Moons Shadow:

Under the Moon's Shadow WILSON RAMOS-CORTES,2024-07-13 Under the Moon s Shadow Richard Wise s Chronicles recounts the life and adventures of Richard Wise from his early years until adulthood It all started during a family vacation when Richard Wise s life took an unexpected turn Orphaned by tragedy he contends with grief and the weight of newfound abilities gifts that defy the laws of nature Richard s intelligence physical strength and speed surpass human limits yet his temper remains a tempest he cannot control Expelled from school because of his aggressive behavior Richard s adoptive parents seek solace in a quiet Florida town hoping for a fresh start But fate has other plans When Richard crosses paths with Master Chan a mysterious Martial artist and philosopher his destiny shifts Under the old master s watchful eye Richard immerses himself in a world of combat techniques the fluid grace of Kung Fu the precision of Karate and the stealth of Ninjutsu Yet it is not just physical prowess that Master Chan imparts he teaches Richard the delicate balance between strength and restraint the essence of true power However Master Chan has a dark secret of his own His life story is a recounting tale of bloodshed vengeance clandestine killings and savage murder Richard s desire to adventure into the world has him joining the Navy Richard s abilities propel him into the skies as a fighter pilot In a desperate dogfight he risks everything to save his best friend narrowly escaping death But the aftermath leaves him scarred both physically and emotionally Disobeying orders he faces expulsion from the military a path that leads him into the shadowy world of the Yakuza Within the criminal underworld Richard discovered that a killer assassin known only as The Dark Shadow killed a dear person in his life His journey becomes a high stakes game of survival where every move could be his last Richard s disagreement with the Yakuza s business causes him to fight for his life In the middle of the action and adventure temptation arrives as a beautiful woman enters his life Would he stay loyal to the love of his life or succumb to desire In the world Richard navigates tangling shadows bring about a constant blend of danger and trust making it difficult to distinguish between the two Will he have the skills to survive a duel to death with the Dark Shadow The answers to this and many others lie in the pages of Under the Moon s Shadow Richard Wise s Chronicles **The Moon's Shadow** Catherine

Concorde 001 Pierre Léna,2015-10-31 This is the unique story of observing a total solar eclipse for no less than 74 consecutive minutes On the summer morning of June 30 1973 the Sun rises on the Canary Islands But it is strangely indented by the Moon The eclipse of the century has just begun From the west the lunar shadow rushes to the African coast at a velocity of over 2000 kilometers per hour Astronomers on the ground will enjoy seven short minutes of total eclipse to study the solar corona too short for Pierre Lena and seven scientists who board the Concorde 001 prototype an extraordinary plane
