*Only a Few* Tadzik Zdan, 2009-09-28 In but a little while the Lvanon will be turned into a fruitful field and the fruitful field regarded as a forest On that day the deaf will hear the words of a book and out of gloom and darkness the eyes of the blind will see The humble will again rejoice in ADONAI and the poor exult in the Holy One of Israel Isaiah 29 17 19 Is Only a Few the book referred to in this verse It very well may be Only a Few does open the eyes of the deceived the sleeping and the ones who cannot see the truth in the Word of God The Word of God has been twisted and manipulated by man for their own motives for the past two thousand years However now that the end times are creeping up on us light must be shed on the twisted lies and deceptions that Satan has created Truth understanding and righteousness are the ways of God Ignorance to

the truth only shows that one has not put forth the effort required the effort God is looking for the effort which shows that one has truly put The Almighty first in his or her life The Bible speaks of both the righteousness of God and the sins of man Regrettably many over the centuries have aligned themselves with what was sinfully corrupted by man making it their doctrine and therefore forsaking the righteousness of God These twisted doctrines have grown to appear righteous to believers but they are not righteous in the eyes of God Half truths are merely lies and the God of the Bible cannot accept lies even if they are done in His name Our walk with God is a walk toward righteousness The job of the Holy Spirit is to show us truth and all believers must decide to walk in truth love the truth or live with the lies In other words many have been living a lukewarm life for God In Only a Few Tadzik Zdan explains that God is a loving God but His love is contained within His righteousness God loves all whom He created but if they do not abide by His righteousness His laws and His teachings He has no choice but to condemn the unrighteous ones even if they have been deceived into thinking they are righteous to Him It exposes the sinful path of Gods believers throughout the centuries as foretold within the prophecies contained in the Bible The keys to the New Testament are contained within its parables They show the plight of the believers and non believers alike and are the keys to eternal life Only a Few systematically explains the deceptions that have been implemented over the centuries and what God is looking for in His righteous ones The true and most biblically sound interpretations of the parables are exposed all to the righteous glory of God Everyone who has read the Bible or even simply owns a bible needs the enlightenment of this book so that they may stand righteous to the Creator and shed the lies of the past the eyes of the blind will see Only a Few celebrates the righteousness and greatness of the Almighty and it is a must read for the times we live in So if God is truly important in your life this book will be the oil for your lantern For such a time as this Only a Few should accompany every Bible May Gods righteousness be bestowed upon you

**A New Model of the Authentic Church** Robert Fuggi, 2018-02-08 In American church culture worldly benchmarks of achievement have all but blinded us to the true purpose of the body of Christ A New Model of the Authentic Church may be one of the most significant books written on the American church in decades It not only offers a scholarly analysis of the current state of the church but provides practical solutions The book offers a brilliantly well developed model for how to make church work more effectively If implemented it would provide a much needed paradigm shift in how we do church in America The books main contribution is that it provides a workable framework not only on how to birth new missionally minded churches but how to reform existing ones back to the Authentic Church of the gospels If its principles are taken and applied the book could alter the landscape of the American church which will be a breath of fresh theological air to a church that has lost its way in the new millennium The purpose of this book is not to just challenge and change the status quo its goal is to bring a real lasting transformation to how we do church The aspiration in writing this book is for it to be seen and read not just as a critical assessment of the condition of the American church but as

a practical blueprint that will provide much renewed hope and purpose to the contemporary American church the bride of Christ

**The Perilous Fight** Ben Carson, M.D., 2024-05-14 Learn from one of our leading conservative voices how we can return to the biblical values our nation was founded upon especially the vital importance of the family in order to secure a prosperous future for generations to come Does America no longer feel like home Widespread divorce rates the erosion of traditional marriage the popular rise of radical ideologies attacks on faith and government interference are only a few of the factors contributing to the struggles of families in our culture And because of the importance of healthy families to every part of our national life the breakdown of the family threatens to rob us of the country we love But it doesn't have to be this way Like many of us Dr Ben Carson fears we are losing the country we love In this provocative and ultimately hopeful book he gives us the facts inspiration and theory to action answers we need to restore a key foundation of America the family The Perilous Fight equips us to understand The hard data behind the breakdown of the family and its effects on our society including poverty crime and deteriorating education The core biblical beliefs that led our nation into unprecedented freedom and prosperity and why abandoning those beliefs led to the social decline we see today The fresh ideas and public policy options that could reverse negative trends impacting the family while maintaining a balance between constitutional freedoms and governmental involvement This is a practical and inspiring book for anyone who Feels discouraged about the state of our country and its institutions Needs hope that there are commonsense attainable solutions that we all can practice Appreciates a conservative Scripture based approach to restoring faith liberty community and life in America Strong families are the cornerstone of strong communities Strong communities build a strong nation Only when we prioritize the family as an institution established by God will we proudly remain the land of the free and the home of the brave
