Stabbed in the Other I Bernard Fife, 2015-09-25 This novel is a follow up sequel to my first which was called Stabbed in the I It is my impression that the reader of this book will see the ironic situation that I have been placed in while being a law enforcement officer To issue a statement in their sheriff office Mission Goals and then to fall short of those expectations is the greatest failure that anyone can experience On the cover of my first novel I have a black ribbon next to a badge As I am injured for life I did not place the ribbon across that badge which is held exclusively for those who have paid the ultimate price in law enforcement Perhaps the other I would stand for irony Being a law enforcement officer and having the same agency violate the civil rights of one of its own is reprehensible The Other and I Axel Schauder, 2025-04-30 When Axel Schauder author and first person narrator of this very special biographical novel looks back on his life and that of his family there is a lot to tell not only the problematic relationship with his father but also among other things the escape from the GDR and various experiences with women in his youth shaped him The reader gains deep honest and moving insights as they get to know the many people who have played an important role in the life of the first person narrator The story is repeatedly traced back to the starting point namely the relationship with him his father Almuric and Other Fantasies Robert E. Howard, 2018-01-19 The creator of Conan looks to the stars in one of fantasy s most enduring science fantasy classics Robert E Howard s Almuric is a savage planet of crumbling stone ruins and debased near human inhabitants Into this world comes Esau Cairn Earthman swordsman murderer Only he can overthrow the terrible devils that enslave Almuric but to do so he must first defeat the inner demons that forced him to abandon Earth Filled with vile beasts and thrilling adventure in the tradition of Edgar Rice Burroughs Almuric is one of Howard s few novels and an excellent yarn from one of America s most distinct literary voices **Being-In, Being-For, Being-With** Clark E. Moustakas, 1995-01-01 This text examines a series of pervasive themes of human existence and the challenges of being and relating Areas investigated include the nature and meaning of being different possessiveness and being possessed and dimensions of loneliness mystery and self disclosure *I Cry at the Feet of My Other Body* Mustapha Enesi, 2025-09-26 As far as modern Nigerian literature goes *I Cry at the Feet of My Other Body* is undoubtedly one of the finest It does not shy away from examining gendered violence and vulnerability but at the same time it appreciates the mercies of resilience ritual and solidarity The Moveee Every work in Mustapha Enesi s collection dazzles with the immediacy and flair of a natural storyteller Both deft and enlightened they reveal the cycle of life and death through the lives of women Brilliantly interlaced stories of resilience invention and linguistic verve Catherine McNamara Mustapha Enesi explores the lives of Nigerian women their struggles resilience and the societal pressures that shape their existence From the fiercely independent Simbi battling a life altering diagnosis while confronting community expectations to the ageing Mrs Silifa grappling with an unexpected pregnancy and a complex relationship with a younger man these stories paint a rich imagery of womanhood Experience the quiet desperation of a woman losing her memory and

reliving past traumas the hidden sorrows of a mother whose palm reading gift comes at a profound personal cost and the journey of Immaculate seeking freedom and purpose beyond the confines of a religious institution Through these 12 stories that touch on themes of loss societal judgment and the relentless search for happiness Enesi crafts a compelling and deeply human portrait of women striving to define themselves amidst the complexities of Nigerian life [Tell Me a Riddle, Requa I, and Other Works](#) Tillie Olsen, 2013-09-01 A century after her birth Tillie Olsen's writing is as relevant as when it first appeared indeed the clarity and passion of her vision and style have if anything become even more striking over time Collected here for the first time are several of Olsen's nonfiction pieces about the 1930s early journalism pieces and short fiction including the four beautifully crafted highly celebrated stories originally published as Tell Me a Riddle I Stand Here Ironing Hey Sailor What Ship O Yes and Tell Me a Riddle Also included for the first time since it appeared in the 1971 Best American Short Stories is Requa I In these stories as in all of her work Olsen set a new standard for the treatment of women and the poor and for the depiction of their lives and circumstances In her hands the hard truths about motherhood and marriage domestic life labor and political conviction found expression in language of such poetic intensity and depth that its influence continues to be felt today An introduction by Olsen's granddaughter the poet Rebekah Edwards and a foreword by her daughter Laurie Olsen provide a personal and generational context for the author's work *Why I'm an Only Child and Other Slightly Naughty Plains Folktales* Roger L. Welsch, 2016-03 2017 Nebraska Book Award Nonfiction Folklore One day Roger Welsch ventured to ask his father a delicate personal question Why am I an only child His father's answer is one of many examples of the delightful and laughter inducing ribald tales Welsch has compiled from a lifetime of listening to and sharing the folklore of the Plains More narrative than simple jokes and the product of multiple retellings these coarse tales were even delivered by such prudish sources as Welsch's stern and fearsome German great aunts Speaking of cucumbers and sausages in a toast to a newly married couple the prim and proper women of Welsch's memory voice the obscene and unspeakable in stories fit for general company Why I'm an Only Child and Other Slightly Naughty Plains Folktales is Welsch's celebration of the gentle and evocative bits of humor reflecting the personality of the people of the Plains **I Wouldn't Have It Any Other Way** Samuel Myers Sr., 2010-09-30 When it comes to the final analysis all of us has a story to tell The problem is that to tell it takes a lot of will and patience And when you think about it willingness and patience are not some things that a lot of people have I titled this book I Wouldn't Have It Any Other Way This title was not just chosen there is a reason behind me coming up with this title After reading this book no doubt many are saying within yourselves How in God's world did he arrive at this title after having experienced all of the things that he has experienced When I look at my parents siblings and those that have shared many of the same experiences that I have I decided to use all of these things as a stepping stone not as a stumbling block I viewed these occurrences through the eyes of God When I did I said that I would not have it any other way All of the different things that I personally have been through have enabled me to draw closer to

