Maigret's Failure Georges Simenon,2017-11-02 His artistry is supreme John Banville Conflict rather than harmony probably reigned in eight out of ten of the still magnificent houses that surrounded the park But he had rarely had the opportunity to breath such a strained atmosphere as the one between these walls Everything seemed fake grating starting with the lodge of the concierge cum manservant who was neither a concierge nor a manservant despite his striped waistcoat but a former poacher a murderer turned guard dog When a self made man appeals to Maigret for protection at his lavish home a years old grudge from the past resurfaces and the inspector finds himself questioning his own motives One of the
