An Analysis of the Inter-dependency of the Prominent Motifs Within the Book of Qohelet

Richard Alan Fuhr (Jr.),2013 The key to a balanced and accurate understanding of the book of Ecclesiastes lies in the inter dependent relationships between the prominent motifs within the book An Analysis of the Inter Dependency of the Prominent Motifs Within the Book of Qohelet explores this dynamic The final outcome of such an approach is a wisdom based paradigm for living under the sun a wise man s approach to living in a fallen world Qohelet s conclusions are two fold and balanced First in light of the fact that life is fleeting death is inevitable and one s future lies outside of the realm of human control the wise will enjoy life as a gift from God recognizing that joy is ultimately a responsibility and a mandate placed upon them Second in light of the fact that life is fleeting death is inevitable and God s enigmatic ways on earth are sure to be followed by an equitable future judgment the wise will fear God and keep his commandments Therefore the wise man or woman will enjoy life but not enjoy sin living each day to its fullest but in sobriety knowing that for all our actions there is a coming judgment This is the wisdom of Ecclesiastes

A New Perspective of Genesis Bishop Donald L. Thomas, 2017-06-15 In writing this commentary my goal was to make simple those things that were hidden so that those who read the book of Genesis could comprehend what they read I pray that all who do read my book will be blessed and enlightened and that the books contents may serve as a basic learning guide This commentary is for the purpose of causing the children of God to study his Word in the manner in which it was intended We cannot receive the nourishment needed for our spiritual being without understanding what we are reading It is not the intent of the Holy Spirit to paint a picture of the men and women of the Bible that escalates out of our reach but to create

hope in the least of us as we read about their defeats and victories of their sicknesses and healings of their faith and fear of their sin and righteousness and of their joy and sorrow Things that were written were written for our learning but many of us have not learned the scriptures in the light of what they are declaring Consequently instead of finding the hope that the scriptures were written for many become discouraged because their focus is on the victories without understanding the struggles These men and women were the same as we are They were not supernatural beings though many had supernatural encounters At any rate there is not one of Gods children who have been truly born again who have not had a supernatural encounter When the Holy Spirit invaded your life there was nothing natural about that When you were transformed from darkness to light there was nothing natural about that When the blood of Jesus cleansed you from all of your sins there was nothing natural about that When you were transformed by the renewing of your mind there was nothing natural about that When heaven rejoiced in the news of your repentance there was nothing natural about that But if our focus is not right we will embrace the wrong thing We will cleave to the experience rather than the Creator of all things May God grant unto us all the ability to see the scriptures in the context that they were intended **Backstage Pass to the Bible--Old Testament**

No Word Wasted is a collection of valuable life lessons with a unique perspective from God s Word Thirty five stand alone studies are presented in a personal engaging and relatable manner similar to how Jesus taught often through parables during His ministry and are based on Bible characters nature object lessons and scriptural principles often examining lesser known but profound passages Each study ends with a mini commentary based on one significant word from the lesson that the
