Gilbert, 1990 In the Preface to this second edition of her first book Sandra M Gilbert addresses the inevitable question How can you be a feminist and a Lawrentian The answer is intellectually satisfying and historically revealing as she traces an array of early twentieth century women of letters some of them proto feminists who revered Lawrence despite his countless statements that would today be condemned as sexist H D regarded him as one of her initiators whose words flamed alive blue serpents on the page Anais Nin insisted that he had a complete realization of the feelings of women By focusing on Lawrence s own definition of a poem as an act of attention Gilbert demonstrates how he developed the mature style of Birds Beasts and Flowers his finest collection of poetry She discusses this volume at length examines many of his later poems in detail including the hymns from The Plumed Serpent Pansies Nettles and More Pansies and ends with a close look at Last Poems Her detailed examination provides a clearer image of Lawrence as an artist an artist whose poetry complements his novels and whose fiction enriches but does not outshine his poetry      **The Other Sides of a Mirror** David Romo, 2022-07-07 Pedro has always believed his life is boring and that nothing exciting or good will ever happen to him but things are about to change drastically Because of circumstances beyond his control Pedro is now the leader of his group of friends Now tasked with making life and death decisions for which he has no previous experience he struggles to make the right choices He swiftly makes new friends as well as enemies and discovers different realms that even in his wildest dreams ever imagined could exist Because of Pedro s lack of knowledge with traveling through other worlds he usually ends up in the middle of the of the worst situations In the past he was warned that Things are not always the way they appear to be and swiftly realizes just how true that statement is Steven Boyd and the Blufirs have already begun attacking and make everyone s lives more difficult yet somehow Pedro has managed to stay alive But how long will they be able to survive as they travel through new and dangerous worlds where things are anything but normal Despite all of this Pedro has succeeded in meeting a few new allies who are now working alongside with him until more reinforcements can arrive albeit from another solar system thousands of light years away As bad as things sometimes get Pedro has always managed to make everything just a little more interesting and amusing for everybody else But with
