Lloyd Lewis

Oscar Wilde Discovers America:

Oscar Wilde Discovers America Lloyd Lewis,1967 *Oscar Wilde Discovers America [1882]* Lloyd Lewis, Henry Justin Smith,1964 *Oscar Wilde Discovers America* Louis Edwards,2003-01-28 This compelling and unique fictional foray into American history follows a brilliantly conjured Wilde and his young black valet on a whirlwind tour across the country from high society Newport to the deep south *Oscar Wilde Discovers America* Lloyd Lewis,1936 *Oscar Wilde in Quotation* Tweed Conrad,2014-12-24 He had that rarest of all things common sense And in the case of Oscar Wilde he also had a gift for delivering this common sense in sometimes pithy but always memorable statements One of the world's most unforgettable authors Oscar Wilde had a comment for any and every occasion many of which are quoted here From art and actors to vice and virtue this volume organizes 3109 Oscar Wilde quotations by subject matter effectively providing a new way to enjoy Wilde's considerable literary legacy Quotations are taken from Wilde's works including *The Importance of Being Earnest* and *The Picture of Dorian Gray* his correspondence magazine articles and newspaper editorials Some which are otherwise not immediately verifiable are garnered from reliable secondary sources Sixty seven chapters deal with topics as varied as death domesticity friends and enemies with the source of each quote duly noted The work a fascinating read of Wilde's acute observations is indexed **Wilde in America** David M. Friedman,2014-09-29 The story of Oscar Wilde's landmark 1882 American tour explains how this quotable literary eminence became famous for being famous On January 3 1882 Oscar Wilde a twenty seven year old genius at least by his own reckoning arrived in New York The Dublin born Oxford man had made such a spectacle of himself in London with his eccentric fashion sense acerbic wit and extravagant passion for art and home design that Gilbert he was a strategist From his antics in London to his manipulation of the media Wilde gave 100 interviews in America more than anyone else in the world in 1882 he designed every move to increase his renown There had been famous people before him but Wilde was the first to become famous for being famous Wilde in America is an enchanting tale of travel and transformation comedy and capitalism an unforgettable story that teaches us about our present as well as our past *Oscar Wilde in America* Oscar Wilde,2010-01-06 Better known in 1882 as a cultural icon than a serious writer Oscar Wilde was brought to North America for a major lecture tour on Aestheticism and the decorative arts With characteristic aplomb he adopted the role as the ambassador of Aestheticism and he tried out a number of phrases ideas and strategies that ultimately made him famous as a novelist and playwright This exceptional volume cites all ninety one of Wilde's interviews and contains transcripts of forty eight of them and it also includes his lecture on his travels in America **Oscar Wilde in Context** Kerry Powell, Peter Raby,2013-12-12 Concise and illuminating articles explore Oscar Wilde's life and work in the context of the turbulent landscape of his time **Oscar Wilde's America** Mary Warner Blanchard,1998-01-01 In 1882 Oscar Wilde toured America as the Apostle of Aestheticism The nation was still shaken by the Civil War and Wilde's message of regeneration through art and beauty seemed to open new horizons In this first cultural history of the aesthetic movement

in the U S Mary Blanchard provides an imaginative account of a neglected dimension of our history 221 illustrations

Making Oscar Wilde Michèle Mendelssohn, 2018-05-17 Witty inspiring and charismatic Oscar Wilde is one of the Greats of English literature Today his plays and stories are beloved around the world But it was not always so His afterlife has given him the legitimacy that life denied him Making Oscar Wilde reveals the untold story of young Oscar's career in Victorian England and post Civil War America Set on two continents it tracks a larger than life hero on an unforgettable adventure to make his name and gain international acclaim Success is a science Wilde believed if you have the conditions you get the result Combining new evidence and gripping cultural history Michèle Mendelssohn dramatizes Wilde's rise fall and resurrection as part of a spectacular transatlantic pageant With superb style and an instinct for story telling she brings to life the charming young Irishman who set out to captivate the United States and Britain with his words and ended up conquering the world Following the twists and turns of Wilde's journey Mendelssohn vividly depicts sensation hungry Victorian journalism and popular entertainment alongside racial controversies sex scandals and the growth of Irish nationalism This ground breaking revisionist history shows how Wilde's tumultuous early life embodies the story of the Victorian era as it tottered towards modernity Riveting and original Making Oscar Wilde is a masterful account of a life like no other **Resist**

