Magistrates Decision Making In Child Protection Cases:

Magistrates' Decision-Making in Child Protection Cases Rosemary Sheehan, 2018-02-06 This title was first published in 2001 Making decisions about the care and protection of children who appear before the courts is complex Attention must be paid to the best interests of the child the child's need for their family community views on parenting and concern about welfare intrusion into family life Magistrates have a unique authority to make or reject child protection orders yet the criteria they use to decide a protection order how they understand the information presented to them in court and the factors that influence their discretion and decision making have until now been little known Presenting the findings of a study undertaken at Melbourne Children's Court this book offers a much needed investigation of how magistrates actually make child protection decisions Case examples highlight this decision making and the book thus offers practical assistance to professionals working with children in the legal process Decision-Making and Judgment in Child Welfare and Protection

John D. Fluke, Mónica López López, Rami Benbenishty, Erik J. Knorth, Donald J. Baumann, 2020-07-17 Professionals in child welfare and protection are often required to make decisions fraught with many difficulties and shortcomings that have crucial implications for children and families There are many indications that these decisions are frequently unreliable and involve unavoidable errors in judgement due to the uncertainties Despite the central role of judgements in the field child welfare and protection training and research programs pay limited attention to leveraging the human factors aspect of practice Although extensive research exists in relevant areas such as medicine psychology business administration and economics little has been done to help develop transfer and translate scientific knowledge to the child welfare arena Decision Making and Judgment in Child Welfare and Protection pulls together the best internationally sourced expertise and makes it accessibly available and applicable to scholars educators practitioners students and policymakers the key stakeholders in child protective services and child welfare **Australia's Children's Courts Today and Tomorrow** Rosemary

Sheehan, Allan Borowski, 2013-04-05 The Children's Court is one of society's most important social institutions At the same time it is steeped in controversy This is in large measure due to the persistence and complexity of the problems with which it deals namely juvenile crime and child abuse and neglect Despite the importance of the Children's Court as a means of holding young people accountable for their anti social behaviour and parents for the care of their children it has not been the subject of close study Certainly it has not been previously studied nationally This book an edited collection is based on the findings of study that spanned the six States and two Territories of Australia The study sought to examine the current challenges faced by the Children's Court and to identify desirable and feasible directions for reform in each State and Territory A further unique feature of this study is that it canvassed the views of judges and magistrates who preside over this court **EU Criminal Justice, Financial & Economic Crime** Marc Cools, 2011 This fifth volume of the Governance of

Security GofS Research Paper series addresses a wide variety of topical issues focusing on European criminal justice and

financial and economic crime The first cluster of articles is concerned with European criminal justice matters particularly relating to EU mutual recognition such as conceptualization unwanted effects in the context of prisoner transfer and sentence execution impact for cross border gathering and use of forensic expert evidence and interrogational fairness standards A second cluster of articles addresses the subjects of financial and economic crime ranging from informal economy among street children to formal informal economy vulnerability of the hotel and catering industry to crime and white collar crime phenomena like transnational environmental crime and corruption A final cluster groups together a variety of selected topical issues including juvenile offending and mental disorders desistance theories and sexually transmitted infections

The Emotionally Abused and Neglected Child Dorota

Iwaniec,2006-05-01 Emotional abuse and neglect are at the core of all types of child maltreatment and have the most harmful effects on the physical and psychological development and well being of children Yet they are considered to be the most difficult to deal with by those who have the responsibility to protect and intervene in effective ways In this book the author explores the concept of a damaged child and asks what are the different types of injury ranging from active to passive physical to emotional that stop children from reaching their full potential psychologically and physically The author questions whether emotional damage to a child can be repaired and answers questions such as Is some injury irreversible What therapeutic techniques are available to deal with emotional abuse Can the abusers as well as the abused be helped to change Case studies are provided to illustrate the features of emotional abuse and chapters are devoted to the assessment and prediction of emotional abuse effects of emotional abuse as the child grows up intervention and treatment and working with the family as a whole

Child Protection and the Care Continuum Elizabeth Fernandez,Paul Delfabbro,2020-11-25 This important new book critically examines the complex policy and practice issues surrounding child protection including the impact of theoretical orientations contemporary debates policy initiatives and research findings and maintains an emphasis on the ethics and values underpinning child welfare interventions The book introduces policies that are central to understanding the position and needs of children and young people and how policy and practice have been influenced by developments including the children s rights agenda It also explores the most significant issues in child welfare These include the experience of maltreatment by children the systems of child protection to safeguard them the methods and challenges of risk assessment and the wide range of policy and therapeutic interventions to respond to children s needs The book also examines family support to promote children s wellbeing before considering provision for children and young people who are looked after in out of home care There is also a final section that focuses on best practice in communicating and working with children and young people drawing on participatory rights oriented and resilience based approaches and supporting foster and adoptive carers and biological parents Contributing in a substantive and clear manner to a growing

