Osho Zen Tarot Osho, 1995-04-15 Osho Zen Tarot from the 1 bestselling mystic and spiritual author Osho When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration what will happen in the future What about my health the children What will happen if I make this decision and not that one This is how the traditional tarot is often used to satisfy a longing to know about the past and future The Osho Zen Tarot focuses instead on gaining an understanding of the here and now It is a system based on the wisdom of Zen a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings even though we ourselves might be unclear about what those thoughts and feelings are So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple straightforward and down to earth language of Zen Tarot Pocket Edition Osho, 2021-10-12 Our bestselling Osho title now in a perfect pocket package The Osho Zen Tarot is our number one selling Osho title with over 360 000 copies sold The pocket edition takes this beloved tarot card deck book bundle and shrinks it down to the perfect pocket and travel size When life seems to be full of doubt and uncertainty we tend to look to the future as a source of reassurance The Osho Zen Tarot focuses instead on gaining an understanding of the here and now It is a system based on the wisdom of Zen which shows that the outer world simply reflects our own thoughts and feelings even as we might be unclear about what those thoughts and feelings are Tarot in the Spirit of Zen Osho, 2003-06-05 One of the twentieth century s greatest spiritual teachers presents a unique and valuable resource for all students and practitioners of the Tarot A must have for owners of the phenomenally popular Osho Zen Tarot this in depth study of the meanings of the cards in the Osho Zen Tarot deck will also appeal to those who use the Rider Crowley and other more traditional cards The here and now approach of Zen offers the insight that the future evolves out of present events ideas and attitudes Playful and accessible even to the novice this remarkable handbook includes a table of correspondences for the Rider Waite and Crowley cards and special sections on the meanings of the four major elements or suits in the Tarot system Tarot in the Spirit of Zen introduces readers to a deeper understanding of the Zen approach to becoming aware of and responding to life s challenges Just like the Osho Zen Tarot deck this book offers a fresh and contemporary approach to anyone who is interested in self exploration and personal transformation Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world Osho Zen Tarot
