

justice" that will help citizens bring into law their natural rights. That the best arguments according to nature do not, according to Aristotle, seem to establish overriding claims of justice suggests to me that we may be wrong in assuming that he believes that it is important for citizens to identify a "correct conception of justice." I develop this argument about political justice in my own book on Aristotelian political thought, *The Problems of a Political Animal*. But on this point I am the one who is challenging conventional wisdom, so I shall not develop it further here.

For the most part, Miller's book is a reliable guide through the controversial terrain that surrounds most of Aristotle's arguments about politics. It will both enlighten students new to the world of the *Politics* and stimulate the minds of those scholars who have long wandered this territory.

—Bernard Yack

THE HAPPINESS OF OTHERS

Paul Schollmeier: *Other Selves: Aristotle on Personal and Political Friendship*. (Albany: State University of New York Press, 1994. Pp. ix, 222. \$49.50.)

Professor Schollmeier's book, *Other Selves: Aristotle on Personal and Political Friendship*, joins a growing list of recently published works on the subject of friendship in general and Aristotle's theory of *philia* in particular. The stated motivation for the present volume is twofold: first, to reassert the place of Aristotle's theory within the current discourse on friendship in moral philosophy, and second, to strike new ground on interpretative questions concerning the theory itself. It might be added that the central role of Aristotle's discussion of *philia* within his ethical treatises themselves cannot be denied as *philia* has been claimed to connect the practical and theoretical parts of the good life (Burnet, *The Ethics of Aristotle* [1900], p. 345). At any rate, the topic constitutes a good fifth of his analysis in the *Nicomachean Ethics*, and nearly as large a portion in the *Eudemian Ethics*. Furthermore, the recent attention to the subject of friendship in modern, Anglo-American publications in moral philosophy (see, for example, Lawrence Blum, *Friendship, Altruism, and Morality*, 1980) indicates the need for nonhistorians to reconsider the value of the Aristotelian theory of friendship. On the question of specific interpretive issues within Aristotelian scholarship, this book takes up some of the more central ones, including the nature of the object and the motivation for friendship, the relation among the three kinds of personal friendship, and the similarity between justice and political friendship. The last area also deserves treatment in virtue of texts which seem to indicate both that political friendship is a precondition for justice, and that justice is a precondition for political friendship.

Schollmeier seeks to provide answers to these problems by means of a general framework that considers that both our personal and political relationships consist in various kinds of relations to "another self." What Schollmeier intends by the notion of a relation to another self is that in all

Other Selves Aristotle On Personal And Political Friendship:

Other Selves Paul Schollmeier, 1994-01-01 This book presents a thorough and systematic integration of Aristotle's analysis of friendship with the main lines of the rest of his work in Politics and Nicomachean Ethics The author conveys a clear sense of the continuing illumination that Aristotle's analysis of friendship provides to contemporary ethical theorists and to students of Aristotle *Other Selves* speaks to both audiences

Other Selves Paul Schollmeier, 1994-09-20 This book presents a thorough and systematic integration of Aristotle's analysis of friendship with the main lines of the rest of his work in Politics and Nicomachean Ethics The author conveys a clear sense of the continuing illumination that Aristotle's analysis of friendship provides to contemporary ethical theorists and to students of Aristotle *Other Selves* speaks to both audiences

Strong Liberalism Jason A. Scorza, 2008 In this age of total war on terrorism many liberals fail to recognize the dangers of adopting the methods of their enemies of meeting propaganda with propaganda cruelty with cruelty and violence with violence Other liberals reject even modest efforts to teach and regulate good citizenship fearing that in doing so they will come to resemble their enemies Can liberal democracy be strengthened and secured without either compromising basic liberal principles or emasculating fundamental liberal purposes The great totalitarian regimes of the twentieth century are gone but the need for strong liberalism has never been more urgent Jason A. Scorza argues that liberalism can generate an account of citizenship responsive to such pressing contemporary challenges as political fear political apathy and conformist political membership Strong Liberalism is founded on understanding thoroughly the canonical defenders of liberal democracy John Stuart Mill John Rawls and Judith Shklar moving beyond the thinking of prominent contemporary theorists Stephen Macedo William Galston and Thomas Spragens and parrying the arguments of liberalism's critics Benjamin Barber Michael Sandel and Mary Ann Glendon Scorza imparts a sharp theory of strong liberalism that summons liberal philosophy to the battlefield of the inner life of politics and recalls it to its own essential but often overlooked strengths civic friendship political courage political self reliance civic toleration and political irreverence The theory of strong liberalism accepts that civic strength is rooted in civic pluralism Liberal democracy is best served by the cultivation of multiple examples of good citizenship rather than by the insistence that a single ideal civic character can be identified and universally imposed through civic education

