**Drama of the Group** Norrish,1958-01-02 This is a useful introduction to Jules Romains and the unanimist movement It begins by giving the reader a comprehensive grounding in the theory and ideals of Unanimism an early twentieth century movement that takes ideas of collective consciousness and crowd behaviour and implants them within art and literature

**Interior decorating in nineteenth-century France** Anca I. Lasc,2018-07-16 This book explores the beginnings of the interior design profession in nineteenth century France Drawing on a wealth of visual sources from collecting and advice manuals to pattern books and department store catalogues it demonstrates how new forms of print media were used to sell the idea of the unified interior as a total work of art enabling the profession of interior designer to take shape In observing the dependence of the trades on the artistic and public visual appeal of their work the book establishes crucial links between the fields of art history material and visual culture and design history [Catalogue](#) State University of Iowa,1925 [The Iowa Alumnus](#) ,1920

**Law, Religious Freedoms and Education in Europe** Myriam Hunter-Henin,2016-04-22 This collection considers how contemporary cultural and religious diversity challenges and redefines national constitutional and legal frameworks and concepts within the context of education It offers a critical reflection on the extent and meanings given to religious freedom in education across Europe The contributions deal primarily with Western Europe although the book also includes a study of the US vibrant debates on Creationism This volume considers issues such as religious expression faith schooling and worship in schools in a multidisciplinary and comparative approach The book first examines key concepts before presenting national models of religion and education in Europe and analyzing case studies relating to religious symbols worn at school and to the teaching of religious education Legal questions are examined in a wider context in the light of the intentions of state policy and of current national and transnational debates Controversies on the legal implications of personal and national identities are for example analyzed From a comparative perspective the chapters examine the possible converging power of human rights and anti discrimination discourses and reveal the difficulties and risks involved in seeking to identify the best model for Europe This topical study of a highly sensitive area of education presents a valuable insight for students researchers and academics with an interest in cultural and religious diversity human rights and education [States and the Making of Others](#) Jeanne Bouyat,Amandine Le Bellec,Lucas Puygrenier,2024-06-17

This volume offers a unique interdisciplinary and comparative perspective on contemporary processes of othering by state institutions in relation to dynamics of racism xenophobia sexism homo transphobia as well as ethnic and class based discriminations It focuses on eight original case studies empirically grounded in various domains of the social state in Southern African and Western European contexts the education and health care systems the regulation of work and of

procreation rights and institutions in charge of granting asylum The authors provide key insights on how states produce Others and on how othering contributes in turn to the process of state formation and the politicization of public action

From Da Ponte to the Casa Italiana Barbara Faedda,2017-11-21 The Casa Italiana a neo Renaissance palazzo located on Amsterdam Avenue near 117th Street has been the most important expression of the Italian presence on Columbia University's campus since its construction in 1927 As a site of interdisciplinary scholarship and promotion of Italian culture the Casa Italiana has made a substantial contribution to the academic study of Italy in America and the understanding of Italian cultural identity abroad Celebrating the Casa's ninetieth anniversary From Da Ponte to the Casa Italiana documents and recounts the history of the individuals both Italian and American who contributed to the formation of Columbia University's rich tradition of Italian studies Barbara Faedda's succinct yet detailed historical survey begins at the dawn of Italian studies at Columbia with Lorenzo Da Ponte Mozart's witty librettist who became the charismatic founder of the New York Metropolitan Opera and Columbia's first professor of Italian Covering figures such as the former revolutionary Eleuterio Felice Foresti Faedda elucidates the complex and often controversial dimensions of the Casa's history highlighting protagonists such as the talented but equivocal Giuseppe Prezzolini and Columbia's president Nicholas M Butler as well as Italian American students and community members The Casa played a significant role in U S Italian relations from its foundation and at one point it came under fire accused of ties to Mussolini and pro Fascist leanings Synthesizing archival documents with the work of historians From Da Ponte to the Casa Italiana tells the compelling stories of the Casa and several of its leading figures whose influence on the university can still be felt today **Catalogue** University of Iowa,1922

**Sigma Kappa Triangle** ,1920 Juan Montoya Margaret Cottom-Winslow,Juan Montoya,1998 Colombian interior designer Juan Montoya is known for reintroducing sophistication and charm into the demanding world of design His work reflects a vast knowledge of world culture and is always influenced by his signature use of space The rich photography in this monograph surveys 37 of Montoya's international projects from private residences and large commercial corporations to beautiful country houses and haciendas **The French Revolution and British Popular Politics** Mark Philp,2004-02-12

