remedy from physicians these late medieval French and Italian poets prompt us to rethink not only the relationship between scientific and literary authority at the close of the middle ages but more broadly speaking the very notion of therapy From publisher s website *Medieval Misogyny and the Invention of Western Romantic Love* R. Howard Bloch,2009-02-15 Until now the advent of Western romantic love has been seen as a liberation from or antidote to ten centuries of misogyny In this major contribution to gender studies R Howard Bloch demonstrates how similar the ubiquitous antifeminism of medieval times and the romantic idealization of woman

actually are Through analyses of a broad range of patristic and medieval texts Bloch explores the Christian construction of gender in which the flesh is feminized the feminine is aestheticized and aesthetics are condemned in theological terms Tracing the underlying theme of virginity from the Church Fathers to the courtly poets Bloch establishes the continuity between early Christian antifeminism and the idealization of woman that emerged in the twelfth and thirteenth centuries In conclusion he explains the likely social economic and legal causes for the seeming inversion of the terms of misogyny into those of an idealizing tradition of love that exists alongside its earlier avatar until the current era This startling study will be of great value to students of medieval literature as well as to historians of culture and gender

Beards and Texts

Sebastian Coxon,2021-09-08 Beards and Texts explores the literary portrayal of beards in medieval German texts from the mid twelfth to the early sixteenth centuries It argues that as the pre eminent symbol for masculinity the beard played a distinctive role throughout the Middle Ages in literary discussions of such major themes as majesty and humanity At the same time beards served as an important point of reference in didactic poetry concerned with wisdom teaching and learning and in comedic texts that were designed to make their audiences laugh not least by submitting various figure types to the indignity of having their beards manhandled Four main chapters each offer a reading of a work or poetic tradition of particular significance Pfaffe Konrad s Rolandslied Wolfram von Eschenbach s Willehalm Sangspruchdichtung Heinrich Wittenwiler s Ring before examining cognate material of various kinds including sources or later versions of the same story manuscript variants and miniatures and further relevant beard motifs from the same period The book concludes by reviewing the portrayal of Jesus in vernacular German literature which represents a special test case in the literary history of beards As the first study of its kind in medieval German studies this investigation submits beard motifs to sustained and detailed analysis in order to shed light both on medieval poetic techniques and the normative construction of masculinity in a wide range of literary genres

Vulnus amoris Gaia Gubbini,2023-12-31 The concept of love s wound has haunted European culture for centuries This book investigates this fundamental concept in Medieval French Occitan and Italian literature with the purpose of tracing its transformation through a selection of medieval literary masterpieces sacred and profane The imagery of love s wound is analysed with multiple approaches considering also representations of the theme in manuscript illuminations

Aspects of Love in John Gower's Confessio Amantis Ellen S. Bakalian,2004-03-15 Throughout the tales in the Confessio Amantis John Gower proposes that reciprocal love is the remedy to what ails man and society This book explores how Gower uses the aspects of love in the Confessio the notions of kinde or passionate love and reason in the sphere of love honeste love in the Marriage Tales of the Four Wives passionate and excessive love in the Forsaken Women s tales and Amans s lovesickness In her thorough examination of Gower s work Ellen S Bakalian shows how Gower emphasizes and illustrates a belief that reason must rule man in all things including his natural instincts to love

Celestina's Brood Roberto González Echevarría,1993 Published in 1499 and centered on the figure of a bawd and witch Fernando de Rojas dark and

disturbing *Celestina* was destined to become the most suppressed classic in Spanish literary history. Routinely ignored in Spanish letters, the book nonetheless echoes through contemporary Spanish and Latin American literature. This is the phenomenon that *Celestina's Brood* explores. Roberto Gonz lez Echevarr a, one of the most eminent and influential critics of Hispanic literature writing today, uses Rojas' text as his starting point to offer an exploration of modernity in the Hispanic literary tradition and of the Baroque as an expression of the modern. His analysis of *Celestina* reveals the relentless probing of the limits of language and morality that mark the work as the beginning of literary modernity in Spanish and the start of a tradition distinguished by a penchant for the excesses of the Baroque. Gonz lez Echevarr a pursues this tradition and its meaning through the works of major figures such as Cervantes, Lope de Vega, Calder n de la Barca, Alejo Carpentier, Carlos Fuentes, Gabriel Garc a M rquez, Nicol s Guill n, and Severo Sarduy, as well as through the works of lesser-known authors. By revealing continuities of the Baroque, *Celestina's Brood* cuts across conventional distinctions between Spanish and Latin American literary traditions to show their profound and previously unimagined affinity.

