The Otherside Brandon Taylor Erics,2014-01-15 Validation equals survival This one point summarizes what this book is about It is an attempt to put into context the struggle that has occurred within and outside of the gay community for equality justice and substantiation This book will seek to paint a picture of homo sexism through various institutions in this country that shape societal views and perceptions I define homo sexism as discriminatory or abusive behavior towards members of the homosexual orientation including from within the gay community No where have I seen this term used or defined Why not Homo sexism exists and I believe because it has not been defined it will continue to exist Have we jumped defining basic terms in light of more dramatic terms such as hate crimes or homophobia Homo sexism is not the same as homophobia Homophobia describes a fear against same sex preferences that can lead to homo sexism and ultimately hate crimes There is a process It is appropriately used to legally and culturally define the use of ones gender against the individual or group but does not include homosexuality It is because there is so much passion several issues exude at once Because of this multiple exudation this project began out of frustration and utter invalidation How is that for a motivation Many friends and students have directly or indirectly encouraged me to go forward with my ideas This book examines the struggles one gay man has in his life and uncovers the truth it holds as he combats love disease and society

Where are the police when you need them Willie Masterson drove the streets of Winnipeg in a drunken state for 23 years and was never arrested He often parked on the front street in front of his home and leaned on the horn waiting for Jessie or the children to come to help him get out of the car and into the house He couldn't walk on his own but he could drive a car Not until he ended up falling asleep at the wheel and rolling his car over into a ditch did he see any sign of the law He hung upside down trapped in his seat belt screaming for help A four year old child lay motionless and silent and out of his reach He was terrified Was the little fellow dead Between sobs he vowed he would never drink again He kept that promise but exchanged his drinking addiction for another one just as destructive gambling Once again Willie's addiction caused a lot of unhappiness for himself and those who loved him [Official Gazette of the United States Patent Office](#) United States.
