Other Voices in Old Testament Interpretation W. Creighton Marlowe, 2019-09-17 The main goal of this book is to provide a collection of essays formerly only available separately in various academic journals that offer untraditional and original exegetical insights into or solutions to popular or problematic Old Testament texts and topics It illustrates the science and art of exegesis by an author within a broad evangelical context and demonstrates the interpretive value of reading biblical texts without prejudice to tradition and with careful attention to their historical and cultural contexts **The Other Side of**