Gender and Authority in the Late Medieval Church Ian Forrest, 2025-06-15 Gender and Authority in the Late Medieval Church asks a deceptively simple question How did the governance of the medieval institutional church remain exclusively male despite plentiful evidence of women being as capable and devout as men The remarkable endurance of an all male clergy is an important element of medieval church government one that is frequently taken for granted in the historiography and is connected to another overlooked feature of episcopal authority the strategies that bishops used to secure the compliance of a relatively autonomous clergy As Ian Forrest shows bishops kept their clergy in check through normative standards of masculinity that necessarily disqualified women from leadership roles Everywhere in the medieval

church were women who had the capacity the resources and often the ambition to take part in governance from abbesses to priests servants mothers sisters and unofficial wives Bringing together evidence of female activity at the margins of the institutional church Forrest argues that the male monopoly on formal power was haunted by female capability and aspiration at every turn Drawing on case studies from the English diocesan clergy between the mid thirteenth and early sixteenth centuries he explores how women s involvement in governance was rendered unthinkable through the very discursive strategies that bishops used to control their male clergy In doing so *Gender and Authority in the Late Medieval Church* tells an integrated history that explains how both the exclusion of women and the inclusion of men underpin a rigidly gendered system of religious governance *Friendship and Hospitality* Dongfeng Xu,2021-08-01 The Jesuit mission to China more than four hundred years ago has been the subject of sustained scholarly investigation for centuries Focusing on the concepts of friendship and hospitality as they were both theorized and practiced by the Jesuit missionaries and their Confucian hosts this book offers a new comparative and deconstructive reading of the interaction between these two vastly different cultures Dongfeng Xu analyzes how the Jesuits presented their concept of friendship to achieve their evangelical goals and how the Confucians reacted in turn by either displaying or denying hospitality Challenging the hierarchical view in traditional discourse on friendship and hospitality by revealing the irreducible otherness as the condition of possibility of the two concepts Xu argues that one legacy of the Jesuit Confucian encounter has been the shared recognition that cultural differences are what both motivated and conditioned cross cultural exchanges and understandings *Aristotle's Quarrel with Socrates* John Boersma,2024-03-01 Aristotle s Quarrel with Socrates is an account of the role friendship plays in ancient political thought Examining Platonic dialogues and Aristotle s ethical and political treatises John Boersma makes the case that the different stances Aristotle and Socrates take toward politics can be traced to their divergent accounts of friendship Aristotle s Quarrel with Socrates brings to the fore the tension that exists between the philosophic life as exemplified by Socrates and the life devoted to politics It goes on to argue that Aristotle s account of a friendship of the good based on human excellence can reduce not to say eliminate this tension enabling the development of a political community that is organized for action in history **Applied Political Theory and Canadian Politics** David McGrane,Neil Hibbert,2019-01-01 Bringing together political theorists and specialists in Canadian politics *Applied Political Theory and Canadian Politics* combines conceptual frameworks from political theory and empirical evidence to offer fresh perspectives on political events in contemporary Canada Examining complex and timely subjects such as equality social justice democracy citizenship and ethnic diversity contributors present current and archival research supplemented with insights drawn from political theory to give readers a deep and nuanced understanding of increasingly pressing issues in Canadian society For scholars and students seeking a work of political theory that is tangible focused and connected to the real world of everyday politics *Applied Political Theory and Canadian Politics* will be an important resource combining philosophical insights and

