

призы/награды. Каждая участница, которая приняла участие в групповых занятиях, должна получить соответствующий сертификат.

Во время проведения групповых занятий следует принять во внимание, что на четвертом и восьмом занятиях будет проводиться промежуточное **оценивание**, а на двенадцатом – итоговое (анкеты содержатся в раздаточных материалах соответствующих занятий). На этапе оценивания выявляют соответствие достигнутых результатов поставленным целям. С этой целью часто обновляют в памяти перечень занятий, а затем фасилитаторы и участники группы высказывают свои мысли, отвечают ли им достигнутые результаты. Нередко в такие минуты звучат слова благодарности.

4.6. Окончание отношений с клиентками

На этом этапе особенно важно проанализировать, как человек реагирует на это, ведь нередко связь с социальным работником может быть единственной жизненной опорой. На переживания, вызванные окончанием отношений с социальным работником, влияют индивидуальные способности человека переносить жизненные потери. В любом случае запланированное окончание отношений должно быть постепенным с целью ослабления вероятных негативных эмоций клиентки. Главное, чтобы клиентка не чувствовала себя брошенной. Рациональной стратегией на этом этапе является привлечение клиентки к участию в разнообразных группах поддержки, самопомощи, которые действуют при организации или в других общественных, религиозных организациях и т.д.

Окончание участия в групповых занятиях имеет целью дать клиентке возможность оценить свои достижения и поддержать позитивное поведение. Для этого последнее занятие предусматривает использование ряда упражнений («Письмо себе, любимой») и анкетирование (анкета содержится в раздаточном материале к занятию № 12).

Окончание индивидуальной работы предусматривает:

- самозаполнение клиенткой анкеты (*приложение 8*);
- повторное заполнение формы оценки потребностей (*приложение 3*);
- общение с кейс-менеджером, направленное на поддержание у клиентки оптимистического самочувствия.

Если происходит досрочное прекращение отношений в связи с нежеланием продолжать участие в программе или разрешением имеющихся проблем, например, трудоустройством, то также следует, по возможности, провести оценку ситуации.

Клиентка может быть исключена из обучающего курса «Мастерская возможностей» в случае, если она:

- 1) пропустила первое и/или второе занятие из цикла групповых занятий;
- 2) пропустила два занятия без отработки (с 3 по 12 сессии);
- 3) отказалась от сотрудничества и выполнения рекомендаций (на основе решения мультидисциплинарной команды).