Everything Except Temptation Kristian Williams, 2020-06-02 Oscar Wilde is remembered as a wit and a dandy as a gay martyr and as a brilliant writer but his philosophical depth and political radicalism are often forgotten Resist Everything Except Temptation locates Wilde in the tradition of left wing anarchism and argues that only when we take his politics seriously can we begin to understand the man his life and his work Drawing from literary historical and biographical evidence including archival research the book outlines the philosophical influences and political implications of Wilde's ideas on art sex morality violence and above all individualism Williams raises questions about the relationships between culture and politics between utopian aspirations and practical programs and between individualism group identity and class struggle The resulting volume represents not merely a historical curiosity but a contribution to current debates within political theory and a salvo in the broader culture wars *The Importance of Being Earnest* Oscar Wilde, 2009-11-13 The Importance of Being Earnest marks a central moment in late Victorian literature not only for its wit but also for its role in the shift from a Victorian to a Modern consciousness The play began its career as a biting satire directed at the very audience who received it so delightedly but ended its initial run as a harbinger of Wilde's personal downfall when his lover's father who would later bring about Wilde's arrest and imprisonment attempted to disrupt the production In addition to its focus on the textual history of the play this Broadview Edition of Earnest provides a wide array of appendices The edition locates Wilde's work among the artistic and cultural contexts of the late nineteenth century and will provide scholars students and general readers with an important sourcebook for the play and the social creative and critical contexts of mid 1890s English life Wilde's Wiles Annette M. Magid, 2014-08-11 Wilde's Wiles Studies of the Influences on Oscar Wilde and His Enduring Influences in

the Twenty First Century is a collection of essays which celebrates the diversity of Oscar Wilde's genius. This unique collection of scholarship explores not only his influence on a broad spectrum of subjects including aesthetics, children's literature, women's issues, consumer economics, queer theory, politics, theater, film, poetry, Victorianism, and other aspects of culture, such as pedagogical approaches to Wilde's literature, but it also examines the influence of his family and friends on him. Wilde's Wiles: Studies of the Influences on Oscar Wilde and His Enduring Influences in the Twenty First Century includes a wide range of approaches and concentrations written by international experts and has a broad spectrum of subjects which will appeal to a diversity of scholars seeking original and alternative approaches to understanding Oscar Wilde. The multiplicity of interest in the topic of Oscar Wilde expands across genres, disciplines, cultures, and time, this being the second century of Wilde scholarship since his untimely death in November 1900, preceding the fin de siècle. The unique, multi-discipline approach of Wilde's Wiles is organized in three sections: Aesthetic Approaches, Friends and Family, and Performance and Pedagogy, and bridges philosophical, sociological, psychological, economic, and literary disciplines.

Transatlantic Modernism and the US Lecture Tour Robert Volpicelli, 2021-06-24. Many Americans first encountered international modernism not on the page but in person through the widespread phenomenon of the US lecture tour. Attending to these encounters, *Transatlantic Modernism and the US Lecture Tour* reroutes our understanding of modernism away from the magazines and other mass media that have so far characterized its circulation and toward the unique form of cultural distribution that coalesced around the tour. Offering many new and compelling archival insights, this volume works across an admirably broad cultural landscape to reveal the US lecture tour as a primary mover of modernism. The study highlights the role this circuit played in the formation of transatlantic modernism by following a diverse group of authors: Oscar Wilde, W. B. Yeats, Rabindranath Tagore, Gertrude Stein, and W. H. Auden on their whistle-stop tours across America, illuminating in the process how this extremely physical form of circulation transformed authors into object-like commodities to be sold in a variety of performance venues. Moreover, it shows how these writers responded to such wide-ranging distribution by stretching their own ideas about modernist authorship. In doing so, *Transatlantic Modernism and the US Lecture Tour* adds to a critical tradition of exposing those popular dimensions of modernism that far exceeded its standard coterie definition while also uncovering something else: how the circuit's particular diversity of social contexts forced modernists to take on a new authorial flexibility that would allow them to make inroads with practically any audience, elite, popular, and everything in between.

