Male and Female Created He Them Moses Yahaya Awodi,2013 What if God was both male and female and the entire enterprise of creation was just God s attempt to win a war that erupted in Heaven prior to the six days it took to create the world Such is the main premise behind Male and Female Created He Them a fascinating new work in Christian theology from Nigerian author Moses Yahaya Awodi Using the Biblical premise that God created Adam and Eve in His own image the author presents the idea not only is God both male and female but that Satan is also God s own Eve The idea that God and the Devil are so closely entwined could also perhaps explain why there is precious little anyone can do to combat the evil that exists in the world Moses Yahaya Awodi was born to a Christian home in Abejukolo in Kogi state Nigeria He holds a degree in Civil Engineering from the Ahmadu Bello University and is currently a resident engineer for a federal university in Yola Adamawa State Nigeria Male and Female Created He Them is his first book and he is already working on a second When not working or writing Moses enjoys serving as the organist for his church and playing lawn tennis to stay fit Publisher s website <http://sbpra.com> MosesYahayaAwod

The Melting Pot Elsie Kelly,2008-11 This Book is written out of frustration and anger This is the Twenty First Century and segregation and racism are still alive and being practiced and tolerated all across America People of color are being treated with discrimination and injustice They are being beaten and sometimes chased to their deaths for simple things They are the target of the Police Officers They are being shot down on the streets for no reason The judicial system is not acting in a manner that treats each individual fairly regardless of race or color Instead the men are thrown into jail until a trial date is set Then they are tried and sent off to prison for a long time When they are returned to society the better part of their youth is over For the same offence the other skin color will receive a much lighter sentence The time has come for a change in this diverse nation of America Therefore the American Congress should pass the law that anyone who practices and tolerates racism and discrimination should be punished African Americans need to get themselves involved with other blacks from other countries of the world and stop being prejudiced against them Black people originate from one land and there should not be prejudiced among them It is time for black people to open their eyes to the legacy that has been laid down by their founding fathers and mothers and accept the challenge Know what you want to be in life and work towards your goal Never let anyone or racism get in the way of preventing you from being what you would like to be in life Your future is in your hands
