na, Herald and Presbyter, 1919 *The Western Christian Advocate*, 1906 *3 Days in Rome* Scott D. Southard, 2001-05 I'm the real author of 3 DAYS IN ROME and I'm dead Gee I hope that thought doesn't scare you too much I'm not like a bogey ghost or anything Actually ghosts aren't really that big a deal it's usually just us dead when we have nothing better to do I'm just a normal dead person and I've written my autobiography Most of the dead up here in Heaven have written an autobiography Of course I've decided to do mine differently than the others Funny thing is Scott told me not to bring this up He believes that if I come out here and state all these facts about Heaven he would be in big trouble since his name is on the novel But the book is about more than the truths of Heaven It's also about the great love affair I had while alive And we had one Hell of an amazing romance We were wanted by the authorities and the Mafia and all we could think of was each other Those were the greatest days of my whatever 3 DAYS IN ROME is an unpredictable and comic love story about life death the Afterlife and everything in between

**Tomorrow Will Be Different** Sarah McBride, 2019-03-05 A brave powerful memoir People that will change the way we look at identity and equality in this country from the activist elected as the first openly transgender member of Congress in U.S. history The energy and vigor Sarah has brought to the fight for equality is ever present in this book Vice President Kamala Harris If you're living your own internal struggle this book can help you find a way to live authentically fully and freely Let it show that we are all created equal and entitled to be treated with dignity and respect President Joe Biden from the foreword Before she became the first transgender person to speak at a national political convention in 2016 at the age of twenty six Sarah McBride struggled with the decision to come out not just to her family but to the students of American University where she was serving as student body president She'd known she was a girl from her earliest memories but it wasn't until the Facebook post announcing her truth went viral that she realized just how much impact her story could have on the country Four years later McBride was one of the nation's most prominent transgender
