A Charm of Magpies Daniel Allen, Marc Allum, Simon Flynn, 2014-11-06 The Science Magpie is Simon Flynn's bestselling collection of enthralling facts stories poems and more from science's history from the Large Hadron Collider rap to the sins of Isaac Newton With Antiques Roadshow regular Marc Allum as your guide go in search of stolen masterpieces explore the first museums learn the secrets of the forgers and brush up on your auction technique with The Antiques Magpie And with acclaimed nature writer Daniel Allen join naturalists novelists and poets as they explore the most isolated parts of the planet and discover which plants can be used to predict the weather in The Nature Magpie **Sightlines** Rage Theatre Productions, 2012-08-07 Every three years over the last decade the Mumbai based theatre group RAGE in collaboration with the Royal Court Theatre in London organizes the Writers Bloc Workshop Offering a much needed artistic retreat to playwrights this workshop allows aspiring and professional playwrights a chance to perfect their scripts with established actors and professionals from within the industry Apart from encouraging them to break free from the rigid boundaries of English theatre in India to fashion their own idiom the workshop also ensures its playwrights access to the final pilgrimage of any script the stage As it stands today the infamous debate on whether an Indian play written in English mirrors a bona fide Indian reality is no longer relevant Using a vocabulary that is entirely their own unaffected homegrown and lyrical the three plays in this collection convincingly capture the peculiar accents and the particular chaos of our times Rahul Da Cunha's Pune Highway is set in a seedy hotel room where three friends having just witnessed the gruesome murder of a fourth are holed up desperate to escape its consequences Ram Ganesh Kamatham's Crab takes a hard talking look at the existential angst of a new generation looking at once for purpose and an emotional safe place from an increasingly concrete world Farhad Sorabjee's Hard Places explores the unspoken borders that divide us from our loved ones and the violently disputed borders between countries Bridging the invisible lines between the personal and the political and taking us to places and situations a little less familiar and safer than our own these brilliantly written plays can be performed and empathized with across territories The Magpie's Nest Isabel Paterson, 1917 A Magpie's Tale Anna Odland Portisch, 2023-01-13 Telling the story of the author's time living with a Kazakh family in a small village in western Mongolia this book contextualizes the family's personal stories within the broader history of the region It looks at the position of the Kazakh over time in relation to Tsarist Russian Soviet Chinese and Mongolian rule and influence These are stories of migration across generations bride kidnappings and marriage domestic violence and alcoholism adoption and family and how people have coped in the face of political and economic crisis poverty and loss and perhaps most enduringly how love and family persist through all of this

Stein On Writing Sol Stein, 2014-02-11 Your future as a writer is in your hands Whether you are a newcomer or an accomplished professional a novelist story writer or a writer of nonfiction you will find this book a wealth of immediately useful guidance not available anywhere else As Sol Stein renowned editor author and instructor explains This is not a book of

theory It is a book of useable solutions how to fix writing that is flawed how to improve writing that is good how to create interesting writing in the first place You will find one of the great unspoken secrets of craftsmanship in Chapter 5 called Markers The Key to Swift Characterization In Chapter 7 Stein reveals for the first time in print the wonderful system for creating instant conflict developed in the Playwrights Group of the Actors Studio of which he was a founder In Secrets of Good Dialogue the premier teacher of dialogue gives you the instantly useable techniques that not only make verbal exchanges exciting but that move the story forward immediately You won't need to struggle with flashbacks or background material after you've read Chapter 14 which shows you how to bring background into the foreground Writers of both fiction and nonfiction will relish the amphetamines for speeding up pace and the many ways to liposuction flab as well as how to tap originality and recognize what successful titles have in common You'll discover literary values that enhance writing providing depth and resonance You'll bless the day you read Chapters 32 and 33 and discover why revising by starting at page one can be a serious mistake and how to revise without growing cold on your manuscript In the pages of this book nonfiction writers will find a passport to the new revolution in journalism and a guide to using the techniques of fiction to enhance nonfiction Fresh useful informative and fun to read and reread Stein on Writing is a book you will mark up dog ear and cherish

Haladay,2004 **Foundation PHP 5 for Flash** David Powers,2006-11-03 Our original Foundation PHP for Flash title was rightly regarded as a must have when it came to wanting to learn just how to make your Flash sites make use of backend technologies that was published way back in the days of Flash 5 and PHP 4 and things move pretty fast in the world of web design This latest completely rewritten edition again brings together three of the web s hottest technologies Flash the server side language PHP and the MySQL database system We ve brought things back up to date using ActionScript 2 0 PHP 5 0 and MySQL 4 1 the book has been designed to be version neutral In other words you can be confident that you re working with the latest standards but that your applications won t break if deployed on an older server The book also provides a brief introduction to an alternative database system SQLite which is now automatically bundled with PHP 5 and requires no installation At each stage of the book you ll be given an overview of a new area of PHP MySQL introducing you to the syntax while showing how it compares to ActionScript and how it integrates with Flash to produce increasingly complicated applications For example earlier chapters cover things such as getting data from PHP to Flash and back again variables

arrays string manipulation validating user input and feedback forms Later on it moves on to more advanced subjects such as creating databases via the MySQL console and via phpMyAdmin manipulating database data via a Flash interface displaying data from an RSS feed in Flash persisting data with sessions and creating a full blown content management system In addition to get you up and running the book features a detailed guide to setting up your environment PHP MySQL and the Apache web server along with extensive troubleshooting information PHP is the language of choice on nearly 18 million domains and MySQL has more than five million active users including industry leaders like Google the Associated Press Sony and NASA They re open source and free and with the help of this book you ll see that they re easy and fun to learn