empirical evidence to enhance our understanding of contemporary Canadian politics *Hierarchy, Unity, and Imitation* Joseph A. Marchal, 2006 Friendship, Flattery, and Frankness of Speech John Fitzgerald, 2014-04-09 This volume deals with the topics of friendship flattery and frankness of speech in the Greco Roman world The three topics were often related with candor or frank criticism viewed as the trait that distinguished the true friend from the flatterer The book's eleven essays are divided into three parts The first part introduces the volume and discusses the three topics in the thought of Philodemus and Plutarch Part two deals with Paul's use of friendship language in his correspondence with the Church at Philippi Part three examines the concept of frankness parrhesia in Paul Luke Acts Hebrews and the Johannine corpus The volume will be particularly useful to NT Scholars classicists and modern theologians and ethicists who are interested in the theory and practice of friendship in antiquity *Encyclopedia of Love in World Religions* Yudit Kornberg Greenberg, 2007-11-15 This is the first comprehensive resource on the subject of love in the teachings of the world's major religions cultures and philosophies *Encyclopedia of Love in World Religions* is the first reference work to offer a comprehensive portrait of love in the context of the classic and contemporary literature of Judaism Christianity Islam Buddhism and Hinduism as well as other cultures and philosophies Like no volume published to date it reveals the full richness of religious teachings on love in all its many forms exploring an extensive range of topics that offer philosophical psychological and religious perspectives to guide the quest for the meaning of love *Encyclopedia of Love in World Religions* features approximately 300 subject entries as well as insightful biographic sketches of preeminent thinkers all written by a multidisciplinary team of some of the foremost scholars on the subject Entries examine both general and culture specific interpretations of love not just the dichotomy of spiritual and physical love but the full emotional spectrum of love in relationships and practices Collectively they encompass love's integral and sometimes conflicting role in shaping beliefs and behavior in a vastly diverse world **Virtue Ethics and Contemporary Aristotelianism** Andrius Bielskis, Eleni Leontsini, Kelvin Knight, 2020-05-28 This compelling and distinctive volume advances Aristotelianism by bringing its traditional virtue ethics to bear upon characteristically modern issues such as the politics of economic power and egalitarian dispute This volume bridges the gap between Aristotle's philosophy and the multitude of contemporary Aristotelian theories that have been formulated in the twentieth and twenty first centuries Part I draws on Aristotle's texts and Thomas Aquinas Aristotelianism to examine the Aristotelian tradition of virtues with a chapter by Alasdair MacIntyre contextualising the different readings of Aristotle's philosophy Part II offers a critical engagement with MacIntyrean Aristotelianism while Part III demonstrates the ongoing influence of Aristotelianism in contemporary theoretical debates on governance and politics Extensive in its historical scope this is a valuable collection relating the tradition of virtue to modernity which will be of interest to all working in virtue ethics and contemporary Aristotelian politics Friendship and Benefaction in James Alicia J. Batten, 2017-06-23 Now available from SBL Press Employing social description social scientific models and rhetorical

analysis Alicia J Batten argues that the letter of James is conversant with the topic of friendship within Greek and Roman literature as well as within various texts of early Christianity She illustrates how James drew upon some of the language and concepts related to friendship with an intriguing density to advocate resistance to wealth avoidance of rich patrons and reliance upon God Features Use of friendship benefaction and patronage as lenses through which James and related texts can be viewed A strong case for how the letter appeals to the language and ideas of friendship with regard to God s relationships with humans Exploration of the relationship between the book of James and the teachings of Jesus **The**

Question of the Gift Mark Osteen,2013-09-13 The Question of the Gift is the first collection of new interdisciplinary essays on the gift Bringing together scholars from a variety of fields including anthropology literary criticism economics philosophy and classics it provides new paradigms and poses new questions concerning the theory and practice of gift exchange In addressing these questions contributors not only challenge the conventions of their fields but also combine ideas and methods from both the social sciences and humanities to forge innovative ways of confronting this universal phenomenon

