Honour-Based Violence Nazand Begikhani, Aisha K. Gill, 2016-03-09 Honour based violence is a form of intimate violence committed against women and some men by husbands fathers brothers and male relatives A very common social phenomenon it has existed throughout history and in a wide variety of societies across the world from white European to African cultures from South and East Asia to Latin

America The most extreme form of Honour based violence honour killing tragically remains widespread Over the last decade national and international efforts including new policy development and activist campaigns have begun to challenge the practice Based on a pioneering and unique study conducted collaboratively by the Centre for Gender and Violence Research University of Bristol the University of Roehampton and Kurdish Women s Rights Watch this book is at the forefront of this new and challenging policy direction The Semitic Heritage of Northwest Syria Anas Abou-Ismaïl,2023-06-21 The linguistic history of Northwest Syria spans more than 6 000 years starting with the emergence of Semitic languages This book takes the reader on a journey through the region s linguistic evolution highlighting key events that influenced its course Each chapter provides a comprehensive analysis of the language spoken during a unique period focusing on Eblaite Amorite Aramaic and Arabic and diving deep into the features of various Aramaic and Arabic dialects With three glossaries included this book is a valuable resource for linguists historians and Semitic studies enthusiasts interested in historical linguistics and ancient languages A History of Muslims, Christians, and Jews in the Middle East Heather J. Sharkey,2017-04-03 Across centuries the Islamic Middle East hosted large populations of Christians and Jews in addition to Muslims Today this diversity is mostly absent In this book Heather J Sharkey examines the history that Muslims Christians and Jews once shared against the shifting backdrop of state policies Focusing on the Ottoman Middle East before World War I Sharkey offers a vivid and lively analysis of everyday social contacts dress music food bathing and more as they brought people together or pushed them apart Historically Islamic traditions of statecraft and law which the Ottoman Empire maintained and adapted treated Christians and Jews as protected subordinates to Muslims while prescribing limits to social mixing Sharkey shows how amid the pivotal changes of the modern era efforts to simultaneously preserve and dismantle these hierarchies heightened tensions along religious lines and set the stage for the twentieth century Middle East Kurds and Yezidis in the Middle East Günes Murat Tezcür,2021-01-28 The diversity of Kurdish communities across the Middle East is now recognized as central to understanding both the challenges and opportunities for their representation and politics Yet little scholarship has focused on the complexities within these different groups and the range of their experiences This book diversifies the literature on Kurdish Studies by offering close analyses of subjects which have not been adequately researched and in particular by highlighting the Kurds relationship to the Yazidis Case studies include the political ideas of Ehmede Xani the father of Kurdish nationalism Kurdish refugees in camps in Iraq the perception of the Kurds by Armenians in the late Ottoman Empire and the Turks in modern Western Turkey and the important connections and shared heritage of the Kurds and the Yazidis especially in the aftermath of the 2014 ISIS attacks The book comprises the leading voices in Kurdish Studies and combines in depth empirical work with theoretical and conceptual discussions to take the debates in the field in new directions The study is divided into three thematic sections to capture new insights into the heterogeneous aspects of Kurdish history and identity In doing so contributors explain why we need to pay close attention to the shifting identities and

the diversity of the Kurds and what implications this has for Middle East Studies and Minority Studies more generally
