The Mythical West Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America's most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody's Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs

The Hunt for Happiness Steve Shirley,2019-03-25 The Hunt for Happiness explores what it means to be happy drawing the reader into a way of thinking that respects every individual and cherishes every life Using personal stories fictional conversations and diverse characters humanity s fascination with rulemaking and shunning others is exposed as a common foe of our relationships with each other our ability to help each other be happy and content and perhaps our relationships with the divine Throughout conversations seeking truth build bridges from ancient texts including Jewish Christian and Islamic scripture to modernity with an eye

towards the promise of the Kingdom of God and the notion that all humans are beloved of the Almighty just as we are Breaking down the walls that divide us through thinking things out is the main theme of The Hunt for Happiness A bright future awaits humanity unless we reject the opportunity to learn about and from each other and permit further encroachment of dystopian realities in our world Such dystopian realities have always been with us the question is whether or not we will break the cycle **The Execution** Sharon Cramer,2012-02-14 THE EXECUTION What if you had only one night to live and you met someone worth dying for Tomorrow he would be dead Fourteenth Century France D ata a young priest is a dark angel amid the death and despair of the medieval prison As he enters the cell of the condemned man the mercenary the evil one D ata is immediately transfixed by the killer s eyes He is shocked to discover that the face of the murderer is his own a mirror image of himself The twins unknown to each other until now reveal the life events that brought them to this fetid dungeon creating an unbreakable bond sealed with their darkest secrets But with only hours until the execution D ata begins to question which man should truly be condemned Should it be Ravan the ruthless killer a boy from an orphanage who suffered the unimaginable Or should it be himself the man of God whose own tormented desires ended in the inescapable darkness of his own soul As the sun rises D ata knows what he must do Only one man would die but two men would be free
