## **Ottawa More Than A Capital:**

**Perspectives on Ottawa's High-tech Sector** Nick Novakowski, Rémy Tremblay, 2007 Canada's capital Ottawa is earning a reputation as a global technology centre that offers a dynamic mix of economic cultural educational and recreational opportunities It is an advanced technology centre particularly known for its research and development in the fields of telecommunications technology services software development defence and security microelectronics wireless and photonics Readers can see innovation and the elements of the New Economy revealed by the different authors detailing different accounts and analyses of the Ottawa area The book is organised into four themes 1 Ottawa A Knowledge City 2 Planning the Cluster By Decision By Design or By Destiny 3 Growing the Cluster Idea Farming and Innovation Strategies for Economic Development and 4 The Unique Ottawa Cluster Regional Bilingual and Cosmopolitan Cities of the World Stanley D. Brunn, Donald J. Zeigler, Maureen Hays-Mitchell, Jessica K. Graybill, 2020-03-03 Remarkably more than half of the world's population now lives in cities and the numbers grow daily as people abandon rural areas This fully updated and revised seventh edition of the classic text offers readers a comprehensive set of tools for understanding world regional geography as seen through the urban landscape and by extension the world's politics cultures and economies Providing a sweeping overview of world urban geography noted experts explore the major global regions Each regional chapter considers urban history economy culture and environment as well as special problems and future prospects A regional map that shows the major cities a summary of basic statistical information about the cities and urbanization in each region and a list of ten salient points about that region's urban experience frame each region Chapters conclude with a list of references including films and webpages which can be used by the student and instructor for additional information about specific cities This edition adds the important new themes of climate change and migration while continuing to focus specifically on sustainability water technology social and environmental justice security and conflict the history of urban settlement urban planning trends and daily life Vignettes of key cities give the reader a vivid understanding of daily life and the spirit of place The opening chapter presents an overview of key terms and concepts and explores contemporary world urbanization and a concluding chapter projects the world's urban future Generously illustrated in full color with a new selection of photographs maps and diagrams the text also includes a rich array of textboxes to highlight key topics ranging from migration and immigration to LGBTQ activism human security and climate change Clearly written and timely Cities of the World will be invaluable for those teaching introductory or advanced classes on global cities regional geography the developing world and global urban studies Capital Cities/Les Capitales John H. Taylor, Jean G. Lengellé, Caroline Andrew, 1993 An unusual look at the nature and role of capital cities around the world past present and future The 24 papers by scholars from many countries and disciplines present their thinking on capital cities with contributions from Amos Rapoport Claude Raffestin Peter Hall and Anthony Sutcliffe 16 papers in English 8 in French Choosing Canada's Capital David B. Knight, 1991-05-15
