their whole heart those who are not afraid to drink the wine of the divine because when you drink that wine you will lose all your senses you will lose all control over your life The last morning star symbolizes all that is ephemeral in the world Daya reaches the truth through the intensity of her heart as she journeys on the passionate path of devotion Indian Books in Revelations Paul Roland, 1995 **Enlightenment : The Only Revolution** Osho, Swami Yoga Pratap Print .2003 Bharati, Swami Chaitanya Kabir, Kamaal (Ma.), 1997 Extemporaneous talks given by the author at the OSHO International Meditation Resort Pune India The Message Beyond Words: The Illusion of Death and the Reality of Living: Talks on the Kathopanishad Osho, 2025-04-10 The Message beyond Words is an invitation to understand what death really is and thus transform the way you live These talks are based on the ancient Kathopanishad which tells the story of a small boy Nachiketa who is sent by his father to face the Lord of Death This Upanishad is traditionally read as someone is dying to inspire the people they love the people who are present to begin their search for a conscious life By exploring the methods described in this book a person frozen in their fear of death can melt flow and really begin to live for the first time Once you really face your fears about death says Osho your life will automatically transform and become conscious joyful and silent Osho defies all categorization As he says I am not much of a religious person I am not a saint I have nothing to do with spirituality All those categories are irrelevant about me You cannot categorize me you cannot pigeonhole me But one thing can be said that my whole effort is to help you release the energy called love intelligence If love intelligence is released you are healed
