Research Libraries,1979 The Biography of Alice B. Toklas Linda Simon,1991-01-01

It is fitting that Alice B Toklas wife and literary impresario of Gertrude Stein should be the subject of a biography and this is a good one sensitive and lively it is clear from this portrait that through her possessive affection she not only had a dominant influence on Stein's life but for good or ill on her highly idiosyncratic prose With her acid tongue shrewd judgment vitality and intense loyalty she was a fairly remarkable person in her self Publishers Weekly Linda Simon writes beautifully of Alice's early years in California of her Polish Jewish family of her growing alienation from her surroundings and gravitation toward artists of her awareness of the isolating burden homosexuality would force on her entertaining thoroughly researched and well written with a clear gaze fixed on undistorted truth Saturday Review A study that shows Toklas as she must have been not Miss Stein's obedient shadow but a multifaceted and complex creature with her own tastes and standards her story is an emotionally stirring experience Washington Post Book World Linda Simon in her preface to this Bison Book edition calls Alice B Toklas a woman who through a mixture of determination and good luck invented a new narrative for her life at a time when options for women were few Simon is the author of Thornton Wilder His World 1979 Good Writing 1988 and other books She is now working on a biography of William James *The Harvard Biographical Dictionary of Music* Don Michael Randel, 1996 Biographical dictionary emphasizes classical and art music also gives ample attention to the classics as well as Jazz Blues rock and pop and hymns and showtunes across the ages
