Ottawa Inside Out Power Prestige And Scandal In The Nations Capital:

I Found My Thrill on Parliament Hill Chnier-Cullen Nicole Chnier-Cullen, Nicole Chénier-Cullen, 2009 The Honourable Jack Sydney George just call me Bud Cullen defied all odds when he was elected Sarnia's Member of Parliament during the head spinning days of Trudeaumania Candid and outspoken Cullen was never one to shy away from controversy Just as he spoke openly about the difficult issues surrounding his ministerial responsibilities he never hid the fact that he and his chief of staff had fallen in love This memoir written after Cullen's death by his chief of staff who became his partner and wife of thirty years is unusually poignant and revealing Nicole Chenier Cullen's discussions of the critical issues that the minister tackled such as new immigration legislation dealing with Quebec's first separatist government and the tragedy of the Vietnamese refugees uncover a behind the scenes perspective never before known Her humorous straightforward account of life in a minister's office is most refreshing Her honest thoughtful discourse on how the couple survived what could have been a scandalous relationship adds a revealing dimension to the story as does her portrayal of Cullen's transition from politician to Federal Court judge Finally the author's heart wrenching account of her husband's final years and how the family coped with the ravages of Lewy Body an Alzheimer's related disease packs a real emotional punch **Off and**

Issues in Transnational Policing James Sheptycki, 2002-01-04 Globalisation the wired planet the global village these are a few of the terms associated with the social and political changes that are said to describe the world at the beginning of the new millennium One of the most important institutions of the social ordering has been that of policing but very little has been written on how the practices of social control are affected by the processes of transnationalisation This book brings together contributions by experts on policing that focus on some of the newly emergent policing issues connected with these changes the global private security industry cross national networking between police the establishment of an international criminal court money laundering policing cyberspace the drug war Issues in Transnational Policing crosses the boundaries between criminology international relations and international law to provide a thought provoking picture of the complex issues surrounding the politics of policing in the future

Presumed Guilty William Kaplan, 1998 It promised to be the biggest political scandal of the decade A letter had come to light written by officials of the government of Canada to a Swiss bank which claimed that Brian Mulroney former prime minister of Canada was linked to illegal kickbacks from the sale of thirty four Airbus airplanes to Air Canada a 1988 deal that had cost the publicly owned airline 1.8 billion Rumours of wrongdoing had been circulating for months especially since a March 1995 program on CBC TV's the fifth estate entitled Sealed in Silence On the show it had been suggested that insiders close to the Conservative government had used their connections to seal the deal and had profited handsomely in the process There had been talk of Swiss bank accounts and the involvement of an international business consultant named Karlheinz Schreiber not to mention former premier of Newfoundland Frank Moores who had been a well known Ottawa lobbyist at the time Now in November 1995 the Financial Post published details of the official investigatory letter which claimed the involvement of Brian Mulroney himself Immediately Mulroney responded to press reports with an unprecedented 50 million defamation suit against the federal government and the RCMP amid allegations that he was the one who had leaked the letter and thus libelled himself As journalists circled around the story in a feeding frenzy rumours also began to circulate that certain Liberals had taken an unusually personal interest in the case Was the investigation politically motivated Was it conducted in accordance with normal established practices by the RCMP the Department of Justice and others Who in government knew about the letter and when And who leaked the letter to the Financial Post and why Every Canadian is aware of the bare bones of the story yet no full and objective investigation of what really happened in this case has yet been made Now in *Presumed Guilty* William Kaplan lawyer and author with the complete co operation of the Mulroney team and access to many others involved on both sides of the case has set out to do just that *Presumed Guilty* takes the reader behind the scenes and into the trenches
