No Moon No Milk:

No Moon, No Milk! Chris Babcock, 1993 Illus in full color In this hilarious tale Rob comes out one morning to find that his cow Martha is udderly bored with her life It s eat grass get milked Eat grass get milked Martha wants more In fact she wants to walk on the moon Teague s ebullient artwork captures a very determined cow in a variety of decidedly uncowl-like settings and he illustrates them all with humor and panache Although the story hour set will get most of the jokes slightly older children will be the most amused Booklist

No Moon, No Milk , The Giant Encyclopedia of Monthly Activities for Children 3 to 6 Kathy Charner, Maureen Murphy, Charlie Clark, 2006 A collection of over 600 activities for the primary classroom that provides creative ideas for all topics across the curriculum that helps to develop both literacy and imaginative play

No Milk Today Andrew Ward, 2016-10-20 Traditionally in British society the milkman has been a family friend a sex symbol and a cheerful chappie He has been the eyes and ears of the community and his genetic legacy has supposedly passed into the lineage of housewives This collection of folk tales about milkmen covers the history of the job and the milkman s everyday experience The book is structured by the milkman s working day It starts with the alarm clock and ends with the milkman returning home in search of sustenance and tender loving care The book is less about changes in the dairy industry and more about the work experiences of the people who have delivered milk Many milkmen are featured Chris Frankland delivered over eight million pints before he retired at seventy four Alistair Maclean drove two million miles across the north coast of Scotland in fifty years and Tony Fowler an award winning Leicestershire milkman helped to put over fifty people in prison For more than thirty years the author has collected milkman stories through oral testimony newspaper archives anecdotes diaries books and more formal interviews

The Giant Encyclopedia of Kindergarten Activities Kathy Charner, Maureen Murphy, Jennifer Ford, 2004 Presents more than six hundred kindergarten activities and practical teaching tips covering art literacy math science and nature social development and fine and gross motor skills and such facets of the day as the morning greeting circle time rest or nap time and outdoor play
