Thou Art Brent Dodd, This book is a meditation on the unseen architectures that shape us like art love loss memory and the quiet authenticity that persists beneath it all Through the lens of artistic expression and human interaction it explores how we mirror and mould one another how pure taste and intuitive choices form a silent language guiding our lives like constellations unseen in the daylight The framework you ll find woven here is rooted in the Golden Ratio the natural expansion of growth creativity and emotional connection Just as artworks find completion through the layering of colour light and shade so too do our relationships find form through the layering of presence vulnerability and time This is not a story of neat resolutions or perfect alignments It is a study of the attempt the brave imperfect often chaotic act of becoming of seeing and being seen It is about the art of living and loving without losing

ourselves even when timing circumstance or human fallibility intervene I invite you to read this as you would view an unfinished painting sensing not only what is painted but what is felt beyond the frame **Learning to Dance in the Rain** Brian McDermott, Lori McDermott, 2011-08-12 When a tragic car accident took the life of our twenty one year old daughter Maia we began a journey that has been paradoxically the most heart wrenching and spiritually uplifting period of our lives Learning to Dance in the Rain chronicles the first year of this journey Through pain and despair to renewed energy and spiritual discovery we write about the many ways in which we are finding strength and inspiration to carry on With help from family and friends a variety of religious spiritual traditions encounters with the natural world and most profoundly continued connection with our beloved daughter we are learning that death is as much a beginning as it is an end and that pain can be a catalyst for personal spiritual growth It is our greatest hope that sharing our story in this way will help others find strength to face the storms that come their way and live their lives with greater awareness www.learningtodanceintherain.net
