belongings crammed into a small suitcase Among them is one precious photograph of the family she has left behind Lonely and homesick Lisa is adopted by a childless couple But when the Blitz blows her new home apart she wakes up in hospital with no memory of who she is or where she came from The authorities give her a new name and despatch her to a children's home With the war raging around her what will become of Lisa now Can't wait for the sequel *The Married Girls* is out now What readers are saying about *The Girl With No Name* Diney Costeloe has perfectly captured the traumatic atmosphere of the war years both in London and the countryside Highly recommended The characters leap from the pages The Blitz scenes were palpable imagining what Londoners endured during WW2 Love all Diney's books The author writes with good pace and excellent descriptions of place and characters but her main skill is in conveying the personal dilemmas faced by her characters I shall definitely seek out more books by this author *Tales for the Perfect Child* Florence Parry Heide, 2017-03-07 Sergio Ruzzier brings his mischievous touch to a timeless favorite by Florence Parry Heide beloved author of *The Shrinking of Treehorn* This delightful new edition includes one never before published story Ruby is reliable kinda Arthur is careful sorta Harry eats his carrots though it depends on what you mean by eat And just like all perfect children Gloria helps her mother well that might be an exaggeration As the eight deliciously wicked tales featured in this hilarious chapter book prove it's perfectly nice to be a perfect child but where's the fun in that *No Marble Angels* Joanne Leedom-Ackerman, 2016-02-16 Characters in *No Marble Angels* struggle to close distances between each other distances of race sex age **The Pope of Camden Town** Peter R. Brumlik, 2020-09-11 It is 1917 and the sun never sets on the British Empire Less than three miles from London lies a town that is not the recipient of British benevolence or the blessings of the royal sun Living in the forgotten disconnected and rotten appendage of Camden Town are the petulant stubborn Irish the distant cousins of the Vikings are who difficult to manage both in their native land and abroad Once the home of Charles Dickens H G Wells and Karl Marx Camden Town is also the residence of a belligerent Irishman his ever suffering wife and two children Brendan Ronin the Pope of Camden Town is usually found perched on his throne sending messages to an ignorant world population His wife Meg perfumes her frail body with a dab of cabbage and potato on her wrist Their daughters Erin and Fiona are seeking their own paths in life But as social discourse begins to overshadow the happy family holding court at 27 Underhill Street now the future remains even more uncertain than ever The Pope of Camden Town is the satirical tale of an Irish family living in Camden Town a section of London during World War I *Handbook of Household Science* Juniata L. Shepperd, 1902 *The Agricultural Review*, 1910 *An Irish Wife* Deborah Lincoln, 2021-04-20 The business of coal dramatically transforms life in the bucolic Pennsylvania valley Harry Robinson's family has called home for generations Ambitious industrialists reap huge windfalls and Europe's laborers flock to America's shores to seek their fortunes Cultures mix and clash and all too often erupt When Harry meets Niamh the newly arrived bride of an Irish miner he begins to realize the extent of the prejudices that stalk the local immigrants As he undertakes the job of tutoring her younger

brother a bond begins to grow between Harry and Niamh and he finds himself falling in love for the first time When Niamh shows up one day bloodied and bruised Harry is determined to take her away despite her religious scruples and the disapproval of his family Still he tells himself that love is all that matters But a disaster in the mine changes everything offering Harry hope and Niamh heartbreak And both young lovers must ask themselves Is love enough Through Niamh and Patrick Harry begins to realize the extent of the prejudices that stalk Irish Catholics and all immigrants When Niamh's husband beats her and she escapes Harry is determined to take her away though it means overcoming her religious scruples and the disapproval of his family But Niamh and her brother disappear

The Hopeful Traveller Fiona Farrell,2013-03-01 A fascinating novel of hope love idealism and human progress made up of two separate stories which can be read in isolation and yet reverberate against each other Sometime in the 1860s in an isolated valley on Banks Peninsula Harry Head the Hermit of Hickory Bay experimented unsuccessfully with flight His story forms part of the exuberant blend of fact and fiction which constitutes this tale The author takes us back to the beginnings of novel writing as philosophical play and serious entertainment Think Crusoe's island think Utopia Twelve characters driven by obsession hope or the vagaries of chance come ashore in widely different circumstances onto the same island Once there the game can begin Written in two halves this is a book to be read from either end Begin with the past and race toward the future or begin with the present and circle back towards the past Time may separate the two sections yet subtle links and twisting events bring them together into a varied intriguing and compulsive whole

The Path of No Resistance Garret Kramer,2015-07-07 A FRESH TAKE ON THE INBORN CHARACTERISTIC OF

RESILIENCE Most people are convinced that the key to rising above a perceived problem is to think about it analyze all angles and try hard to solve it But the fact is Problems in the world are mounting War famine and strife exist at alarming rates Not to mention that the level of respect within our families and communities seems to be fraying Simply put our behavior is not up to par these days it is spiraling downward Why We re not connecting the dots In the arenas of psychology teaching coaching and parenting we re using behavioral strategies to boost inner levels of clarity and consciousness to no avail So if focusing on behavior isn t working what will The Path of No Resistance provides a brand new look at how human beings really overcome adversity Along the way Garret Kramer reveals the astonishing truth about what creates our troubles in the first place And what we already know deep down that allows us to prosper in spite of any circumstance or situation Offering an array of examples Kramer demonstrates that resilience and contentment are in principle innate to everyone He insists that calculated self help methods are not the answer and explains why insight not intellect is what fuels our ability to excel and give back to others
