Mi vida con los santos James Martin, 2010-03-01 Para el padre James Martin SJ los Santos son mucho más que estatuas de yeso son amigos personales En *Mi vida con los Santos* James Martin nos presenta una conmovedora experiencia respecto a su relación con los Santos desde María a la madre de Jesús hasta San Francisco o la Madre Teresa y la manera personal en la que ha sido dirigido por los héroes de la Iglesia a lo largo de toda su vida El padre James nos presenta varios y encantadores relatos de los Santos más populares permitiéndonos ver no solo su santidad sino su humanidad A partir de esta experiencia descubrimos la llamada y posibilidad de vivir la santidad en nuestra propia humanidad James Martin has led an entirely modern life from a lukewarm Catholic childhood to an education at the Wharton School of Business to the executive fast track at General Electric to ministry as a Jesuit priest to a busy media career in Manhattan But at every step he has been accompanied by some surprising friends the saints of the Catholic Church For many these holy men and women remain just historical figures For Martin they are intimate companions They pray for me offer me comfort give me examples of discipleship and help me along the way he writes The author is both engaging and specific about the help and companionship he has received When his pride proves troublesome he seeks help from Thomas Merton the monk and writer who struggled with egotism In sickness he turns to Therese of Lisieux who knew about the boredom and self pity that come with illness Joan of Arc shores up his flagging courage Aloysius Gonzaga deepens his compassion Pope John XXIII helps him to laugh and not take life too seriously Martin's inspiring witty and always fascinating memoir encompasses saints from the whole of Christian history from St Peter to Dorothy Day His saintly friends include
