Old Masters Thomas Dormandy, 2000 Donatello Titian Hals Turner Renoir and Munch and a surprisingly large number of other major artists lived to be over seventy five Some of their finest and most distinctive works including Michelangelo s last Pieta Goya s Black Paintings and Monet s Water Lilies were done in old age Whether experimenting with new approaches adopting new techniques responding to changed circumstances and debilities or reacting to the approach of death the intensity of the late work of many of the greatest artists is striking Childhood genius has often been studied but astonishingly this is the first book to draw attention to a considerably more important artistic phenomenon Old Masters establishes beyond doubt the frequency with which elderly painters and sculptors reached new heights in their seventies and eighties and suggest why and how they did so BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Modern Painting, Drawing & Sculpture Louise Pulitzer, 1971 *The Foreign Paintings, Drawings, and Sculpture* Tate Gallery, Ronald Alley, 1959 **Catalog of the Library of the Museum of Modern Art: Bon** Museum of Modern Art (New York, N.Y.). between Courthion and Matisse and just weeks before the book was to come out the artist even had approved the cover design Matisse suddenly refused its publication A typescript of the interview now resides in Courthion's papers at the Getty Research Institute This rich conversation conducted during the Nazi occupation of France is published for the first time in this volume where it appears both in English translation and in the original French version Matisse unravels memories of his youth and his life as a bohemian student in Gustave Moreau's atelier He recounts his experience with collectors including Albert C Barnes He discusses fame writers musicians politicians and most fascinatingly his travels Chatting with Henri Matisse introduced by Serge Guilbaut contains a preface by Claude Duthuit Matisse's grandson and essays by Yve Alain Bois and Laurence Bertrand Dorleac The book includes unpublished correspondence and other original documents related to Courthion's interview and abounds with details about avant garde life tactics and artistic creativity in the first half of the twentieth century