Perfecting Friendship Ivy Schweitzer,2007-09-06 Contemporary notions of friendship regularly place it in the private sphere associated with feminized forms of sympathy and affection As Ivy Schweitzer explains however this perception leads to a misunderstanding of American history In an exploration of early American literature and culture Schweitzer uncovers friendships built on a classical model that is both public and political in nature Schweitzer begins with Aristotle s ideal of perfect friendship that positions freely chosen relationships among equals as the highest realization of ethical social and political bonds Evidence in works by John Winthrop Hannah Foster James Fenimore Cooper and Catharine Sedgwick confirms that this classical model shaped early American concepts of friendship and thus democracy Schweitzer argues that recognizing the centrality of friendship as a cultural institution is critical to understanding the rationales for consolidating power among white males in the young nation She also demonstrates how women nonelite groups and minorities have appropriated and redefined the discourse of perfect friendship making equality its result rather than its requirement By recovering the public nature of friendship Schweitzer establishes discourse about affection and affiliation as a central component of American identity and democratic community **Friendship in the Classical World** David

Konstan,1997-02-06 An examination of the nature of friendship in Greece and Rome from Homer to the Christian Roman Empire of fourth century AD *Friendship* Barbara Caine,2014-09-11 There has been an increasing interest in the meaning

and importance of friendship in recent years particularly in the West However the history of friendship and the ways in which it has changed over time have rarely been examined *Friendship A History* traces the development of friendship in Europe from the Hellenistic period to today The book brings together a range of essays that examine the language of friendship and its significance in terms of ethics social institutions religious organizations and political alliances The essays study the works of classical and contemporary authors to explore the role of friendship in Western philosophy Ranging from renaissance

friendships to Christian and secular friendships and from women's writing to the role of class and sex in friendships

Friendship A History will be invaluable to students and scholars of social history

The Cambridge Companion to Aristotle's Nicomachean Ethics Ronald Polansky, 2014-06-23 This volume provides a systematic guide to Aristotle's *Nicomachean Ethics* a key text of ancient philosophy and Western philosophy in general

Marriage, Sex and Family in Judaism Michael J. Broyde, 2005-08-22 *Marriage Sex and Family in Judaism* explores Jewish marriage from historical and contemporary perspectives focusing on the religious and legal concepts of marriage and the social impact of family in the Jewish community The book does not advocate one perspective or another instead the essays range from conservative to liberal viewpoints offering readers a well balanced mixture of perspectives on Jewish marriage

Altruism in World Religions Suzanne Neusner, Bruce Chilton, 2005-11-08 In 1830 philosopher Auguste Comte coined the term altruism to provide a general definition for the act of selflessly caring for others But does this modern conception of sacrificing one's own interests for the well being of others apply to the charitable behaviors encouraged by all world religions In *Altruism in World Religions* prominent scholars from an array of religious perspectives probe the definition of altruism to determine whether it is a category that serves to advance the study of religion Exploring a range of philosophical and religious thought from Greco Roman *philia* to Judaism Christianity and Islam from Hinduism in India to Buddhism and the religions of China and Japan the authors find that altruism becomes problematic when applied to religious studies because it is in fact a concept absent from religion Chapters on Judaism Christianity and Islam reveal that followers of these religions cannot genuinely perform self sacrificing acts because God has promised to reward every good deed Moreover the separation between the self and the other that self sacrifice necessarily implies runs counter to Buddhist thought which makes no such distinction By challenging our assumptions about the act of self sacrifice as it relates to religious teachings the authors have shown altruism to be more of a secular than religious notion At the same time their findings highlight how charitable acts operate with the values and structures of the religions studied

Other Selves Aristotle On Personal And Political Friendship Introduction

In the digital age, access to information has become easier than ever before. The ability to download Other Selves Aristotle On Personal And Political Friendship has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Other Selves Aristotle On Personal And Political Friendship has opened up a world of possibilities. Downloading Other Selves Aristotle On Personal And Political Friendship provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Other Selves Aristotle On Personal And Political Friendship has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Other Selves Aristotle On Personal And Political Friendship. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Other Selves Aristotle On Personal And Political Friendship. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Other Selves Aristotle On Personal And Political Friendship, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Other Selves Aristotle On Personal And Political Friendship has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Other Selves Aristotle On Personal And Political Friendship Books

1. Where can I buy Other Selves Aristotle On Personal And Political Friendship books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Other Selves Aristotle On Personal And Political Friendship book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Other Selves Aristotle On Personal And Political Friendship books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Other Selves Aristotle On Personal And Political Friendship audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Other Selves Aristotle On Personal And Political Friendship books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
