Robins, 2012-07-23 In the 1890s Oscar Wilde enjoyed one of the most high profile reputations in Britain yet virtually overnight he was plunged into disgrace and ruin What were the reasons for this extraordinary reversal of fortune Ashley Robins explores Wilde's motivation in prosecuting the Marquess of Queensberry and elaborates on the precarious legal situation that effectively quashed any prospect of a withdrawal from the lawsuit without dire consequences He examines the medical and psychiatric aspects of Wilde's two year imprisonment and reveals for the first time and based on the original Home Office records the machinations among prison officials and doctors to cover up Wilde's state of health Wilde's medical history is presented with an expert evaluation of his terminal illness including a resolution of the syphilis controversy Robins details Wilde's tangled matrimonial affairs during his imprisonment and goes on to disclose the manoeuvres adopted by friends to secure his early release citing hitherto unpublished letters to show that bribery of prison personnel was seriously contemplated The issue of homosexuality is discussed not only in relation to Oscar Wilde but from the broader historical legal and biological perspective The author portrays Wilde's character and behaviour through the images he projected onto society

by the strong but mixed public reaction to him and by the quality of his interpersonal relationships with his wife family and close friends Finally Wilde s personality is assessed using internationally accepted diagnostic criteria and in an unusual and innovative experiment a group of Wildean scholars completed a psychological questionnaire as if they were doing so for Oscar Wilde himself Drawing on these findings and on his own extensive psychiatric experience Ashley Robins concludes that Wilde had a disorder of personality that culminated in the final and tragic phase of his life **San Francisco 2007**

Cutting a Figure Richard J. Powell,2008 Examining portraits of black people over the past two centuries Cutting a Figure argues that these images should be viewed as a distinct category of portraiture that differs significantly from depictions of people with other racial and ethnic backgrounds The difference Richard Powell contends lies in the social capital that stems directly from the black subject s power to subvert dominant racist representations by evincing such traits as self composure self adornment and self imagining Powell forcefully supports this argument with evidence drawn from a survey of nineteenth century portraits in depth case studies of the postwar fashion model Donyale Luna and the contemporary portraitist Barkley L Hendricks and insightful analyses of images created since the late 1970s Along the way he discusses major artists such as Fr d ric Bazille John Singer Sargent James Van Der Zee and David Hammons alongside such overlooked producers of black visual culture as the Tonka and Nike corporations Combining previously unpublished images with scrupulous archival

research Cutting a Figure illuminates the ideological nature of the genre and the centrality of race and cultural identity in understanding modern and contemporary portraiture *Masks and Human Connections* Luísa Magalhães, Cândido Oliveira Martins, 2023-01-31 This interdisciplinary collection explores four distinct perspectives about the mask as object of use for protection identity and disguise In part I contributors address human identities within collective social performance with chapters on performativity and the far right and masked identities in political resistance and communication Part II focuses on the mask as a signifying object with strong representational challenges exploring representations in festivals literature and film Part III investigates the ambiguous use of the mask as a protective and concealing element delving into visual culture and digital social media contexts Finally Part VI draws on the work of Levinas and Deleuze to investigate a philosophical view of the mask that addresses memory and ethics within intersubjective relationships Questioning the contemporary world using communication sociology visual culture and philosophical theory the volume provides a pedagogical and formative perspective on the mask

Eleanor Marx (1855-1898) John Stokes, 2017-05-15 Karl Marx's youngest daughter Eleanor 1855-98 is one of the most significant figures in the cultural politics of the late nineteenth century As a feminist and radical socialist she never flinched from confrontation as an aspiring actress working journalist and literary translator she advanced contemporary understanding of Flaubert Ibsen and Shakespeare This collection of newly commissioned essays helps to establish the full extent of her outstanding achievements *Tame Passions of Wilde* Jeff Nunokawa, 2009-01-10 What if our strongest urges could be divested of their power to compel yet retain their power to fascinate us What if our most basic appetites could be translated from the realm of bodily necessity to the sphere of artistic freedom Jeff Nunokawa traces the variety of social pressures that inspired Oscar Wilde's lifelong effort to concoct forms of desire that thrill without menacing us as well as the alchemies by which he sought to do so Assigning Wilde a place of honor in a heady company of thinkers drawn from the ranks of philosophy sociology economics psychoanalysis and contemporary queer theory Kant Marx Simmel Weber Freud Hannah Arendt Albert O. Hirschman Erving Goffman Judith Butler Eve Sedgwick and of course Michel Foucault this is the first book to recognize Wilde not only as a blatant symptom of a familiar understanding of modern sexuality but also as a grand theorist of the subject in his own right The result is a wholly original portrait of the artist as a social critic who in the midst of his humor labored to illuminate and amend the book of love

Aleister Crowley Roger Hutchinson, 2011-11-04 Aleister Crowley 1875-1947 mystic writer poet astrologer sexual revolutionary painter mountain climber and social critic has a terrifying reputation The contemporary press labelled him the wickedest man in the world while he called himself the great beast Crowley dabbled in the occult supported Germany in the First World War was addicted to opiates and many who associated with him died tragically in mysterious circumstances Working from the starting point that behind the demonic reputation there stood a human being and that beyond the self-proclaimed black magician there was a man hungry for publicity and fame Roger Hutchinson lifts the smokescreen of
