Otherhood Poems:

Otherhood Reginald Shepherd, 2003 The fourth collection from this much praised poet combines lyricism with experimentation creating a unique synthesis of passion and linguistic exploration **Otherhood** Reginald Shepherd, 2014-08-07 Written in the spaces between otherness and brotherhood Otherhood combines traditional lyricism with experimentalism passionate engagement with cold eyed investigation and personal details with a depersonalized distance to create a new poetic synthesis **Motherhood** Carmela Ciuraru, 2005-04-05 Celebrating mothers and daughters mothers and sons grandmothers and grandchildren Motherhood is a glorious wonderfully intimate tribute to the first love in every reader's life From tenth century Japan's Izumi Shikibu colonial America's Anne Bradstreet and Victorian England's Elizabeth Barrett Browning to Israel's Yehuda Amichai Ireland's Paul Muldoon and Russia's Anna Akhmatova poets across the centuries and around the world have immortalized this elemental relationship Among the more than seventy poets in this anthology Audre Lorde recalls How the days went While you were blooming within me Jorie Graham muses on her mother's sewing box Allen Ginsberg says goodbye in Kaddish and Langston Hughes invokes a mother's empowering example Don't you fall now For I see still goin' honey I see still climbin' And life for me ain't been no crystal stair From Emily Brontë's Upon Her Soothing Breast and Seamus Heaney's Mother of the Groom to Sylvia Plath's Morning Song and Frank O'Hara's Ave Maria the more than one hundred poems collected here enshrine the miracle of motherhood and the richness of feeling and experience it inspires *Encyclopedia of Motherhood* Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The Encyclopedia of Motherhood is a collection of approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The Encyclopedia is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences *Women's Poetry and Popular Culture* Marsha Bryant, 2016-04-30 Bridging feminist and cultural studies the book shows how British and American women poets often operate as cultural insiders Individual chapters reassess major figures H D Gwendolyn Brooks Sylvia Plath alternative modernist poets Edith Sitwell Stevie Smith and contemporary poets Ai Carol Ann Duffy **The Four Ms. Bradwells** Meg Waite Clayton, 2011-12-20 Mia Laney Betts and Ginger have reunited to celebrate Betts's appointment to the Supreme Court But when Senate hearings uncover a deeply buried skeleton in the friends' collective closet they retreat to a summer house on the Chesapeake Bay where they find themselves reliving a much darker period in their past one that stirs up secrets they've

kept for and from one another and could change their lives forever **Otherhood** Kathryn Van Beek, Alie Bengel, Lil O'Brien, 2024-05-09 In New Zealand the number of people who will never have children is growing and they're pushing back against the narrative that if they don't their lives will be somehow less than Otherhood's essays are by writers who've felt on the outside looking in who've lived unexpected lives and who've given the finger to social expectations Some chose to be childfree some didn't get to choose and some through bereavement or blended family dynamics ask themselves Am I a mother or am I other Thought provoking moving and often hilarious Otherhood opens a more inclusive conversation about what makes a fulfilling life *Hebrew Feminist Poems from Antiquity to the Present* Shirley Kaufman, Galit Hasan-Rokem, Tamar Hess, 1999 The first collection of its kind recovers 2500 years of Hebrew poetry by women

FemPoetiks of American Poetry and Americana Music Linda Nicole Blair, 2021-06-10 From the poems of Anne Bradstreet Phillis Wheatley and Emily Dickinson emerges what the author calls FemPoetiks a discourse of female empowerment Situating the work of these poets in their historical eras Linda Nicole Blair considers a sampling of their poems side by side with a number of song lyrics by singer-songwriters Brandi Carlile Rhiannon Giddens and Lucinda Williams having found commonalities of theme motif and language between them Blair argues that while FemPoetiks has continued to develop in various ways in American poetry by women the fact that this discourse finds expression in songs by Americana female artists indicates a matrilineal line of influence from the 1630s to today In order to show the omnipresence of this powerful feminist discourse she closes this book with eleven interviews she conducted with female singer-songwriters from around the United States The phenomenon of FemPoetiks is not limited to the arts but extends into all areas of American life from the domestic to the political FemPoetiks is a woman's truth *Everywoman Her Own Theology* Martha Nell Smith, Julie R. Enszer, 2018-09-17 Alicia Ostriker's artistic and intellectual productions as a poet critic and essayist over the past 50 years are protean and have been profoundly influential to generations of readers writers and critics In all her writings both the feminist and the human engage fiercely with the material and metaphysical world Ostriker is a poet concerned with questions of social justice equality religion and how to live in a world marked by both beauty and tragedy *Everywoman Her Own Theology* On the Poetry of Alicia Suskin Ostriker engages Ostriker's poetry from throughout her career including her first volume *Songs* her award-winning collection *The Imaginary Lover* and her more recent work in the collections *No Heaven* the volcano sequence *The Old Woman the Tulip and the Dog* and *Waiting for the Light* Like her literary criticism and essays Ostriker's poetry explores themes of feminism Jewish life family and social justice With insightful essays some newly written for this collection poets and literary critics including Toi Derricotte Daisy Fried Cynthia Hogue Tony Hoagland and Eleanor Wilner illuminate and open new pathways for critical engagement with Alicia Ostriker's lifetime of poetic work **Giftwares**, 1924 *Sex, Class and Culture* Lillian Robinson, 2023-08-11 First published in 1986 *Sex Class and Culture* is a collection of Marxist feminist essays that develops an original critical theory and applies it to literature the visual arts and mass media

Lillian Robinson was the first American critic to suggest the essential connections among sex class and race as forces that shape works of art and the critical response to them In applying her theory to particular texts she considers topics from the Renaissance epic to the Regency romance from Jane Austen to contemporary feminist poets and from factory workers memoirs to TV images of career women and housewives The essays are insightful because Robinson clearly knows this wide assortment of texts cares about their significance and writes about them with wit They are irreverent because she asserts the feminist critic's permanent responsibility to ask So What and they are controversial because she constantly addresses that question to our most powerful and respectable institutions social and literary This book will be of interest to students of literature history gender studies and sexuality studies

A Contradiction Still Christa Knellwolf King,1998 This text offers a critique of the views concerning gender and gender roles in Pope's poetry It engages directly with current issues in feminist criticism cultural studies and identity politics
