## **Mahon Selected Poems:**

**Selected Poems** Derek Mahon, 2000 This newly expanded collection of Derek Mahon's poems includes substantial portions of two earlier volumes *The Hudson Letter* and *The Yellow Book* and concludes with even more recent work Mahon blends a respect for structure with a modernist style in evocative verses that are abstract yet substantial and combines solid images from nature with elusive complex human thoughts

**New Selected Poems** Derek Mahon, 2016 *New Selected Poems* is a book of singular abundance and formal verve featuring poems of rare vision and dramatic power by a consummate and resilient artist Demonstrating the wide range of Derek Mahon's verse from the early lyricism to a more expansive middle period *New York Time* *Decadence* and the flowering of his late style it includes recent uncollected work and culminates in the generous far reaching reverie *Dreams of a Summer Night*

**New Collected Poems** Derek Mahon, 2011 *New Collected Poems* is an updated version of *Collected Poems* 1999 It brings together in a new form the poems the author wishes to preserve from the work of half a century Duly praised at home and abroad they range in time and space from the early Ulster poems and *A Disused Shed in Co Wexford* to two ambitious sequences *New York Time* and *Decadence* Also included are the great recent flourish of *Harbour Lights* *Life on Earth* and *An Autumn Wind* and a group of previously uncollected poems among them *Monochrome* *The One Thirty* and *Dreams of a Summer Night*

**Selected Poems** Philippe Jaccottet, 1988

*Collected Poems* Derek Mahon, 1999

**The Poetry of Derek Mahon** Elmer Kennedy-Andrews, 2002 As the first major book length study of the poetry of Derek Mahon this volume of fourteen essays represents a long overdue account and assessment of one of the foremost living English language poets In considering the central issues of Mahon's poetry the relation between poetry and politics the conflicting claims of art and nature the representation of gender the importance of place the poet's response to violence and his characteristic techniques of displacement ambiguity and intertextuality these essays also represent a variety of critical approaches to the poetry

*Derek Mahon: A Retrospective* Nicholas Grene, Tom Walker, 2024-09-17 Derek Mahon 1941 2020 is widely recognized as one of the most important Irish poets of his generation This collection of new critical essays offers an important retrospective assessment of the nature of his poetic achievement Bringing together many leading scholars of modern and contemporary Irish poetry including a notable number of accomplished poet critics its contributors range widely across Mahon's body of work Their essays offer fresh considerations of the biographical geographical and literary contexts that shaped his poetic voice This includes paying attention not only to more familiar influences but also to previously little considered interlocutors The stylistic and formal achievement of his voice is re-evaluated in ways that range from attentive close readings to considerations of his controversial practice of self-revision and his engagements with music and experiments in translation The politics of a poet often misleadingly considered apolitical are also reframed to take in the engagements of his early work through to the ecocritical commitment of his later poetry Indeed a notable aspect of this book is the consideration it gives to all the phases of Mahon's career As a whole the

collection opens up many new ways of reading and understanding Mahon's important body of work *The Poetry of Derek Mahon* Hugh Haughton, 2010-10-21 Derek Mahon is one of the leading poets of his time both in Ireland and beyond famously offering a perspective that is displaced from as much as grounded in his native country From prodigious beginnings to prolific maturity he has been through thick and thin through troubled times and other a writer profoundly committed to the art of poetry and the craft of making verse He has also been no less a committed reviser of his work believing the poem to be more than a record in verse but a work of art never finished This virtuoso study by Hugh Haughton provides the most comprehensive account imaginable of Mahon's oeuvre Haughton's brilliant writing always serves and illuminates the poetry yielding extraordinary insights on almost every page The poetry its revisions and reception are the subject here but so thorough is the approach that what is offered also amounts indirectly to an intellectual biography of the poet and with it an account of Northern Irish poetry vital to our understanding of the times **New Selected Poems** Derek Mahon, 2016-06-28 New Selected Poems is a book of singular abundance and formal verve featuring poems of rare vision and dramatic power by a consummate and resilient artist Demonstrating the wide range of Derek Mahon's verse from the early lyricism to a more expansive middle period New York Time Decadence and the flowering of his late style it includes recent uncollected work and culminates in the generous far reaching reverie *Dreams of a Summer Night* The Yellow Book Derek Mahon, 1998 In *The Yellow Book* the home seeking traveler a decadent who lived to tell the story finds lodgings in our fierce fin de siècle under the roof of his Dublin attic flat Amid echoes from dead writers clouds of unknowing from his last Camel and ghosts from his own life the poet muses wisely and wittily on our wound down decade and expiring double millennium These twenty one absorbing sometimes mordantly funny and always delightful meditations offer us both the distinctive details of our shared lives and a theoptic view from windows flung wide on briny balconies above an ocean of roofs and lighthouse beams like a storm lantern the wintry planet swings *Night Thought* *Autumn Skies* Derek Mahon, Peter Fallon, 2021 Thirty writers selected a poem by Derek Mahon and provide an essay on their choice Page 4 of cover **The Cambridge Companion to Contemporary Irish Poetry** Matthew Campbell, 2003-08-28 In the last fifty years Irish poets have produced some of the most exciting poetry in contemporary literature writing about love and sexuality violence and history country and city This book provides a unique introduction to major figures such as Seamus Heaney but also introduces the reader to significant precursors like Louis MacNeice or Patrick Kavanagh and vital contemporaries and successors among others Thomas Kinsella Paul Muldoon and Nuala Ni Dhomhnaill Readers will find discussions of Irish poetry from the traditional to the modernist written in Irish as well as English from both North and South This Companion the only book of its kind on the market provides cultural and historical background to contemporary Irish poetry in the contexts of modern Ireland but also in the broad currents of modern world literature It includes a chronology and guide to further reading and will prove invaluable to students and teachers alike Samuel Beckett's Poetry James Brophy, William Davies, 2022-12-22 The first book length study

