Oscars Greatest Moments 1971 To 1991:

African Americans and the Oscar Edward Mapp, 2008 At the 2007 Academy Awards ceremony an unprecedented number of Black performers received acting nominations and two of the statues awarded that evening went to Forest Whitaker and Jennifer Hudson Indeed since 2000 more African Americans have received Oscars than in the previous century While the last few years have seen more and more Black performers receive acknowledgment by the Academy it hasn't always been that way African Americans and the Oscar A Decade of Struggle and Achievement highlights the advancements Black performers have made on the silver screen and how those performances were honored by the Academy In the Academy's first 40 years less than ten African Americans were cited for their work on screen and only two Hattie McDaniel and Sidney Poitier received competitive awards before the 1980s This book profiles all the nominees and recipients of the coveted award in the acting writing and directing categories beginning with the first McDaniel's Best Supporting Actress win for her role in *Gone with the Wind* 1939 Each entry organized chronologically and by name provides valuable information about how the role or film was viewed during its time and also places it in historical context by drawing connections to other related awards or events in film history In the introduction Mapp's overview of the nomination process helps explain the historically low percentage of African Americans who have been nominated or received the honor Also appendixes provide lists of non acting directing nominees and winners overlooked performances and performers of nominated songs Highlighting the achievements of Sidney Poitier Whoopi Goldberg Halle Berry Morgan Freeman Spike Lee Jamie Foxx Denzel Washington and others this volume provides an enlightening history of the Black experience in Hollywood and will fascinate fans of all ages **The Bob**

Hope Films James L. Neibaur, 2005-01-10 Bob Hope got his start in show business when he was in his twenties remained active past the age of 90 and lived to be 100 His longevity was remarkable especially when one considers that he was active in vaudeville radio motion pictures and television He excelled in each of these popular forms of entertainment but his films are the most genuine testaments to his timeless comedy His smart quips fast pace and breezy manner were perfect ingredients for the brand of comedy that was popular during World War II and the years immediately following the war This book begins with a discussion of Bob Hope's early career and the short films that he starred in and then covers each of the Hope films beginning with *The Big Broadcast* of 1938 The Hope films the author says do not have deep subtexts or clever cinematic innovations but provide clever uplifting entertainment that continues to inspire laughter and offer solid examples of the humor that made Americans smile during and after World War II Cast and credit information is provided for each film