A Beowulf Handbook Robert E. Bjork, John D. Niles, 1997-01-01 The most revered work composed in Old English, *Beowulf* is one of the landmarks of European literature. This handbook supplies a wealth of insights into all major aspects of this wondrous poem and its scholarly tradition. Each chapter provides a history of the scholarly interest in a particular topic, a synthesis of present knowledge and opinion, and an analysis of scholarly work that remains to be done. Written to accommodate the needs of a broad audience, *A Beowulf Handbook* will be of value to nonspecialists who wish simply to read and enjoy *Beowulf* and to scholars at work on their own research. In its clear and comprehensive treatment of the poem and its scholarship, this book will prove an indispensable guide to readers and specialists for many years to come.

The Complete Romances of Chr tien de Troyes David Staines, 1991-01-22 Eminently readable, a translator who understands the spirit as well as the letter of the original and renders it with style. *Speculum* This new translation brings to life for a new generation of readers the stories of King Arthur, Lancelot, Guinevere, Gawain, Perceval, Yvain, and the other knights and ladies of Chr tien de Troyes' famous chivalric romances. A pleasure to read. *Library Journal* These are, above all, stories of courtly love and of knights tested in their devotion to chivalric ideals, but they are also thrilling wonder stories of giants, wild men, tame lions, razor-sharp bridges, and visits to the Other World. *Washington Post Book World* This tastefully produced book will be the standard general translation for many years to come. *Choice* Chr tien is where the literary tradition of the Arthurian romance can be seen to begin. His poems are the earliest we have that portray knights errant questing through dangerous forests to challenge unknown opponents and to learn the meaning of love. *Times Literary Supplement*

The Song of Troilus Thomas C. Stillinger, 2015-09-30 The *Song of Troilus* traces the origins of modern authorship in the formal experimentation of medieval writers. Thomas C. Stillinger analyzes a sequence of narrative books that are in some way constructed around lyric poems: Dante's *Vita Nuova*, Boccaccio's *Filostrato*, and Chaucer's *Troilus and Criseyde*. The shared aim of these texts, he argues, is to imagine and achieve an

unprecedented auctoritas a lyric authority that combines the expressive subjectivity of courtly love poetry with the impersonal authority of Biblical commentary Each of the three establishes its own formal and intertextual dynamics in complex and unexpected ways the hierarchies of Latin learning are charged with erotic force allowing the creation of a new vernacular Book of Love The Song of Troilus is a linked series of incisive close readings Each chapter defines and investigates a range of philological intertextual and theoretical problems in addition to explicating his three principal texts Stillinger offers important insights into a range of medieval traditions from Psalm commentary to Trojan historiography to Ricardian political satire At the same time The Song of Troilus is a sophisticated narrative of cultural change and a searching meditation on history desire and writing The Song of Troilus is an original and highly readable study of three major medieval texts it will be of compelling interest to students and scholars of medieval literature and to all those exploring the history of authorship and the implications of literary form

Diz vliegende bîspel Marian E. Polhill, Alexander Sager, 2020-07-13 The volume explores the theme of ambiguity in medieval and early modern literature in essays honoring the life and work of Arthur Groos Avalon Foundation Professor in the Humanities at Cornell University USA emeritus The famous expression *diz vliegende bîspel* from Wolfram von Eschenbach's Parzival is its watchword In the poem the black and white plumage of the magpie represents the characteristic complexity ambiguity and ambivalence of the romance Removed from its historical context the expression is also a figure of Arthur Groos's wide ranging intellectual flight In addition to his work on medieval German verse narrative he has made important contributions to courtly love poetry medieval and early modern scientific literature early modern German literature in general and especially to opera