of Samuel Beckett's complete poetry combining new work from major literature critics and new critical perspectives      **The Poems (1961-2020)** Derek Mahon, 2021      **The Oxford Handbook of Modern Irish Poetry** Fran Brearton, Alan Gillis, 2012-10-25 Forty chapters written by leading scholars across the world describe the latest thinking on modern Irish poetry. The Handbook begins with a consideration of Yeats's early work and the legacy of the 19th century. The broadly chronological areas which follow, covering the period from the 1910s through to the 21st century, allow scope for coverage of key poetic voices in Ireland in their historical and political context. From the experimentalism of Beckett, MacGreevy and others of the modernist generation to the refashioning of Yeats's Ireland on the part of poets such as MacNeice, Kavanagh and Clarke, mid-century through to the controversially titled post-1969 Northern Renaissance of poetry, this volume will provide extensive coverage of the key movements of the modern period. The Handbook covers the work of, among others, Paul Durcan, Thomas Kinsella, Brendan Kennelly, Seamus Heaney, Paul Muldoon, Michael Longley, Medbh McGuckian and Ciaran Carson. The thematic sections interspersed throughout chapters on women's poetry, religion, translation, painting, music, stylistics, allow for comparative studies of poets north and south across the century. Central to the guiding spirit of this project is the Handbook's consideration of poetic forms and a number of essays explore the generic diversity of poetry in Ireland, its various manipulations, reinventions and sometimes repudiations of traditional forms. The last essays in the book examine the work of a new generation of poets from Ireland, concentrating on work published in the last two decades by Justin Quinn, Leontia Flynn, Sinead Morrissey, David Wheatley, Vona Groarke and others      **Northern Irish Poetry** E. Kennedy-Andrews, 2014-08-18 Through discussion of the ways in which major Northern Irish poets such as John Hewitt, Seamus Heaney, Michael Longley, Louis MacNeice and Derek Mahon have been influenced by America, this study shows how Northern Irish poetry overflows national borders, complicating and enriching itself through cross-cultural interaction and hybridity      **Beginning at the End** Robert Stilling, 2018-06-11 Robert Stilling shows how aestheticism's decadence became a key idea in postcolonial thought, describing the failures of revolutionary nationalism and asserting cosmopolitanism in poetry and art. Breaking down the boundaries around decadent literature, he takes it outside Europe and emphasizes the global reach of its imaginative transgressions      **Shakespeare and Contemporary Irish Literature** Nicholas Taylor-Collins, Stanley van der Ziel, 2018-09-18 This book shows that Shakespeare continues to influence contemporary Irish literature through postcolonial dramaturgical, epistemological and narratological means. International critics examine a range of contemporary writers including Eavan Boland, Marina Carr, Brian Friel, Seamus Heaney, John McGahern, Frank McGuinness, Derek Mahon and Paul Muldoon and explore Shakespeare's tragedies, histories and comedies as well as his sonnets. Together, the chapters demonstrate that Shakespeare continues to exert a pressure on Irish writing into the twenty-first century, sometimes because of and sometimes in spite of the fact that his writing is inextricably tied to the Elizabethan and Jacobean colonization of Ireland. Contemporary Irish writers appropriately adopt, adapt and strategize through their engagements with

Shakespeare and indeed through his own engagement with the world around him four hundred years ago      *Irish Poetry Since 1950* John Goodby, 2000-12-15 Irish Poetry since 1950 is a survey of poetry from Northern Ireland the Republic Britain and the US covering the 1950s the 1960s the early period of the Troubles up to 1976 the 1980s and the 1990s      *Who's Who in Twentieth Century World Poetry* Alan Parker, Mark Willhardt, 2005-12-05 Publicity Title Foreword by Andrew Motion Poet Laureate 900 entries by 75 international contributors all experts in their field Covers both canonical and lesser known contemporary poets Very broad range of coverage taking in poets from all over the world The only book of its kind to look at non English language poets in such detail
