The People's Bible: John Joseph Parker, 1893 *The Report of the British and Foreign Bible Society* British and Foreign Bible Society, 1908 Vols 1-64 include extracts from correspondence **An History of the Holy Bible** Thomas Stackhouse, 1787 Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book

Bible Society Record ,1914 **World Christianity Encounters World Religions** Edmund Kee-Fook Chia,2018-10-23

Synthesizing the thinking of the most prominent scholars Professor Edmund Chia discusses practically everything that should be known about Christianity s encounter with other religions in this comprehensive book Topics include the invention of the idea of World Religions and World Christianitythe Bible and the church s attitude toward other faithsVatican II Asian Christianity and interfaith dialoguethat what why when and how of dialoguethat the global ecumenical movementtheologies of religious pluralismcross textual hermeneuticscomparative theologyinterfaith worshipreligious syncretismmultiple religious belonginginterfaith learning in seminaries The Bible's Tare and Blind Spot Steven Iruthaya,2012-08 For many of us

theology rather than the Bible itself comprises our knowledge of God This knowledge however is a gift from the Holy Spirit In order to find it we must allow the Holy Spirit to direct us when we read the Bible instead of relying upon theologians interpretations The Bible s Tare and Blind Spot takes a hard look at the diverse complex and sometimes incompatible beliefs of various Christian groups Author Steven Iruthaya shares how portions of the Church have misrepresented and misapplied the teachings in the Scriptures over the past two thousand years Through analysis he contends that religious leaders have agendas that they do not always make clear Iruthaya raises a number of significant issues that have caused discussions and controversies throughout the history of the church He briefly explores early middle and modern Christianity s doctrines and then focuses on pertinent topics such as the Holy Spirit the life of Jesus the Ten Commandments and more His conclusions are challenging and for some perhaps provocative An informative treatise on Christianity The Bible s Tare and Blind Spot calls Christians to challenge their long held assumptions and in doing so find greater faith *Forgotten Scriptures* Lee Martin McDonald,2009-01-01 The early Christian church had a variety of Scriptures and other source material that informed their faith and shaped their thinking But after a few centuries the church decided to keep the twenty seven books of our present New Testament and to treat them as a canonical in faith and practice But what of the other books Many of them have survived and remain valuable for understanding the diversity of the early Christian church and the astounding claims of faith on which it was founded Learning about these ancient documents need not threaten the church s current orthodoxy and authority in fact learning about these texts can help today s Christians form a deeper understanding of the early church

volume celebrates Daniel Patte s work with essays from international scholars and professionals **Declaration of Independence of the People of God** Richard Lane,2023-07-24 In a time when the people are separated by theology philosophy divisions and schisms of different doctrines tongues interpretations and religions which is the right one and which

is the wrong one How do they know their going the right way and how do they know they are not themselves being deceived When it is easier to lead others astray than to preach and teach the Gospel it becomes harder to convince the people of uncorrupt unwatered down unsugarcoated Scripture truth as it is written there will be a time when sound doctrine will not be tolerated 2 Tim 4 3 For far too long have we become engrossed in what other people say is or is not the truth For far too long have people become in bondage with specific beliefs and religious systems that are doomed to fail fall and falter Unfortunately just as God had to be patient for the wickedness of Lucifer to be fully revealed and evidence seen before God could expel Satan to the earth God had to let the works of Satan in the guise of religions to be fully manifested for it to be realized exactly what he has done Many see the puzzle pieces as it is shown in this book but only a few see the big picture Take it out of the frame and it falls apart Just as it is written a kingdom divided against itself cannot stand Judgment has sat therefore it has hereby officially fallen into pieces Many ministers prophets and others have spoken of and prophesied of a change that God is bringing to the church worldwide and that something big by God is coming Many wished to see it during their time and many hoped to see it during their life That time has now come and it has already begun Here is the sentence of God The kingdom the dominion and the greatness of the kingdom of God on earth is taken away from the little king in the physical and from Satan in the spiritual and is given to the people of the Most High the only Holy Father Yehovah and Yeshua the High Priest the Head of the whole Church of the Living God worldwide Woo [The Main LDS Books](#) William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, B.