international conversation about the present function and future directions for child welfare in contemporary societies this textbook will be of interest to undergraduate and postgraduate social work students and those from allied disciplines and professionals who are engaged in child welfare services **Youth Justice and Child Protection** Malcolm Hill, Andrew Lockyer, Frederick H. Stone, 2007 This book is an examination of recent developments in the areas of youth justice and child protection It investigates how well young people and the societies in which they live are served by judicial and service systems Consideration is given to those in care in young offenders institutions foster families and residential homes as well as those living with their families A broad range of international experts discuss the largely segregated youth justice and children s legal and service systems in England and Wales other parts of Western Europe and the US and compare these with Scotland s integrated system The implications of these arrangements are considered for the rights of children and parents on the one hand and society on the other The contributors also provide insights into the rationale for current and proposed policies as well as the efficacy of different systems This book will be an important reference for policy makers social workers lawyers magistrates and equivalent decision makers health professionals carers and all those working in youth justice and child protection It is highly relevant for academics and students interested in children citizenship youth crime child welfare and state family relations **Implementing Article 3 of the United Nations Convention on the Rights of the Child**

Elaine E. Sutherland, Lesley-Anne Barnes Macfarlane, 2016-12-22 The UN Convention on the Rights of the Child is acknowledged as a landmark in the development of children s rights Article 3 makes the child s best interests a primary consideration in all actions concerning children and requires States Parties to ensure their care and protection This volume written by experts in children s rights from a range of jurisdictions explores the implementation of Article 3 around the world It opens with a contextual analysis of Article 3 before offering a critique of its implementation in various settings including parenting religion domestic violence and baby switching Amongst the themes that emerge are the challenges posed by the content of best interests welfare and well being the priority to be accorded them and the legal socioeconomic and other obstacles to legislating for children s rights This book is essential for all readers who interact with one of the Convention s most fundamental principles **Child Welfare** Cathleen A. Lewandowski, 2018-07-20 Organized around the theme of child

well being this book provides an overview of child welfare s past and present with consideration of its future Using case examples and discussion questions this text engages readers in a critical examination of the challenges and strategies used to date to suggest possible directions for promoting the well being of all children Meanwhile the whole child integrative approach to child welfare uniquely examines strategies to address children s physical emotional social and psychological needs Child welfare policy and practices are integrated throughout thereby illustrating the context in which child welfare practice occurs and how practice and policy are connected Current issues guiding practice with children who are especially at risk are also explored including children with disabilities immigrant children and youth who may have been trafficked

Child Welfare is a rich resource for social work students child welfare practitioners and administrators alike **Protecting Powers** Judith Masson, 2007-03-13 The book is based on two research projects on emergency intervention which were carried out by the author and her colleagues The studies provide the basis for the three themes in the book Inter agency Working Perceptions of Safety and Placement and Resource Issues The combination of quantitative and qualitative research allows a detailed picture of practice that goes beyond an account of what happens to explore the perceptions understandings and experiences of the practitioners who make these decisions as social workers police officers magistrates legal advisers or magistrates and of the lawyers who advise social workers and parents The book provides a critical account of current practice in emergency child protection it identifies good practice and make proposals for reform **Guidelines for Public Policy and State Legislation Governing Permanence for Children** Donald N. Duquette, 1999 The Cambridge Handbook of Psychology and Legal Decision-Making Monica K. Miller, Logan A. Yelderman, Matthew T. Huss, Jason A. Cantone, 2024-02-28 Presenting state of the art research this Handbook summarises emerging and establishing topics in the area of legal decision making Interdisciplinary in its approach it covers decisions made within the criminal justice system the trial process and clinical settings Chapters written by accomplished academics and experts in the field synthesize historical context identify gaps in existing literature propose future directions of study and discuss policy limitations It also includes perspectives from the field essays written by professionals a judge an attorney a police officer a trial consultant and a probation officer to bridge the gap between academic research and its application to the real world It is intended as a go to resource for students and researchers who want to immerse themselves in a body of scientific research to understand its history and shape its future **Promotion of Adoption, Safety, and Support for Abused and Neglected Children** United States. Congress. Senate. Committee on Finance, 1999 **Children, Autonomy and the Courts** Aoife Daly, 2017-12-18 In this book Aoife Daly argues that where courts decide children s best interests for example about parental contact the UN Convention on the Rights of the Child s right to be heard is insufficient and autonomy should instead be the focus Global law and practice indicate that children are regularly denied due process rights in their own best interest proceedings and find their wishes easily overridden It is argued that a children s autonomy principle respecting children s wishes unless significant harm would likely result would ensure greater support for children in proceedings and greater obligations on adults to engage in transparent decision making This book is a call for a reconceptualisation of the status of children in a key area of children s rights