Klaeber's Beowulf, Fourth Edition R.D. Fulk, Robert E. Bjork, John D Niles, 2008-04-05 Frederick Klaeber's Beowulf has long been the standard edition for study by students and advanced scholars alike Its wide ranging coverage of scholarship its comprehensive philological aids and its exceptionally thorough notes and glossary have ensured its continued use in spite of the fact that the book has remained largely unaltered since 1936 The fourth edition has been prepared with the aim of updating the scholarship while preserving the aspects of Klaeber's work that have made it useful to students of literature linguists historians folklorists manuscript specialists archaeologists and theorists of culture A revised Introduction and Commentary incorporates the vast store of scholarship on Beowulf that has appeared since 1950 It brings readers up to date on areas of scholarship that have been controversial since the last edition including the construction of the unique manuscript and views on the poem's date and unity of composition The lightly revised text incorporates the best textual criticism of the intervening years and the expanded Commentary furnishes detailed bibliographic guidance to discussion of textual cruces as well as to modern and contemporary critical concerns Aids to pronunciation have been added to the text and advances in the study of the poem's language are addressed throughout Readers will find that the book remains recognizably Klaeber's work but with altered and added features designed to render it as useful today as it has ever been

Architectonics of Imitation in Spenser, Daniel, and

Drayton David Ian Galbraith, 2000-01-01 Exploring the boundaries between poetry and history on three of England's epic literary works Galbraith argues that they enter into a dialogue with classical and contemporary predecessors with implications for understanding the English Renaissance *The Literature of Misogyny in Medieval Spain* Michael Solomon, 1997-11-13 An examination of two fifteenth century misogynist Iberian works Lucretius and Shakespeare on the Nature of Things Richard Allen Shoaf, 2014-10-16 Lucretius and Shakespeare on the Nature of Things maps large new vistas for understanding the relationship between De rerum natura and Shakespeare's works In chapters on six important plays across the canon King Lear Macbeth Hamlet The Merchant of Venice The Tempest and A Midsummer Night's Dream it demonstrates that Shakespeare articulates his erotics of being his great creating nature The Winter's Tale by drawing on imagery he learned from Ovid and other classical poets but especially from Lucretius in his powerful epic that celebrates Venus and her endless creativity Responding to Lucretius's widely admired Latinity in his exposition of the life of man in nature Shakespeare emerges as an early modern materialist who writes poetry that is effectively atomic marked as we might say today by fission hendiadys for example and fusion synoeciosis for example joining and splitting splitting and joining language and character as no other poet has ever done To give away yourself keeps yourself still My grave is like to be my wedding bed I begin To doubt the equivocation of the fiend That lies like truth Readers of Shoaf's book will encounter anew through both fresh evidence and close reading Shakespeare's universally acknowledged commitment to the art of nature and the nature of art With Lucretius's poetry as inspiration Shakespeare becomes the poet of the material both in art and in nature immensely creative with his d dala lingua like d dala natura his wonder crafting tongue like wonder working nature

Delve into the emotional tapestry woven by Emotional Journey with in **Magister Regis Studies In Honor Of Robert Earl Kaske** . What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Magister Regis Studies In Honor Of Robert Earl Kaske is one of the best book in our library for free trial. We provide copy of Magister Regis Studies In Honor Of Robert Earl Kaske in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Magister Regis Studies In Honor Of Robert Earl Kaske. Where to download Magister Regis Studies In Honor Of Robert Earl Kaske online for free? Are you looking for Magister Regis Studies In Honor Of Robert Earl Kaske PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Magister Regis Studies In Honor Of Robert Earl Kaske. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Magister Regis Studies In Honor Of Robert Earl Kaske are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Magister Regis Studies In Honor Of Robert Earl Kaske. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Magister Regis Studies In Honor Of Robert Earl Kaske To get started finding Magister Regis Studies In Honor Of Robert Earl Kaske, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds

of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Magister Regis Studies In Honor Of Robert Earl Kaske So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Magister Regis Studies In Honor Of Robert Earl Kaske. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Magister Regis Studies In Honor Of Robert Earl Kaske, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Magister Regis Studies In Honor Of Robert Earl Kaske is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Magister Regis Studies In Honor Of Robert Earl Kaske is universally compatible with any devices to read.
