

A woman in a historical dress stands in a stone archway. She wears a light-colored, long-sleeved gown with a red and white patterned bodice and a large, ornate yellow headpiece. The background is a dark, textured wall with several arches and columns.

Other Margaret:

Margaret's New Look Katherine Ashenburg, 2025-05-27 Fashion mystery and politics combine in this delectable pacey novel set in a big city museum where an ambitious curator is launching a controversial exhibition of Christian Dior's *New Look*. At work Margaret is the well-regarded curator of fashion for a big city museum. At home she is the mother of lively twin girls, the spouse of a successful mystery book author, and a daughter still grieving the recent death of her beloved father. Now as she prepares to launch a career-defining exhibition on the haute couture of legendary French designer Christian Dior, she faces fierce internal politics from her peers alongside unsettling questions from younger colleagues. And to make matters more worrying, as the exhibition's opening night approaches, items in the Dior collection mysteriously begin to disappear. Meanwhile, Margaret must deal with revelations that have surfaced after her father's death: secrets that force her to confront her family's long-suppressed Jewish heritage. Struggles and mysteries at work and home soon entwine in the unlikely figure of an elderly collector of couture, one who may have had a fascinating long-ago connection to Dior himself. With her keen observation of human foibles, deep love of textiles and craft, deft construction of a mystery, and ear for spicy dialogue, Katherine Ashenburg creates a page-turning tale.

The New York Intellectuals Alan M. Wald, 1987 Looks at the Trotskyism movement in the U.S. explains why many radicals fell out with Stalin and discusses the impact on New York intellectuals of the postwar period.

Women Heroes of the US Army Ann McCallum Staats, 2019-07-02 Though early laws prohibited women from becoming soldiers, many women still found ways to serve, even disguising themselves as men to participate in active battle. Margaret Cochran Corbin joined the continental Army cannon crew after her husband was killed during the Civil War, disguised as William Cathay. And Charity Adams Earley commanded the first African American battalion of the Women's Army Auxiliary Corps in Europe during World War II. *Women Heroes of the US Army* chronicles the critical role women have played in strengthening the US Army from the birth of the nation to today. These smart, brave, and determined women led the way for future generations to enter, grow, and prosper in the forces defending the United States. Through the profiles highlighting the achievements of these trailblazers throughout history, young women today can envision an equitable future.

Saints and Latin Decadence Terrel Hale, 2001 What follows is not a story. It is descriptions of instinct and desire of the secular and holy. It is in a way what I see the purpose of art being. This is a novel that doesn't behave. It does not participate in good manners. Samuel Beckett said that the task of the artist is to find a form to accommodate the mess. This novel trusts the reader to do the work of narrating connections and stretches the assumptions about what texts are. I disrupt old narratives not because I have no faith in narratives but because I mean for the reader to see in my gaps and verbal impasses the opening for new narratives. I have aided the metamorphosis from narrative into non-narrative by experimenting with typography. This is a book that has to be turned over and side ways in order that it be read both as pictures and text. This is a novel existing in the space of poetry, creating an effect that adorns the action where the effect is more than the action. It is

prose written with the intensity of poetry a prose poem or something in between with more extended meditation in the same tradition of Edgar Allen Poe s Eureka or Baudelaire s Prose Poems or Bernadette Mayer s extended studies where the sentences keep accruing Here there is no epiphany at any moment or no epiphany at all and because of this this work is intentionally disorienting and disconcerting One of my intentions was to be as close to nature as possible Working outdoors was my inspiration and the primary object of my study My aim was to respond to the scene before me to avoid conventional ways of seeing and to fill my work with a sense of open air rather than studied light [The National Magazine](#) ,1905 [Tho Quiney - Gent : Shakespeare's Son-in-law](#) Reg Mitchell, [Tip County](#) George V.