The nine essays in this collection focus on the dynamics of British popular politics in the 1790s and on the impact of the French Revolution and the subsequent war with France Leading scholars in the field explore the nature and origins of the ideological conflicts between reformers and loyalists the impact of the war with France on the organisation of the British state and on its relations with its people and the extent of the threat of revolution on both British and colonial territory The French Revolution and British Popular Politics makes an unusually integrated and coherent collection of essays substantially advancing knowledge in this controversial area and bringing together important work by senior figures in the field

**France Since 1945** Robert Gildea,2025-06-06 Robert Gildea presents an ambitious and wide ranging but succinct history of France from 1945 to 2024 which seeks to provide a sympathetic understanding of the forces that have shaped a

country that is so close to Britain and yet so different This third edition following the second in 2002 and first in 1996 takes into account twenty more years of French history history writing and changing historical approaches notably in colonial history and gender history France Since 1945 explores France's bid to restore political stability and international greatness after the Second World War which was marked by defeat and occupation and the loss of greatness and crisis of democracy that began in the 1990s These chapters are interleaved by eight thematic chapters on the legacy of the Second World War and the Algerian War which arguably continues in France to this day on the economy and society on French culture and on gender and sexuality

**Trow (formerly Wilson's) Copartnership and Corporation Directory of the Boroughs of Manhattan and the Bronx, City of New York**, 1912      The Republic in Danger Martin S. Alexander, 2003-11-13 The first full length study in English of the man who lost the Battle of France      Women's Rights and Women's Lives in France 1944-1968 Claire Duchén, 2003-09-02 Women's Rights and Women's Lives In France 1944 1968 explores key aspects of the everyday lives of women between the Liberation of France and the events of May 68 At the end of the war French women believed that a new era was beginning and that equality had been won The redefined postwar public sphere required women's participation for the new democracy and women's labour power for reconstruction but equally important was the belief in women's role as mothers Over the next two decades the tensions between competing visions of women's proper place dominated discourses of womanhood as well as policy decisions and had concrete implications for women's lives Working from a wide range of sources including women's magazines prescriptive literature documentation from political parties government reports parliamentary debates and personal memoirs Claire Duchén follows the debates concerning womanhood women's rights and women's lives through the 1944 1968 period and grounds them in the changing reality of postwar France

**Women's Rights and Women's Lives in France 1944-68** Claire Duchén, 2024-11-01 Women's Rights and Women's Lives In France explores the everyday experiences of women between the liberation and May 1968 In 1945 French women believed that a new era was beginning for them in which they had finally won equality the right to vote in 1944 equal pay and access to education and employment But the new Republic considered that women's main role was that of motherhood Competing visions of women's place had concrete implications for women's lives influencing work politics and ideals of femininity Working from a wide range of sources including women's magazines prescriptive literature political pamphlets fiction and memoirs and government reports Claire Duchén follows the debates concerning women through twenty years and grounds them in the changing social reality of postwar France      *France since the 1970s* Emile Chabal, 2014-12-18 Until the mid 20th century France saw itself as a great power with universalist aspirations and global ambitions But the Second World War and decolonisation irrevocably changed France's place in the world Despite attempts to restore the country's grandeur in the 1960s the French have been forced to reconcile themselves to their modest place at the heart of a changing Europe What impact has this had on political life How have the French reimagined the revolutionary republican and reactionary

ideologies that have been so crucial to their history How has the arrival of hundreds of thousands of postcolonial migrants transformed politics These are just some of the questions at the heart of France since the 1970s With contributions from leading specialists on topics as varied as the legacy of empire and neo liberalism it explores how the French have dealt with the pervasive sense of uncertainty that has become a defining feature of contemporary European politics     *Government and Political Life in England and France, c.1300-c.1500* Christopher Fletcher,Jean-Philippe Genet,John Watts,2015-04-20

How did the kings of England and France govern their kingdoms This volume the product of a ten year international project brings together specialists in late medieval England and France to explore the multiple mechanisms by which monarchs exercised their power in the final centuries of the Middle Ages Collaborative chapters mostly co written by experts on each kingdom cover topics ranging from courts military networks and public finance office justice and the men of the church to political representation petitioning cultural conceptions of political society and the role of those excluded from formal involvement in politics The result is a richly detailed and innovative comparison of the nature of government and political life seen from the point of view of how the king ruled his kingdom but bringing to bear the methods of social cultural and economic history to understand the underlying armature of royal power
