Otherwise Engaged Grand Theatre Collection (University of Guelph), Donald Davis, Simon Gray, Theatre London, du Maurier Council for the Performing Arts, 1979 **Otherwise Engaged** Simon Gray, 1975 British publisher's record listening interrupted by uninvited visitors seeking to involve him in personal problems He remains outwardly calm and disengaged through attempted seduction suicide wife's revelation of adultery *Otherwise Engaged* Grand Theatre Collection (University of Guelph), Simon Gray, 1979 Otherwise Engaged Simon Gray, 2014 The hero of *Otherwise Engaged* only prefers brevity when he cannot have complete silence or rather a silence filled with music Everything in the play flows from that simple fact This treacherous relationship between stage presence and page absence was illustrated by the response of the play's first producer who nearly rejected it on the grounds that there was no main part *Otherwise Engaged* was premiered at the Queen's Theatre London in July 1975 **Otherwise Engaged and Other Plays Counter Display** Sully Blotnick, 1986-06-03 **Twentieth Century Drama** Simon Trussler, 1983-04-01 A compendium of information on all the main events individuals political groupings and issues of the 20th century It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading **Six Contemporary Dramatists** Duncan Wu, 1996-12-18 A most illuminating study John Bayley *Six Contemporary Dramatists* explores in a straightforward manner the central concerns of six of the most important contemporary dramatists It demonstrates how the work of Alan Bennett Dennis Potter Simon Gray Howard Brenton David Hare and Alan Ayckbourn is essentially moral and relates their aspirations to the British romantic tradition of the last century At the same time Duncan Wu explores how each writer has responded to the changes that took place in personal and public ethics during the 1980s as a result of Thatcherism He also includes an interview with Alan Ayckbourn published here for the first time in which the volume's themes are focused and summarised For the paperback edition a substantial preface discussing Tom Stoppard's *Arcadia* David Hare's *Skylight* and David Edgar's *Pentecost* has been added This is an essential and readable guide to televised and theatrical drama for students and theatregoers alike *Simon Gray: Plays 2* Simon Gray, 2013-05-02 A superbly written play a funny play an agonising play It is moreover a play of truth and insight A play to savour Punch on *Otherwise Engaged* Life in the theatre hasn't brought me anything more rewarding than directing Simon Gray's plays Harold Pinter *Plaintiffs and Defendants* Exceptionally good the play gave such a rending picture of married mess that it was hard to know where to look Clive James Observer Simon Gray is the one TV playwright whose work I most relish seeing for his acerbic wit wonderful ironies and above all for his care with our mother tongue Dennis Potter The Revealing Moment and Other Plays Oscar W. Firkins, 1932-01-01 *The Revealing Moment and Other Plays* was first published in 1932 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Sparkling wit brilliancy of phrase vivid character portrayal erudition taste a delicate

sense of proportion and a genuinely felicitous style these are only a few of the critics judgments on Mr Ferkins previously published plays *British Playwrights, 1956-1995* William W. Demastes,1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period Included are entries for some three dozen British playwrights active between 1956 and 1995 Entries are arranged alphabetically to facilitate use Each entry supplies biographical information the production history for particular plays a survey of the playwright s critical reception an assessment of the dramatist s work and primary and secondary bibliographies A selected general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history **Pinter's Comic Play** Elin Diamond,1985 Examines the basis of Harold Pinter s tense comedy and how it functions in his plays as well as covering the major drama from *The Room* to *Other Places* Diamond argues that the metaphysical fear and emptiness so characteristic of the Pinter situation are inseparable from his use and abuse of literary and popular comic traditions **Simon Gray Unbound** Peter Wolfe,2014-01-10 The work of English playwright Simon Gray 1936 2008 has always resisted ideological and stylistic labels His artistic independence has also had an unwelcome side effect It cost him the critical attention garnered by his peers This book the first monograph on Gray examines his oeuvre from the early plays which hack away at the formalism and humanism of traditional English satire to the later ones in which he explores English professionals and their problems connecting with each other If Gray remains the least known major English dramatist of his day he s also one of the boldest and best **English Corpus Linguistics** Karin Aijmer,Bengt Altenberg,2014-01-14 This collection of articles form a tribute to Jan Svartvik and his pioneering work in the field Covers corpus studies problematic grammar institution based and observation based grammars and the design and development of spoken and written text corpora in different varieties of English *The Smoking Diaries Volume 2* Simon Gray,2013-01-23 As a baby Simon Gray discovered that he could move his pram while still nestling inside it It was a complete mystery to the adult intelligences how had he done it if it was he who had done it but if not he who then and why So the next afternoon they Mummy and Nanny planted the pram in the usual spot and stood over it watching the baby lay there smiling or snivelling up at them until it struck them that they should try observing the baby when unobserved by the baby and they withdrew behind bushes and trees etc and thus witnessed the swaying of the pram then the juddering of the pram then its slow unsteady progress along the path the movement accompanied by a low humming and keening sound from within that reminded them more of a dog than a human jouncing was the word they used for it I was a jouncer therefore In the second book of his chronicles of triumph and disaster which started with *The Smoking Diaries* Gray intertwined scenes from his adult and his childish self to produce a brilliant and moving counterpoint of life s unsteady progress *Curtain Times* Otis L.
