The Other Child Linda Scotson, 2024-04-23 In *The Other Child* Linda Scotson looks at the impact on a child at the arrival of a handicapped sibling Lili Linda Scotson's daughter was only two when Doran was born and she has been Doran's companion motivator carer in fact sister extraordinaire In helping Doran she has had to cope with other problems with the loss of her father ill health and her own minor neurological difficulties But she has done so with courage and determination What do siblings lose growing up with a brother or sister with brain injury and what do they gain How does the hostility and indifference of the outside world affect these children's lives Becoming carers themselves do they miss out on parental care from weary and overstretched parents How do they reach an understanding often when very young of what their injured sibling can and cannot do Shining through these stories is the love the humor and the constancy with which these children approach their very difficult family position many of them in adulthood continuing to care for the handicapped companion of their childhood By drawing attention to these children Linda Scotson not only pays tribute to their qualities but also shows how unjust the system is towards those parents struggling to keep their brain injured child within the family She argues for a greater network of support systems for the healthy siblings and a greater understanding of the new home treatment programs for injured children programs in which the whole family as a team can participate This will be an invaluable book for parents of brain injured children and for all those professionally involved in the care of such families **EU Law on**

Maternity and Other Child-Related Leaves Miguel De la Corte-Rodríguez, 2019-09-04 Although proven effective in protecting pregnancy giving birth and breastfeeding that is the biological differences of women related to maternity the current European Union EU legislative framework on maternity leave tends to overlook the roles of both parents especially during the post delivery period of bonding with the child This framework along with EU law on parental leave which does not encourage an equal take up of the leave gives rise to serious issues of gender equality affecting both men and women This deeply researched and urgent book proposes alternative options for future EU law on child related leave which can be applied to both employees and self employed workers to mitigate these limitations and side effects Analysing the various EU Directives which directly or indirectly relate to maternity leave paternity leave adoption leave and parental leave as well as the corresponding case law of the Court of Justice of the EU the author uses a social risk approach and tackles the following issues narrow focus of the legislation on the delivering mother's incapacity to work in practice excessive emphasis on the protection of the delivering mother silent assent to the unequal distribution of caring responsibilities within the family lack of attention to women's labour market outcomes and the new direction followed by the recently adopted Directive on work life balance The research focuses on working parents including non delivering parents in same sex couples or adoption and includes a comparative analysis of the law of six countries Belgium Ireland Spain the United Kingdom Sweden and Portugal chosen to illustrate the variety of national schemes available and how their desirable features can be introduced into EU law

A more balanced design of child related leave is a must in today's society for reasons of fairness and also for economic considerations. This complete analysis of EU legislation and case law about child related leave including the first ever systematic and in depth analysis on whether maternity leave can be considered discriminatory against fathers and a review of economic literature on how child related leave affects the situation of women in the labour market offers forward looking solutions for child related leave to enhance gender equality. Practitioners and nongovernmental organisations dealing with EU and national matters related to labour and employment law, social security law and gender equality law will welcome this important book as will academics and policymakers interested in maternity and other child related leaves. **The Other**

Child Joanne Fluke, 2014-07-29 Where Innocence Dies Expectant parents Karen and Mike Houston are excited about restoring their old rambling Victorian mansion to its former glory. With its endless maze of rooms, hallways and hiding places it's a wonderful place for their nine year old daughter Leslie to play and explore. Unfortunately they didn't listen to the stories about the house's dark history. They didn't believe the rumors about the evil that lived there. The Nightmare Begins. It begins with a whisper. A child's voice beckoning from the rose garden. Crying out in the night. It lures little Leslie to a crumbling storm door. Down a flight of broken stairs. It calls to their unborn child. It wants something from each of them. Something in their very hearts and souls. Tonight the house will reveal its secret. Tonight the other child will come out to play. **The**

Other Child Charlotte Link, 2021-11-15 With more than fifteen million copies of her novels sold in Europe, Charlotte Link makes her chillingly psychological American debut now in English for the first time. A suspenseful atmospheric new psychological crime novel from Germany's most successful living female author. An old farm, a deserted landscape, a dark secret from times past with fatal consequences for the present. In the tranquil northern seaside town of Scarborough a student is found cruelly murdered. For months the investigators are in the dark until they are faced with a copy cat crime. The investigation continues but they are still struggling to establish a connection between the two victims. Ambitious detective Valerie Almond clings to the all too obvious a rift within the family of the second victim. But there is far more to the case than first appears and Valerie is led towards a dark secret inextricably linked to the evacuation of children to Scarborough during World War II. Horrified at her last minute discovery Valerie realizes that she may be too late for action. **Child**

Development Douglas Davies, Michael F. Troy, 2020-03-13 Now in a revised and updated fourth edition, this trusted text and professional resource provides a developmental framework for clinical practice. The authors examine how children's trajectories are shaped by transactions among family relationships, brain development and the social environment. Risk and resilience factors in each of these domains are highlighted. Covering infancy, toddlerhood, the preschool years and middle childhood, the text explores how children of different ages typically behave, think and relate to others. Developmentally informed approaches to assessment and intervention are illustrated by vivid case examples. Observation exercises and quick reference summaries of each developmental stage facilitate learning. New to This Edition: Incorporates a decade's worth of

advances in knowledge about attachment neurodevelopment developmental psychopathology intervention science and more Toddler preschool and school age development are each covered in two succinct chapters rather than one making the book more student friendly Updated throughout by new coauthor Michael F Troy while retaining Douglas Davies s conceptual lens and engaging style *Law and Ethics for Australian Teachers* Mark Butlin,Noeleen McNamara,Kerrie Anglin,2021-06-28