God Having such an intimacy with God has caused me to get to places in Him that I never imagined I am mindful of the passage of scripture that is found in Romans 8 28 This scripture says that And we know that all things work together for the good to them that love God to them who are the called according to his purpose This being said I feel that all things that were mentioned in the content of this book both the good and not so good have happened for my betterment These are the things from my days of my infancy to this present time With that being said it was in the plan of God that I was born to Boston and Evelyn Myers The things that they went through under the sharecropping system and the Jim Crow laws have helped me to value God and the things of God The loss of my mother at an early age caused me to put my trust in God for my survival The woodpile experience helped me to prepare for the establishment of a genuine relationship with God Lastly the union with Mary Elizabeth was not an accident This most definitely was in the plan of God My three sons that came out from this union was also in the plan of God What can I say I cannot say anything but that I Will Not Have It Any Other Way Ghosts I Have Seen, and Other Psychic Experiences Violet Tweedale,2022-07-20 In Ghosts I Have Seen and Other Psychic Experiences Violet Tweedale explores the ethereal realm of the supernatural intertwining personal anecdotes with her rich lyrical prose This collection of narratives delves into her encounters with ghosts and various psychic phenomena richly illustrated through vivid detail and evocative imagery The book sits at the intersection of Victorian fascination with spiritualism and the emerging field of psychological inquiry reflecting the era s burgeoning interest in the occult and the unseen forces believed to influence human life Violet Tweedale a prominent figure in early 20th century spiritualism draws upon her own experiences as a psychic medium and her extensive social connections with other contemporaneous practitioners The influences of her upbringing and her active participation in the spiritualist movement of her time provided her with both the literary and experiential foundation necessary to compose this intriguing work Her narrative is not only a reflection of her own beliefs but also a response to the cultural milieu that questioned the boundaries between the tangible and the mystical For readers intrigued by the paranormal or the historical context of spiritualism Ghosts I Have Seen serves as a compelling window into the complexities of human perception Tweedale invites the reader to consider the deeper questions of existence and the unseen dimensions of life making this book a worthwhile exploration for both enthusiasts and skeptics alike **Why I am an Atheist and Other Works** Bhagat Singh,2019-11-11 Bhagat Singh is a name that became synonymous with revolution in India s struggle for Independence This young boy brought about a change in the way people thought about freedom He was well read and fought extensively for rights his own his comrades and his countrymen s A discussion with a friend soon turned into a matter of self assessment for Bhagat Singh leading to a discourse on why he chose to be an atheist Even in the face of death at a very young age his uncanny observation leads to his putting forth some pertinent questions On another occasion he was disappointed with his father s plea in court for his innocence and chose to write a letter to him This book is a collection of eighteen of his valued writings from within the walls of prison and outside it which show us the resolve

I'm Fine...And Other Lies Whitney Cummings,2021-02-02 Whitney Cummings has written a book about being well not fine and what to do when you find yourself with brutal anxiety and a co dependency disorder all in her trademark wit humor and honesty This book however is fine as hell Sophia Amoruso author of Girlboss The funniest cry for help you ll read this year BJ Novak Well well well Look at you ogling my book page I presume if you re reading this it means you either need more encouragement to buy it or we used to date and you re trying to figure out if you should sue me or not Here are all the stories and mistakes I ve made that were way too embarrassing to tell on stage in front of an actual audience but thanks to not so modern technology you can read about them here so I don t have to risk having your judgmental eye contact crush my self esteem This book contains some delicious schadenfreude in which I recall such humiliating debacles as breaking my shoulder while trying to impress a guy coming very close to spending my life in a Guatemalan prison and having my lacerated ear sewn back on by a deaf guy after losing it in a torrid love affair In addition to hoarding mortifying situations that ll make you feel way better about your choices I ve also accumulated a lot of knowledge from therapists psychotherapists and psychopaths which can probably help you avoid making the same mistakes I ve made Think of this book as everything you d want from the Internet all in one place except without the constant distractions of ads online shopping and porn I m not sure what else to say to say except that you should buy it if you want to laugh and learn how to stop being crazy And if we used to date see you in court
