Reyes,2023-03-23 *Balik Tanaw The Road Taken* is the memoir of the distinguished Filipino critic Soledad S Reyes This book is a record of Reyess journey of more than seven decades where personal narrative intertwines with people and events with

social and political movements with which the country sought to negotiate the treacherous shoals in the postwar years The account carries a fair amount of biographical data as lodged in the critics memory in the absence of diaries from her childhood into her college years But as the context becomes wider and more complex the narrative takes on a more analytical frame as she tries to make sense of disparate experiences whirling about her in the tumult of the 1970s and beyond and in the startling changes in the political landscape local and global that now grip the Filipino nation This account according to the author is a story of an individual constructing a narrative that seeks to impose order upon chaos by retrieving aspects of the past and weaving a series of recalcitrant experiences into a coherent whole Published in association with De La Salle University Publishing House Ang aklát ng gurò Antonia F.