Authors in Court Mark Rose, 2016-06-06. Through a series of vivid case studies, *Authors in Court* charts the 300-year-long dance between authorship and copyright that has shaped each institution's response to changing social norms of identity, privacy, and celebrity. A literary historian by training, Rose is completely at home in the world of law as well as the history of photography and art. This is the work of an interdisciplinary scholar at the height of his powers. The arguments are sophisticated and the elegant text is a work of real craftsmanship. It is superb. Lionel

Bently University of Cambridge Authors in Court is well written erudite informative and engaging throughout As the chapters go along we see the way that personalities inflect the supposedly impartial law we see the role of gender in authorial self fashioning we see some of the fault lines which produce litigation and we get a nice history of the evolution of the fair use doctrine This is a book that should at least be on reserve for any IP related course Going forward no one writing about any of the cases Rose discusses can afford to ignore his contribution Lewis Hyde Kenyon College

King of the Lobby Kathryn Allamong Jacob, 2021-04-27 A biography of the influential and engaging character who courted Congress with food wine and gifts in the post Civil War era The Washington Post Book World King of the Lobby tells the story of how one man harnessed delicious food fine wine and good conversation to become the most influential lobbyist of the Gilded Age Scion of an old and honorable family best friend of Henry Wadsworth Longfellow and charming man about town Sam Ward held his own in an era crowded with larger than life personalities Living by the motto that the shortest route between a pending bill and a congressman's eye was through his stomach Ward elegantly entertained political elites in return for their votes At a time when waves of scandal washed over Washington the popular press railed against the wickedness of the lobby and self righteous politicians predicted that special interests would cause the downfall of democratic government Sam Ward still reigned supreme By the early 1870s he had earned the title King of the Lobby cultivating an extraordinary network of prominent figures and a style that survives today in the form of expensive golf outings extravagant dinners and luxurious vacations Kathryn Allamong Jacob's account shows how the king earned his crown and how this son of wealth and privilege helped to create a questionable profession in a city that then as now rested on power and influence Her extensive research is reflected in her recounting of Ward's life successfully putting it into the context of the history of lobbying will appeal to American history buffs Publishers Weekly

Cultural Encounters in the New World Harald Zapf, Klaus Lösch, 2003

Quintessential Wilde Annette M. Magid, 2017-01-06 This volume presents interpretive essays utilizing a variety of approaches to honor the 160th anniversary of Oscar Wilde's birth celebrating the writer's genius This unique collection of scholarship explores a broad spectrum of subjects including his travels sexuality children's literature jail writings novel poetry individualism masks homosexuality influence on others and morality It offers historical biographical psychological and sociological perspectives written by international experts and features a broad spectrum of subjects which will appeal to a range of scholars seeking original and alternative approaches to understanding Oscar Wilde his aesthetics and his influence in a variety of genres in the twenty first century The multiplicity of interest in the writer expands across genres disciplines cultures and time Quintessential Wilde examines his intellectual strength in His Worldly Place analyzes his ingenious thoughts in His Penetrating Philosophy and recounts his enduring place in His Influential Aestheticism

The Right to Look Nicholas Mirzoeff, 2011-11-18 Develops a comparative de colonial framework for visual culture studies

Wilde Discoveries Joseph Bristow, 2013-12-06 The most significant resource for any researcher wishing to understand the finer

details of Oscar Wilde's remarkable career the Oscar Wilde and His Circle archive at the University of California Los Angeles houses the world's largest collection of materials relating to the life and work of the gifted Irish writer Wilde Discoveries brings together thirteen studies based on research done in this archive that span the course of Wilde's work and shed light on previously neglected aspects of Wilde's lively and varied professional and personal life This volume offers fresh approaches to well known works such as *The Picture of Dorian Gray* while paying serious attention to his lesser known writings and activities including his earliest attempts at emulating the English Romantics his editing of *Woman's World* and his fascination with anarchism A detailed introduction by the volume editor ties the essays together and illustrates the distinctive evolution of research on this great writer's extraordinary career
